A classic work of literature, adapted for children and beautifully illustrated. Perceiving the need for a simpler version of a timeless classic, Helen Taylor faithfully adapted John Bunyan's allegory of the Christian life, The Pilgrim's Progress, for young readers—hoping to bring its treasury of wisdom nearer to children's hearts and minds. That version has sold over 800,000 copies! It preserves the original plotlines of Bunyan's classic while telling the story of Little Christian and Christiana in a way that kids can understand. In this fresh, imaginative new edition, bestselling illustrator Joe Sutphin portrays the characters of Bunyan's tale as furry creatures living in a woodland realm. Children will delight in the lavish illustrations, reading alongside their parents or interacting on their own with the timeless words and beautiful imagery that they discover on every page. This book will help children see the trials and triumphs of faithfulness with fresh eyes, leading them to declare along with Christian, "I am going to the King!"

An illustrated collection of 14 short stories—featuring "dragons and wizards, councilors and mayors, an adventurous tortoise and a monster in a lake, along with plenty of pointy hats and a few magic spells"— was written when the author was a teenaged newspaper reporter. 50,000 first printing.
