

Jim Corbett National Park Of India A Case Study On

Most of Jim Corbett's books contain collections of stories that recount adventures tracking and shooting man-eaters in the Indian Himalaya. An exciting narrative of a leopard that spread terror through five hundred square miles of the hills of the United Provinces, *The Man-eating Leopard of Rudraprayag* also takes a detailed look at life in the Garhwal region of India. The Man Eating Leopard of Rudraprayag is often considered the most exciting of all Corbett's jungle tales. He gives a carefully-detailed account of a notorious leopard that terrorized life in the hills of the colonial United Provinces. This story represents Corbett's most sustained and unique effort. The Man-eating Leopard of Rudraprayag is also an ode to the people who inhabit the hills and the resilience with which they face the hardships that assail them.

This Biography Is Written With A Deep Sense Of Empathy With Jim Corbett And His Life In The Hills. It Is Evocative And Perceptive, With Delightful Insights Into The Legend That Was Corbett.

The Essays In This Book Convey The Beauty And Thrill Of Indian Forests And Their Wildlife To The Non-Specialist. Dr. Johnsingh Takes Us For Walks In The Jungle With Him, And We See Through His Trained Eyes What We Would Never Otherwise Look For. In Each Essay He Tracks A Different Animal And Tells Us Not Only Of His Experiences, But Also Of The Habits, Biology And Current Condition Of The Species He Is Discussing.

Tiger Haven is the story of the author's attempts to protect Indian wildlife in one small area of Uttar

Pradesh, of his observations of the wildlife in his sanctuary, and of his own metamorphosis from sportsman and farmer to photographer and conservationist.

The guide to India is a useful handbook to an extraordinary country. The introductory colour section includes photography of the country's many highlights in the 42 Things Not To Miss section, from boating on the backwaters of Kerala to taking in a cricket match at the Oval Maiden in Mumbai. It provides comprehensive accounts of every attraction from the vibrant cities and elaborate temples to Himalayan peaks and palm-fringed beaches. There is also practical advice on activities as diverse as camel trekking in the Rajasthan desert, rafting on the Indus and hiking through the lunar landscapes of Ladakh. The listings sections provide hundreds of insider reviews of the best hotels, hostels, restaurants, bars, shops and museums in every city and village. The authors also give an informed insight into India's history, politics, religion, music and cinema, providing a valuable context to the reader's trip.

This is the last of Jim Corbett's books on his unique and thrilling hunting experiences in the Indian Himalayas. Concluding the narrative begun in the famous Man-Eaters of Kumaon, Corbett writes with an acute awareness of all jungle sights and sounds, his words charged with a great love for human beings that lay within his hunting terrain. These qualities are what make these stories vintage Corbett.

The astonishing true story of the man-eating tiger that claimed a record 437 human lives "Thrilling. Fascinating. Exciting." —Wall Street Journal • "Riveting. Haunting." —Scientific American Nepal, c. 1900: A lone tigress began stalking humans, moving like a phantom through the lush foothills of the Himalayas. As the death toll reached an astonishing 436 lives, a young local hunter was dispatched to stop the man-eater before it struck again. This is the extraordinary true story of the "Champawat Man-Eater," the deadliest animal in recorded history. One part pulse-pounding thriller, one part soulful natural history of the endangered Royal Bengal tiger, *No Beast So Fierce* is Dane Huckelbridge's gripping nonfiction account of the Champawat tiger, which terrified northern India and Nepal from 1900 to 1907, and Jim Corbett, the legendary hunter who pursued it. Huckelbridge's masterful telling also reveals that the tiger, Corbett, and the forces that brought them together are far more complex and fascinating than a simple man-versus-beast tale. At the turn of the twentieth century as British rule of India tightened and bounties were placed on tiger's heads, a tigress was shot in the mouth by a poacher. Injured but alive, it turned from its usual hunting habits to easier prey—humans. For the next seven years, this man-made killer terrified locals, growing bolder with every kill. Colonial authorities, desperate for help, finally called upon Jim Corbett, a then-unknown railroad employee of humble origins who had grown up hunting game through the hills of Kumaon. Like a detective on the trail of a serial killer, Corbett tracked the tiger's movements in the dense, hilly woodlands—meanwhile the animal shadowed Corbett in return. Then, after a heartbreaking new kill of a young woman whom he was unable to protect, Corbett followed the gruesome blood trail deep into the forest where hunter and tiger would meet at last. Drawing upon on-the-ground research in the Indian Himalayan region where he retraced Corbett's footsteps, Huckelbridge brings to life one of the great adventure stories of the twentieth century. And yet Huckelbridge brings a deeper, more complex story into focus, placing the episode into its full context for the first time: that of colonialism's disturbing impact on the ancient balance between man and tiger; and that of Corbett's own evolution from a celebrated hunter to a principled conservationist who in time would earn fame for his devotion to saving the Bengal tiger and its habitat. Today the Corbett Tiger Reserve preserves 1,200 km of wilderness; within its borders is Jim Corbett National Park, India's oldest and most prestigious national park and a vital haven for the very animals Corbett once hunted. An unforgettable tale, magnificently told, *No Beast So Fierce* is an epic of beauty, terror, survival, and redemption for the ages.

