focus. Author Michael Meyer understands that a particular challenge for instructors is that students do not necessarily see literature as relevant to their lives. They may be new to the study of literature, may have difficulty reading it, and may lack confidence in their critical abilities and writing skills. With these factors in mind, Meyer has put together a lively collection of stories, poems, and plays from many periods, cultures, and themes, with voices ranging from the traditional to the latest and hottest contemporary authors. As an experienced anthologist and instructor of

the canonical titular story about blindness and learning to enter the very different world of another. These twelve stories mark a turning point in Carver's work and "overflow with the danger, excitement, mystery and possibility of life. . . . Carver is a writer of astonishing compassion and honesty. . . . his eye set only on describing and revealing the world as he sees it. His eye is so clear, it almost breaks your heart" (Jonathan Yardley, Washington Post Book World). Classic story of self-discovery, told in a unique manner by Kafka.

We live in a world of words. The way we interact with our fellow humans is very often based on the language that always surrounds us, whether it be the messages we send, news we read, or the assignments we complete in classes that give us the education intended to lead us to success. What might be the best way to navigate the complexity of language, especially in a first-year composition course? This book

addresses these issues by presenting lessons, examples, and student samples through an approach that is friendly, conversational, and realistic. Created by actual instructors of composition at HCC, this book includes many resources to guide composition students of different skill levels:

- In-depth overviews of reading, writing, and revising
- Engaging exercises that anticipate and address the most common errors of writers
- Actual student samples that provide the basis of class discussions and analysis

With guidance that includes both theory and practice, *Composition and Grammar for HCC* by HCC provides students with the skills they need for their educational goals, their careers, and their lives.
