MathMatters 3: An Integrated Program, Extra Practice Workbook

The Laboratory Experience

For Kids (7+)

Want to make your classes awesome and cut lesson prep time in half? You'll need to pick up a copy of ESL Warm-Ups for Kids. Many of your students will not have spoken English or even given the class a single thought since your last class. Begin the lesson with a warm-up activity that eases students back into English, orients them to the upcoming lesson and focuses their attention on the work ahead. Effective warm-ups are a valuable teaching tool, but finding good ones takes time, a scarce resource for most teachers. That's what makes ESL Warm-Ups so valuable. It helps you get your class back into the English mindset while reducing prep time, so you can focus on other important teaching tasks. This book will make your classes awesome and will save you time, guaranteed. If you want to get your ESL or EFL classes off on the right foot, 39 ESL Warm-Ups for Kids 7+ is for you!
