Jessica Sims Book

Professional matchmaker Marie Bellavance entertains the advances of two vampires and a were-cougar in this sensual story of supernatural love. Original. 50,000 first printing.

From New York Times bestselling author Jessica Clare comes a Christmas romance about a cowboy grinch and the woman who stole his heart. Local waitress Holly Dawson needs a better paying job to cover her sister's college tuition. Given that it's Christmas and she's broke as a joke, she's feeling pretty bah-humbug. New jobs are hard to come by in a town as small as Painted Barrel, especially as the town dropout. When Holly's offered a job at the Flat C Ranch to clean and cook for the cowboys that work there, it seems like a dream come true...except for one thing. Her nemesis, the incredibly handsome (and annoyingly arrogant) Adam Calhoun works there. It doesn't matter that he loves dogs more than people, or that he's a war veteran. No Christmas spirit can save that particular grinch. When the rest of the ranch hands go out of town for the holidays, Holly and Adam will be forced to work closely together. No sweat. Holly can deal with Adam. And if she doesn't kill him first, she just might fall in love.

The Billionaire Boys Club is a secret society of six men who are incredibly wealthy—but not always so successful when it comes to love… Real-estate tycoon Hunter Buchanan has a dark past that's left him scarred and living as a recluse on his family's palatial estate. Hunter is ready to give up on love—until he spots an enigmatic red-haired beauty and comes up with an elaborate scheme to meet her. Gretchen Petty is in need of a paycheck—and a change. So when a job opportunity in an upstate New York mansion pops up, she accepts. And while she can overlook the oddities of her new job, she can't ignore her new boss's delectable body—or his barely leashed temper. Hunter's afraid his plan might be unraveling before it's truly begun, but Gretchen is about to show him that life can be full of surprises…

Since its publication in 1936, Gone with the Wind has held a unique position in American cultural memory, both for its particular vision of the American South in the age of the Civil War and for its often controversial portrayals of race, gender, and class. New Approaches to "Gone with the Wind" offers neither apology nor rehabilitation for the novel and its Oscar-winning film adaptation. Instead, the nine essays provide distinct, compelling insights that challenge and complicate conventional associations. Racial and sexual identity form a cornerstone of the collection: Mark C. Jerng and Charlene Regester each examine Margaret Mitchell's reframing of traditional racial identities and the impact on audience sympathy and engagement. Jessica Sims mines Mitchell's depiction of childbirth for what it reveals about changing ideas of femininity in a postplantation economy, while Deborah Barker explores transgressive sexuality in the film version by comparing it to the depiction of rape in D. W. Griffith's earlier silent classic, Birth of a Nation. Other essays position the novel and film within the context of their legacy and their impact on national and international audiences. Amy Clukey and James Crank inspect the reception of Gone with the Wind by Irish critics and gay communities, respectively. Daniel Cross Turner, Keaghan Turner, and Riché Richardson consider its aesthetic impact and mythology, and the ways that contemporary writers and artists, such as Natasha Trethewey and Kara Walker, have engaged with the work. Finally, Helen Taylor sums up the pervading influence that Gone with the Wind continues to exert on audiences in both America and Britain. Through an emphasis on intertextuality, sexuality, and questions of audience and identity, these essayists deepen the ongoing conversation about the cultural impact and influence of this monumental work. Flawed in many ways yet successful beyond its time, Gone with the Wind remains a touchstone in southern studies.

Stranded with a Billionaire

One Night with a Billionaire

From two bestselling authors—the first in a deliciously bold new series that takes readers to the most dangerous edge of desire . . . Nikolai: I have been a contract killer since I was a boy. For years I savored the fear caused by my name, the trembling at the sight of my tattoos. The stars on my knees, the marks on my fingers, the dagger in my neck, all spoke of danger. If you saw my eyes, it was the last vision you'd have. I have ever been the hunter, never the prey. With her, I am the mark and I am ready to lie down and let her capture me. Opening my small, scarred heart to her brings out my enemies. I will carry out one last hit, but if they hurt her, I will bring the world down around their ears. Daisy: I've been sheltered from the outside world all my life. Home-schooled and farm-raised, I'm so naive that my best friend calls me Pollyanna. I like to believe the best about people. Nikolai is part of this new life, and he's terrifying to me. Not because his eyes are cold or my friend warns me away from him, but because he's the only man who has ever seen the real me beneath the awkwardness. With him, my heart is at risk . . . and also, my life.

Southern Texas heats up when the first of four roughneck billionaire brothers sets his sights on love in this novel from New York Times bestselling author Jessica Clare. Boone Price and his brothers know oil; at least, the dirty, backbreaking side of working an oil rig. But when their scrubby, worthless hunting land turns out to be sitting on top of one of the biggest oil wells in North America, they go from the rig to the boardroom and end up billionaires practically overnight. Now with enough money to do whatever he wants, Boone is developing a taste for fine things. And the finest thing he's ever seen is Ivy Smithfield, local realtor. Boone's determined to win her affection and show the world that he's more than just a dirty fool with a bit of money. Ivy's classy and beautiful—she'll make the perfect trophy wife. The fact that she's sexy and funny is just a bonus. There's one tiny problem—Ivy's as dirt poor as Boone was. Her carefully crafted veneer of luxury? All an act to promote her business. What's Boone going to do when he finds out the woman he's falling for is, well, in his league?