The Unique Selling Proposition of the book is the explanation to each and every question which provides additional info to the students on the subject of the questions and correct reasoning wherever required. The questions have been selected on the basis of the various types of questions being asked in the various exams.

Environmental Studies by Dr Narendra Mal Surana and Mrs Hemlata Ojha Malviya is a publication of the SBPD Publishing House, Agra. Environmental science has become the most popular subject in the world nowadays. The whole world is facing the threat of imbalance in the environment such as overexploitation of nature and natural resources, deforestation, industrialisation and urbanisation. Our ancient scriptures and literature are the witness of awareness and conservation instinct about the environment at that time. The subject environmental studies has become the part of syllabus of the Degree courses after the issuing of an order by the Hon'ble Supreme Court to create awareness among the students. This book has been written according to the unified syllabus issued by U.G.C. for all universities and colleges in India. The authors' are very satisfied to say that the book contains all the latest information and data, which will be useful for the young generation. The authors' are proud to incorporate some more chapters viz. Chapter 2-The Vedic Description and Religious Aspect of Environment, Chapter 3-Current Status of Environment in India and Chapter 10-A Threat to 21st Century AIDS. Attention has also been drawn to provide more and more questions, objective type questions etc. to the students for their examination point of view.

Jim Corbett of India

The Valley of Flowers

My India

The Life of the Elephant

Carpet Sahib

Jim Corbett's India

The Title provides rare inputs about James Edward Corbett, better known to the world as Jim Corbett, whom many of us remember as the pioneer conservationist. Fact prevails that Jim too started with the Universal Journey to the happy hunting grounds; but he learned from his experiences and dared to carve an unique niche for himself and paved path for the world community for living with the nature and its priceless resources. He remained concerned for others till his last breath, which gets reflected in his last words to his sister, to strife for a world, which is a happy place for the people to live in.

Man-eaters of Kumaon Oxford India Paperbacks

Jim Corbett's fame rests on his tales of hunting in the Indian jungle, but he was acutely sensitive to the fragility of nature and well ahead of his time in understanding the need for conservation. Jungle Lore is the closest Jim Corbett ever came to an autobiography, revealing his life-long passion for the people, jungle, and animals of the Kumaon hills in the Himalayan foothills, and his despair at humanity's estrangement from its environment.

In his delightful Valley of Flowers, mountaineer Frank Smythe takes you on a botanical expedition to the Garhwal Himalaya. Alongside the author, scale the steep craggy mountains and bathe in crystal clear pools; breathe in the scented foothills of the Himalaya and their carpets of peonies, roses, rhododendrons and gentian. Experience 'the keen, biting air of the heights and the soft, scented air of the valleys'. Climber and adventurer Smythe journeys through the Himalaya's Byundar Pass, climbs the Mana Peak, descends into the Byundar Valley, and comes terrifyingly close to an encounter with The Abominable Snowman. The Valley of Flowers is a pleasurable escape for any climber, walker, mountain lover or gardener, or indeed anyone who needs reminding of the beauty and serenity of the natural world.
