“The Cannon Film Guide is the greatest book anyone could ever write about the greatest movie studio that ever was. And is.” —Mike McPadden, author of Teen Movie Hell and Heavy Metal Movies

The Cannon Film Guide Volume I explores forty films and franchises produced by The Cannon Group, the most prolific b-movie studio of the 1980s, during the company’s first five years under the command of cult film legends Menahem Golan and Yoram Globus. Through in-depth studies and behind-the-scenes stories from the people who made them, this

volume examines such beloved, VHS-era classics as the Breakin', Missing in Action, Hercules, and Death Wish movies, Revenge of the Ninja, Ninja III: The Domination, The Apple, Bolero, Exterminator 2, The Last American Virgin, and many more. "If you're a fan of Cannon films, or even not a fan, you will be fascinated by Austin Trunick's deep dive into the studio's output. This is an under-reported part of cinema history and this book will delight both film buffs and casual devotees of action-packed movies. This book added to my knowledge, not to mention my testosterone level." —Frank Conniff, comedian, TV's Mystery Science Theater 3000" A joyful,

Game Theory **Infinity**

Having staked his claim as a master of epic fantasy with *The Ring of Five Dragons*, Eric Van Lustbader now returns to his world of Kundala to unearth new riches of wonder and excitement in this second volume of *The Pearl* saga. With the help of her friends, Riane, the prophesied redeemer known as the Dar Sala-at, saved Kundala from annihilation, preserving natives and V'ornn invaders alike. Together, the companions avenged terrible crimes and secured the Ring of Five Dragons, but their struggles have only just begun. The Ring averted doomsday, yet it did not open the magical Storehouse Door as expected. That sorcerous treasury remains sealed because of the spell cast by Giyan and her

sister. A spell to migrate Annon Ashera's male V'ornn psyche into Riane's dying Kundalan female body. By combining them into a single being, it saved them both and fulfilled the prophecy that the Dar Sala-at would be "born at both ends of the cosmos." But the spell also breached the Abyss, releasing daemons who could wreak havoc on Kundala. The daemons were imprisoned there aeons ago by the Goddess Miina. Now the fiends must be vanquished, not only so the quest for the Pearl can continue, but to save Giyan, who has been possessed by the archdaemon Horolaggia. Their only hope is the fabled Veil of A Thousand Tears. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
