

John Cena History Life

"... John Cena urges young readers to be who they are, act to make the world a better place, and never stop striving."--Provided by publisher.

The surprising story of how wrestling superstar Glenn "Kane" Jacobs beat all the odds to become the mayor of Knox County, Tennessee. Even in his heyday in wrestling, Jacobs was inspired to pursue politics by popular libertarian figures such as former Republican presidential candidate Ron Paul, Republican Senator Rand Paul, Fox News' Judge Andrew Napolitano and others, and that led him to fulfill his own political ambitions. Before becoming Mayor Kane, Glenn "Kane" Jacobs was one of WWE's top Superstars for over two decades and traveled the globe with the likes of "Stone Cold" Steve Austin, Dwayne "The Rock" Johnson, John Cena, Ric Flair, and many others. He dominated the WWE with The Undertaker as the "Brothers of Destruction." Kane reinvented himself with the help of Daniel Bryan forming "Team Hell No." He set "Good ol' JR," Jim Ross on fire. The wrestler-turned-politician hasn't hung up his wrestling boots yet. Politics is a contact sport and Jacobs is using his wrestling skills in that arena. Jacobs supports President Trump and his agenda, and is implementing conservative policies in Tennessee.

For the first time, go behind the scenes of World Wrestling Entertainment in this groundbreaking and unauthorized series of bestselling WWE superstar profiles of Shawn Michaels, John Cena, and Daniel Bryan.Inside the riveting pages ahead, fans will gain unprecedented insight into the lives, careers, and dramatic never-before-told happenings that continue to define the lives and legacies of three of the most celebrated and controversial superstars in WWE history."Beyond the Mat: The Lives and Legacies of WWE Legends Shawn Michaels, John Cena, and Daniel Bryan" is a bundled collection featuring the following bestselling previously released works-- Why The WWE Universe Loves AND Hates John Cena (an unauthorized biography) by Michael Essany-- Shawn Michaels: One More Match? True Stories of People Who Changed the World by Falling Down First

Sorry I Wasn't Listening I Was Thinking About John Cena

The WWE Championship

From legendary wrestling announcer Jim Ross, this candid, colorful memoir about the inner workings of the WWE and the personal crises he weathered at the height of his career is “a must-read for wrestling fans” (Charleston Post Courier). If you’ve caught a televised wrestling match anytime in the past thirty years, you’ve probably heard the beloved longtime announcer of the WWE “has been a driving force behind a generation of wrestling fans” (Mark Cuban), and he’s not slowing down, having signed on as the announcer of the starry new wrestling venture All Elite Wrestling. In this follow-up to his bestselling memoir Slobberknocker, he dishes out about not only his long stars like Stone Cold Steve Austin, The Rock, and John Cena, but also about his challenges of aging and disability, his split from collaborator Vince McMahon, and the sudden death of his beloved wife, Jan. The result is a gruff, endearing, and remarkably human-scale portrait, set against the larger than life backdrop of professional wrestling, of professional wrestling itself from a DIY sideshow to a billion-dollar business. Under the Black Hat traces all the highs and lows of that wild ride, in which Jim served not only as on-air commentator, but talent manager, payroll master, and even occasional in-ring foil to threats like Paul “Triple H” Levesque and Undertaker. While his role bro never dreamed of, he chafed against the strictures of a fickle corporate culture and what he saw as a narrow vision of what makes great wrestlers—and great story lines. When suddenly stricken with Bell’s palsy, a form of facial paralysis that makes it impossible to smile, he started down his greatest fear—being cast out of the announcer’s booth. Slobberknocker left off and ending on the cusp of a new career in a reimagined industry. Under the Black Hat is the triumphant tale of a country boy who made it to the top, took a few knocks, and stuck around—just where his fans like him. Not only being one of the greatest wrestlers of the WWE, Ross is also “a master storyteller, and a man whose years’ worth of tales” (Chris Jericho, former WWE champion).

