

## John Constantine Hellblazer Vol 1

**Features the wrenching finale of Paul Jenkins's never-before-collected run on the title, as well as Garth Ennis and John Higgins's brutal five-issue coda, "Son of Man." For a man as cynical and jaded as John Constantine, there's only one kind of torment for which he is unprepared: contentment. But the fact is (even though he recently cut off a piece of his soul and marooned it in Hell to suffer for**

**his sins), things are actually going pretty well. He's got a new girlfriend that he hasn't yet killed or damned or driven insane; his surviving friends and family are, by all accounts, still alive and healthy; and his enemies, for the most part, are either dead or trapped in some form of eternal torment. Not a bad score, overall. Naturally, this means that it's time for everything to go up in flames. Because when you're as prolific at making enemies as John Constantine is,**

**there's always going to be a few that you don't know about, as well as one or two heavyweights who can afford to bide their time. When the two meet, it's best to get as far away as possible—the collateral damage alone promises to be as deadly as it is indiscriminate. Collects HELLBLAZER #121-133.**

**When Constantine visits an old friend, he becomes the target of a serial killer and must uncover the identity of the Family Man.**

**The very first Hellblazer collection ORIGINAL SINS is available in a new edition that includes John Constantine's appearances in SWAMP THING. This is the first of a series of new HELLBLAZER editions starring Vertigo's longest running antihero, John Constantine, England's chain-smoking, low-rent magus. This first collection is a loosely connected series of tales of John's early years where Constantine was at his best and at his worst, all at the same time.**

**John Constantine is back in London, back to his old tricks-and just in time, as things have become very dark indeed in his old stomping grounds. A small-time gang lord has found himself dealing with a big-time outbreak of supernatural weirdness...and, without any allies to call on and nothing left to call his own, John doesn't have much choice in taking a paycheck from one of London's worst, or accepting the help of one of the gang lord's would-be foot soldiers. But what**

more difficult than answering that question almost every single day is living with his decision. Whether it's due to a sense of self-loathing, a resistance to any sort of authority or a deeply hidden desire to do what's right, Constantine is willing to make the hard choices...so that no one else has to. All of these facets of John Constantine's character have made him one of the most popular in graphic literature since 1988. *Hellblazer: A Celebration of 30 Years* collects some of the antihero's best stories from some of the greatest writers in his history, including Alan Moore, Garth Ennis, Brian Azzarello, Paul Jenkins, Jamie Delano and more. Collects Saga of
