The Insider's Guide to Israel - An Anthology by Tour Educators

Greater Than a Tourist- Beit Shemesh Israel: 50 Travel Tips from a Local A Holiday Magazine Travel Guide: Israel

This travel guide focuses on places that Holy Land tour groups typically visit and gives major attention to connections between the Bible and the land. The Holy Land is understood to overlap both present-day Israel and Jordan, so places like Gilead, Mount Nebo, Bethany-beyond-the-Jordan, and Petra are included. And while the biblical periods and biblical

Acces PDF Israel Travel Guide Book

connections remain in the forefront, these are explored in the context of the Holy Land's long and fascinating history. Ancient "tells" dating back to the Bronze Age, colonnaded streets and temples from Hellenistic and Roman times, early Christian pilgrimage destinations, Crusader castles, Mamluk and Ottoman fortifications--all illustrated with chronological charts, maps, site plans, and photographs.

Israel is a small country. With about 9,000,000 citizens, it falls somewhere between Belgium and Denmark in terms of population. Remarkably, though, it is hard to meet anyone who has not heard about Israel. And everyone seems to have an opinion about this tiny piece of land and its people. For dozens of years, I used to travel, visiting altogether over 90 countries. Those were business trips, and I had a great opportunity to meet lots of different people and talk to them. And it was always the same - people somehow felt that they knew and understood Israel. Indeed, in the West, most of the people are

Acces PDF Israel Travel Guide Book

Christians, Muslims and Jews, and the knowledge of the Holy Land comes from the Holy Books. At the same time, understanding is created by the media, which is always looking for breaking news and hottest stories. Following those meetings, I often had a chance to invite my partners and customers to visit my country. And then I became their tour guide, taking them wherever we had time to go. Business travelers don't usually have time for extensive excursions, so I had to limit our travels to Jerusalem, Tel Aviv, Galilee, the Dead Sea, and some of the other, most popular places. And every time, I heard the same - how different everything was from whatever people could imagine. The usual stereotypes simply did not work, and every place they visited was a great surprise. And so, after a long international business

Acces PDF Israel Travel Guide Book

career, I've finally decided to make guiding a profession. And now, instead of me trotting the world, people come to Israel to meet me, and I take them around the country. And the old miracle works again and again - after the tour, and sometimes even almost at its beginning, people usually tell me - "this is not a country which I expected to meet". Why is this so? First, Israel is much more modern from what people usually think the Holy Land would be. But at the same time, the country manages to keep huge green areas, reserved for nature reserves and National Parks. And, indeed, history and nature are everywhere. Altogether, there are over 250 nature reserves and National Parks in the country. Needless to say, an "average tourist" who comes to Israel for a week or two has no time to see even a small part of

Acces PDF Israel Travel Guide Book

all that. To become a tour guide in Israel, one has to study for over two years, a few times a week. And every year, more in-depth dedicated studies are requested to achieve the Tour Guide license. Every year, new excavations uncover new layers of history and bring more surprises. Sometimes, basic things, which seemed to be obvious, become obsolete, and new horizons are opened. It is enough to dig underground parking in Jerusalem and find the Ancient Greek Citadel, Acra, which many people thought was just a legend. Or start building a new road in Judea Hills to find Khirbet Qeiyafa - a town dating back to King David times. But even those places, which seem to be well-known, usually hide some fascinating stories. And this is why I've decided to put some of these stories

Acces PDF Israel Travel Guide Book

together into this book. I've tried to keep it short and simple, as this is not a scholarly composition book. This is also definitely not a guide book either, as I've tried to avoid those "must hear" clichés about "must-see" places. For that, there are thousands of good and detailed Travelers Guide books. Instead, I want to tell you some short stories of great places in this fascinating country. My target is to bring the inner levels of each great site's background and open a "secret door" for my readers to the mystics of the Holy Land and to ensure that you feel at home there. I've also added lots of photos, most of them I took myself, to bring a real vision of these places. Vacation Sloth Travel Guide Jerusalem Israel is an easy to use small pocket book filled with all you need for your stay in the big city. Top 50 city

Acces PDF Israel Travel Guide Book

*A trip to the Holy Land is on the bucket list of many Christians. But planning a meaningful trip in a place so filled with significant sites is an imposing task. Most travel guides are not prepared to link the Bible and land in an accurate and meaningful way because they are written for people of all faiths. So how can a Christian traveler prepare a trip that will illuminate God's Word and reveal the Lord's presence? In *The Holy Land for Christian Travelers*, John A. Beck provides a guide to the Holy Land for Christians with explanations of*

Acces PDF Israel Travel Guide Book

the biblical significance of important sites. The entries provide key Scripture references for reflection and a guide to the land that will encourage communion with God and a genuine spiritual experience for travelers as they walk in the footsteps of Jesus. A trip to the Holy Land can be a worship-filled, once-in-a-lifetime spiritual journey. This book puts a biblical scholar and experienced Holy Land guide at the reader's side.

So you're going to Israel? Don't go without this guide. A trip to the Holy Land is, for most, a once-in-a-lifetime opportunity. In this one-stop guide, two professionals—Charles Dyer, a