Even the most well-known people have struggled to succeed! This follow-up to Fantastic Failures offers up a second dose of fascinating stories featuring flops that turned into triumphs. Kids today are under a lot of pressure to succeed, but failure has an important place in life as young people learn how to be a successful person. In his tenth book, *Be a Work in Progress*, author Thomas N. Burke offers up a second instalment in Luke Reynolds’s personal campaign to show kids it’s okay to fall down or make mistakes. Just so long as you try, try again! Kids will read about a host of inspiring, courageous people who have accomplished—or still are accomplishing—big things to make this world a better place. A wide range of stories about Barack Obama, Greta Thunberg, Nick Foles, Emma Gonzalez, Beyoncé, Ryan Coogler, John Cena, Socrates, and even the Jamaican national women’s soccer team, prove that the greatest mistakes and flops can turn into some of the most interesting stories of our time. Reynolds features great scientists and other pivotal people whose game-changing discovery started as a failure. Readers will enjoy seeing stories they know highlighted in the new feature “Off the Page and On the Screen,” which showcases how failures and successes are presented in books and film. Each profile includes advice to help you avoid the same mistakes and flops and move forward to succeed.

Beyond the Mat

Former WWE head writer Brian Gewirtz brings readers behind the scenes for an unprecedented look at the chaotic, surreal, unbelievable backstage world of the WWE. With untold stories from a career spanning over 15 years and featuring the biggest names and controversial moments in wrestling history, THERE’S JUST ONE PROBLEM is an honest, unflinching look on how an introverted lifeline fan unexpectedly became one the most powerful men in all of professional wrestling. For decades wrestling was shrouded in secrecy. It had larger than life personalities, bone crunching physicality and jaw-dropping theatrics but backstage it was an industry devoid of outsiders. Then in 1999, after working together on a special for MTV, Dwayne “The Rock” Johnson turned to 26-year old television writer Brian Gewirtz and asked “You ever consider writing for WWE?” That question, and its answer, would have a profound effect on both of their lives for years to come. THERE’S JUST ONE PROBLEM is a story about perseverance, tenacity, and steel chairs. Most writers in the WWE last for a matter of months; Gewirtz was there for over 15 years, writing some of most memorable and infamous storylines in WWE history (covering the “Attitude Era”, the “Ruthless Aggression Era” and into the “PG” and “Reality” eras). Throughout this journey Gewirtz found himself becoming both friend and antagonist to some of the biggest names in WWE history - Stone Cold Steve Austin, John Cena, Stephanie McMahon, Bill Goldberg, Paul Heyman, Chris Jericho, Shawn Michaels, and the two men who he worked the most closely with WWE Chairman Vince McMahon and Dwayne “The Rock” Johnson. These men not only shaped his life professionally but also personally, forcing him to grow and change both as a writer and a human being. So how does a lifelong fan and outsider break through to become the ultimate insider? How does a low-key personality deal directly with his boss, the most brash, unpredictable “alpha male” on the planet, WWE Chairman Vince McMahon? How does one gain respect in a locker room that wants nothing more than to see him disappear? Where does one go when every year in wrestling takes you further away from the writing career you always wanted? Taking advice from his idol, the late “Rowdy” Roddy Piper, when you’re so full of fear, there’s only one way to push through: become fearless.

So far, the Success books spoke on only achieving the desired visions and planned goals regarding wealth, prosperity, fame, establishment of business empires, big positions; or tips to achieve anything you want in life; completing the objectives; accomplishing the plans; reaching the career goals; accumulating abundance; the do’s and don’ts, etc. But this book, ‘Selfie of Success’, speaks about Success in 360 degrees, which is its USP. It encompasses all the angles of success, providing various insights and comprehensive perspective of the world of Success. Everyone, who wants to reach Success, should read it to know the unimaginable and fascinating aspects of Success. ‘Selfie of Success’ presents a holistic view of the Success in a poetic and philosophical way, with fluid style. The aspirant of Success cannot so far imagine what the side effects of Success will be, and what the sins of Success will be. The succeeding real life stories highlight each concept in a subtle way. This is a unique book on Success, because the soul of Success itself speaks directly to you from the depths of its story. As Success speaks from its heart, it is like a face-to-face conversation with ease and grace. A must read for its lucid style and unique taking, as well as its comprehensiveness.

John Cena has become the face of WWE. Discover how Cena's career started, from The Prototype in Ohio Valley Wrestling to winning his first WWE championship at Wrestlemania. His opponents in the ring may not be able to see him, but you sure will thanks to the beautiful and colorful photographs that work with the easy to read text. Aligned to Common Core Standards and correlated to state standards, Fly! is an imprint of Abdo Zoom, a division of ABDO.

