Gates, GatesNotes After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost

every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that

abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She

Ukufa kukaShaka is a historical drama by Elliot

Zondi, first published in 1960 in the Bantu (later, African) Treasury Series by the University of the Witwatersrand Press. Its plot is based on the events surrounding the assassination of Shaka, the

Where To Download Isizulu Paper 2 Caps Grade 11

mighty Zulu king, by his two half-brothers, Dingane and Mhlangana, aided and abetted by his paternal aunt, Mkabayi, in 1828. The play explores the classic theme of the tragic hero's fatal flaws: hubris and

Where To Download Isizulu Paper 2 Caps Grade 11

*overconfidence. Shaka's
ruthless ambition led him to
overstep human boundaries,
kill with impunity, bar his
warriors from having
families and force them into
endless wars. His blind spot
seems to have been to put*

the survival and expansion of the Zulu kingdom first and the welfare of his subjects second. Against this backdrop Mkabayi, whose ambitions for a remarkable Zulu nation were more tempered, played a decisive

role in his downfall. Zondi explores arguments both in favor of and against Shaka's assassination in a way that allows the reader to sympathize with his greater vision and his thwarted plan to fight impending

colonialism. His dramatization of the conflict between Shaka and Mkabayi highlights questions of leadership and nation-building that continue to be relevant today.
