internal
Investigation A
communication
Handson
within
Approach

organizations. This thesis first defines the term of social media which are very up-to-date but which are used in many cases so that a differentiated point

Download Ebook
Introduction To
Social Media
Investigation A
Handson
Approach

of view has to be taken. In almost the same manner, the term organizational culture is described. This concept, however, is underestimated because the majority of people do not think of an

Download Ebook Introduction To

Social Media
Investigation A
Handson
Approach

organizational culture when looking at an organization, but they are rather profit-oriented.

Thus, it is crucial to consider this social aspect of an organization. The thesis investigates this concept

Download Ebook
Introduction To
Social Media
Investigation A
Handson
Approach

critically. One of the concerned elements in consequence of the combination between social media and organizational culture is the communication within an organization. An

Download Ebook
Introduction To

integration the
context of
organizational
culture are
analyzed and
discussed in this
thesis. Therefore,
the critical analysis
of the subject
provides an
assessment and
serves as a basis

Download Ebook
Introduction To
Social Media
Investigation A
Handson
Approach

for the
consideration of
the effect of social
media integration
on the
organizational
culture. Social
media may have
beneficial
outcomes for the
organizational
culture. Hence,

Download Ebook
Introduction To
Social Media

organizational performance and job satisfaction, which are both closely related to organizational culture, are likely to increase. This is because e.g. the chance for work groups is provided by social media to

Download Ebook
Introduction To
Social Media
Investigation A
Handson
Approach

organize themselves efficiently, although the members of the group might avoid each other at the workplace.

Nevertheless, using social media also entails risks for the

Download Ebook
Introduction To
Social Media
Investigation A
Handson
Approach

organizational culture. These risks are likely to weaken job satisfaction of employees and, thus, also the organizational culture. One example is the abuse of social media by
