As we all know by now, comments on the Internet are a fascinating thing. My favorite involve the word "fanboy."

Generally speaking, being a fanboy means you write (stories, tweets, whatever) about a certain topic with a positive angle. It's meant to be a derogatory term, but

the truth is that it's so overused that it's almost completely meaningless. For the sake of this post, though, I'll play ball. I have a confession to make: I'm a fanboy. Now, I didn't say specifically what I'm a fanboy of, because there have been too many titles bestowed upon me over the years.
