**certified public accountant For those seeking to pass the CPA exam and launch their accounting careers, CPA Exam For Dummies is the go-to resource for getting started!**

**Teachers regularly seek to update their practice with newly-developed tools from the realm of research, with the aim of applying them directly in the classroom, particularly for teaching reading and writing. Thus, teachers' continuing education is dependent on the effective dissemination and appropriation of research results. This book explores this problem from multiple angles, presenting research projects from France and Quebec, Canada. Using a variety of methods, including creating teaching materials and engaging**
