

John Daly My Life In And Out Of The Rough

Written by Jim Daly, the compassionate leader of Focus on the Family, ReFocus inspires and motivates Christians to transcend political agendas and partisan battles and instead interact with others in a way that will consistently reveal the heart of God to a desperately hurting world. Our culture has become painfully polarized, often hindering relationships with neighbors, colleagues, and the very people who need to discover the love of Jesus Christ. Remembering that we are foremost citizens of heaven serving a loving Father, we who call ourselves followers of Christ can once again be known by our love. But how? In what context and through what means? How can we tear down the walls that divide our culture, our neighborhoods and workplaces and families, in this increasingly contentious world? Drawing on a rich variety of true stories and sources both historical and contemporary—from behind the scenes in today’s halls of power, to moving accounts from church history, to powerful breakthrough’s in Daly’s own life and ministry—Daly challenges us to reclaim our responsibility, and our privilege, as God’s sons and daughters. As followers of Jesus with his humility and compassion as our model, ReFocus: Living a Life that Reflects God’s Heart demonstrates how Christians can show the world an inexplicable taste of grace with no agenda other than to reveal the heart of God as the loving Abba father he is.

There are times when the truth invites evil, and there are times when the truth can get you killed. Few residents in the secluded mountain-town of Winston, Colorado, have kind words to say about local troublemaker Sean Coleman. He’s a bully, a drunk, and a crime-show addicted armchair detective with an overactive imagination. After a night of poor judgment, Sean finds himself the sole witness to the unusual suicide of a mysterious stranger. With the body whisked away in the chilling rapids of a raging river, no one believes Sean’s account. When his claim is met with doubt and mockery from the people of Winston, Sean embarks on a far-reaching crusade that takes him across the country in search of the dead man’s identity and personal vindication. He hopes to find redemption and the truth—but sometimes the truth is better left unknown.

John Daly: My Life In and Out of the RoughHarperCollins UK

A hilarious and poignant memoir of a Harvard student who comes of age as a caddie on St. Andrews’s fabled Old Course. In the middle of Oliver Horovitz’s high school graduation ceremony, his cell phone rang: It was Harvard. He’d been accepted, but he couldn’t start for another year. A caddie since he was twelve and a golfer sporting a 1.8 handicap, Ollie decides to spend his gap year in St. Andrews, Scotland—a town with the U.K.’s highest number of pubs per capita, and home to the Old Course, golf ’s most famous eighteen holes—where he enrolls in the St. Andrews Links Trust caddie trainee program. Initially, the notoriously brusque veteran caddies treat Ollie like a bug. But after a year of waking up at 4:30 A.M. every morning and looping two rounds a day, Ollie earns their grudging respect— only to have to pack up and leave for Harvard. There, Ollie’s new classmates are the sons of Albania’s UN ambassador, the owner of Heineken, and the CEO of Goldman Sachs. Surrounded by sixth generation legacies, he feels like a fish out of water all over again and can’t wait to get back to St. Andrews. Even after graduation, when his college friends rush to Wall Street, Horovitz continues to return each summer to caddie on the Old Course. A hilarious, irresistible, behind-the-scenes peek at the world’s most celebrated golf course—and its equally famous caddie shack—An American Caddie in St. Andrews is certain to not only entertain golfers and fans of St.

Andrews but also anyone who dares to remember stumbling into adulthood and finding one’s place in the world.

The Majors

An American Caddie in St. Andrews

Street-proven Systems & Processes : how to Grow Quickly & Profitably : Book Review

WHAT DOES IT TAKE to win a major championship and reach the absolute pinnacle of golf? Through a season of the four tournaments -- the Masters, the U.S. Open, the British Open, and the PGA Championship -- known collectively as the majors, John Feinstein takes us where the television cameras never go, both off the links and "inside the ropes", as he reveals the special challenges and rituals, the frustrations and exhilaration, that mark the lives and careers of the world's greatest golfers.

