the heavy rock band Greta Van Fleet who in a matter of years have raced from obscurity as teens growing up in the tiny Michigan town of Frankenmuth to the top of the international hard rock mountain. **Hard Work: The Greta Van Fleet Story** by New York Times Bestselling Author Marc Shapiro takes you along for this high wire ride to the top.

Equal parts biography and inspirational story, **Hard Work: The Greta Van Fleet Story** takes the band on an often surreal and edge-of-your seat journey. At a time when popular music had

Get Free Jeopardy Kids Music Questions

become predictable, pre-fab and the process of making it had been diluted by the likes of American Idol and America's Got Talent. Greta Van Fleet brought their brand of guitar heavy, very Led Zeppelin-like heavy metal to the public in the trenches. These underage musicians made their bones playing very adult biker parties, dive bars where they often were not allowed inside except to play and spending countless hours driving in cramped vans to the middle of nowhere to play for an audience of 10.

But persistence would ultimately

pay off. They signed with Lava Records and put out a series of albums that captured the fantasy with music that paid homage to hard rock's past and pointed the way to a joyous rocking future.

This book includes

- Exclusive interviews with local club owners from Greta Van Fleet's early days;
- Complete Greta Van Fleet discography, including outtakes from recording sessions, live garage recordings, concert recordings and recordings of unreleased original songs
- The real story behind Greta Van Fleet's controversial

Saturday Night Live appearance.

- Greta Van Fleet's literary and musical influences--beyond Led Zeppelin!
- And the real story of life on the road!

"This book is biography but it is also a blueprint to anybody that wants to make real, believable music," said author Marc Shapiro. "Greta Van Fleet slugged it out in the rock and roll trenches and their reward is that they are currently one of the biggest bands on the planet. If you follow their lead, you can get there too."

One of Greta Van Fleet's major

influences, Led Zeppelin postulated in their song Rock and Roll the lyric 'It's been a long time since I rock and rolled.'" Hard Work: The Greta Van Fleet Story indicates that the return of true, passionate straight-ahead rock is now.

In the twenty-first-century world of juvenile justice policy and practice, nearly everyone agrees that one of the most pressing issues facing the nation's juvenile courts is their proper response to delinquent youths with mental disorders.

Get Free Jeopardy Kids Music Questions

Recent research indicates that about two-thirds of adolescent offenders in juvenile justice facilities meet the criteria for one or more mental disorders. What are the obligations of our juvenile justice system, then, as the caretaker for delinquent youth with such disabilities? How do issues of adolescent development create special challenges in determining the court's proper response to delinquents with special mental health needs? Thomas Grisso considers these questions while offering new information to assist the juvenile justice system in its responses to the needs of our children. Double Jeopardy considers the newest data on the

nature of youths' mental disorders—their relationships to delinquency, the values and limits of methods to treat them, and the common patterns of adolescent offending. That information is used to chart a rational course for fulfilling the juvenile justice system's duty—as a custodian of children in need of health care, as a legal system promoting fairness in youth adjudication, and as a protector of public safety—to respond to delinquent youths' mental disorders. Moreover, Double Jeopardy provides a scientific yet practical foundation for lawmakers, judges, attorneys, and mental health care professionals, as well as researchers who must fill the