Professional Wrestling and the Commercial Stage examines professional wrestling as a century-old, theatrical form that spans from its local places of performance to circulate as a popular, global product. Professional wrestling has all the trappings of sport, but is, at its core, a theatrical event. This book acknowledges that professional wrestling shares many theatrical elements such as plot, character, scenic design, props, and spectacle. By assessing professional wrestling as a neglected but prototypical case study in the global business of theatre, Laine argues that it is an exemplary form of globalizing, commercial theatre. He asks what theatre scholars might learn from pro wrestling and how pro wrestling might contribute to conversations beyond the ring, by considering the laboring bodies of the wrestlers, and analyzing wrestling's form and content. Of interest to scholars and students of theatre and performance, cultural studies, and sports studies. Professional Wrestling and the Commercial Stage delimits the edges of wrestling's theatrical frame, critiques established understandings of corporate theatre, and offers key wrestling concepts as models for future study in other fields.

True Tales from the Former, One-Time, 7th Most Powerful Person in WWE

My Life in Stripes As a WWE Referee

The Spirit of the Christian Life

Charles Lowder, by the author of 'The life of st. Teresa'.

My Life in Wrestling and Politics

Mayor Kane

"Ric Flair is a 16-time World Champion and two-time WWE Hall of Fame inductee. His four-decades long career is recognized as one of the greatest of all time, but with success comes a price ... His life away from the cameras includes personal struggles, controversy, and family tragedy. Through his bond with [his daughter] Charlotte, he's becoming the father he needs to be while rediscovering the legend he has always been"--Amazon.com.

John Cena 153 Pages Supreme Quality Journal Diary Notebook

Suddenly it’s over, and in the center of the ring, one man is victorious. The referee raises his hand, and from somewhere (you’re not quite sure where because you’re still cheering), the shining symbol of this momentous win appears. With the crowd still roaring, the winner stands alone in the ring and raises the championship belt high over his head. The lights shine off the WWE Championship title belt, and in that instant, the winner’s life will be changed forever. For over half a century, Superstars have battled to win the WWE Championship. While the name may have changed, the prestige attached to the championship has exploded. That is due in no small part to the immortals of wrestling who have held this coveted title—Bruno Sammartino taking the title from the first holder, Buddy Rogers...the totally unexpected win of “Superstar” Billy Graham...Hulk Hogan’s win over the Iron Sheik, who had refused a payoff to injure Hogan...Andre the Giant’s surrender of the title to Ted DiBiase...the newcomer win of the Undertaker...the commanding wrestling abilities of Bret Hart...Shawn Michaels’s win in Montreal...the stunning victories of Stone Cold Steve Austin...the triumph of the People’s Champion, “The Rock”...Triple H playing the game...the never-surrender attitude of John Cena. This is the chronicle of how the title that is now known as the WWE Championship became sports-entertainment’s most coveted prize.

My Life in the WWE and Beyond

From Its Beginning to Its End

The life of ... Thomas N. Burke

A beautifully illustrated book of encouragement from the beloved entertainer and #1 New York Times bestselling author John Cena “Each day, try to become a little less perfect and a little more brave.” For years, John Cena has been using his popular Twitter feed to uplift his followers with his unique brand of positivity. Now, he collects his favorite words of wisdom on the benefits of being bold and open-minded, embracing discomfort, and making the most of every opportunity. Heartfelt and hopeful, Be a Work in Progress is the pick-me-up readers will turn to again and again.

Highlighting the triumphs and tragedies Jimmy Korderas experienced, this entertaining biography focuses on his 20-year career as a World Wrestling Entertainment (WWE) referee. For the first time, Korderas talks about the harrowing experience of being in the ring during Owen Hart’s accident and about the horrific effects of the Chris Benoit tragedy—the most difficult moments of his life in wrestling. The book also includes untold stories from both inside and outside the ring, highlighting the bonds Korderas formed with WWE superstars such as Eddie Guerrero, Edge, John Cena, “Stone Cold” Steve Austin, Christian, and Chris Jericho. A fun read from a man who, rather than having an ax to grind, wants to inspire wrestling fans and prove that dreams do come true.

The life of the Massachusetts-born champion pro wrestler who has gone on to act in several movies.