IF YOU THINK YOU KNOW SALES...YOU DONT' KNOW JACK! “Jack Daly stands above all others. His energy is matched only by his genius and understanding about what makesthe best sales organizations. It’s not commission strategies, it’s not about glossy sales materials; it is about people. Jack understands better than most that if you look out for your people and insist that they look out for your customers, the result is unprecedented growth (and a lot of very happy and inspired employees and customers).“-Simon Sinek, Optimist and Author of Leaders Eat Last and Start With Why “Winning teams result from strong cultures and leadership driven systems and processes. In the world of sales, as detailed in Hyper Sales Growth, Jack Daly knows how to lead and win.” -Pat Williams, Co-Founder, Orlando Magic, Author of Vince Lombardi on Leadership “If you want to play the piano, you hire a teacher. If you want to run a fast marathon, you hire a coach. Jack Daly is the best Professional Sales Coach in America. He teaches you what you need to know, how to remember it, and how to practice it every single day. This book will change your life as a leader and a salesperson, and you will thank Jack Daly every day you make a new sale.” -Wily Walker, Chairman and CEO, Walker & Dunlop “It’s finally here! The book all the million fans (that’s literal) of Jack Daly have been wanting – a book that shares the same time-tested sales management techniques that work to drive growth he’s been teaching in his powerful and packed workshops. It’s all about getting the sales management piece right; this is the book that shows you the way.” -Verne Harnish ,CEO of Gazelles Author of Mastering the Rockefeller Habits and The Greatest Business Decisions of All Time “If you want to get predictable revenue and profitable growth, Jack Daly is your source for the state of the art in sales. Read this book, buy it for your team, follow his advice and you’ll be unstoppable.” -Christine Comaford , Executive Coach & Presidential Advisor NY Times Best Selling Author of SmartTribes: How Teams Become Brilliant Together “Jack Daly is a rare gem in the business world. I have seen him transform several companies, by growing revenue, by upgrading corporate cultures, and by growing employees’ capacity to produce results. His vast knowledge and experience gives him a perspective unmatched by anyone I’ve experienced. This book is a must read if you are interested in taking your company to the next level in the most direct way possible.” -Rick Sapio ,CEO of Mutual Capital Alliance, Inc.

With 150 wins to his name, Steve Williams is one of the most successful caddies of the modern era. From his modest start in freelancing his way around the world’s golf courses, he became a man in demand, working with some of the golfing world’s best. Greg Norman, Raymond Floyd, Terry Gale, Ian Baker-Finch, and Adam Scott all benefitted from the knowledge, experience, and honesty for which Williams is known. Williams is perhaps best known, however, for his triumphant thirteen years on the bag of Tiger Woods. Together, Woods and Williams won more than 80 tournaments—with 13 major championships among them. But it wasn’t all celebrations. Despite his best efforts, Williams could only watch as Woods fell from the podium, his game in decline—ignorant of the scandal about to make headlines around the world that would nearly ruin Tiger’s pro career. In this candid book, Williams tells the stories of golf’s elites that you won’t hear anywhere else—the highs and lows of their careers, and the critical role of a caddie in both spots. Bold and entertaining, his story offers a rare insider’s view of the professional golfing world.

“Fascinating...[Bamberger] knows the world of professional golf, and the pressures it exacts, like few others.” —The Wall Street Journal It’s one of the greatest comebacks of all time. And for Tiger Woods—his game, his body, and his life in shambles—getting back to the winner’s circle was only half the story. Here’s the rest of it. Tiger Woods’s long descent into a personal and professional hell reached bottom in the early hours of Memorial Day in 2017. Woods’s DUI arrest that night came on the heels of a desperate spinal surgery, just weeks after he told close friends he might never play tournament golf again. His mug shot and alarming arrest video were painful to look at and, for Woods, a deep humiliation. The former paragon of discipline now found himself hopelessly lost and out of control, exposed for all the world to see. That episode could have marked the beginning of Tiger’s end.

It proved to be the opposite. Instead of sinking beneath the public disgrace of drug abuse and the private despair of a battered and ailing body, Woods embarked on the long road to redeeming himself. In The Second Life of Tiger Woods, Michael Bamberger, who has covered Woods since the golfer was an amateur, draws upon his deep network of sources inside locker rooms, caddie yards, clubhouses, fitness trailers, and back offices to tell the true and inspiring story of the legend’s return. Packed with new information and graced by insight, Bamberger’s story reveals how this iconic athlete clawed his way back to the top. Here you’ll meet the people who have shaped and saved Tiger’s life. It’s a disparate group: a Florida police officer, an old friend from Tiger’s boyhood, his girlfriend, his manager, his caddie. You’ll go inside the ropes and see Tiger’s interactions with fellow pros, with broadcasters and rules officials and Tour executives, with legends young (Rory McIlroy) and old (Jack Nicklaus) and in between (Fred Couples). On the Sunday before Masters Sunday, you’ll join Tiger as he takes a long, slow, contemplative walk across Augusta National, and you’ll be with him again seven days later in the splendid isolation of the tee at thirteen, in the rain, his right foot slipping while he swings his driver at 120 miles per hour. This is an intimate portrait of a man who has spent his life in front of the camera but has done his best to make sure he was never really known. Here is Tiger, barefoot, in handcuffs, showing a police officer a witty and self-deprecating side of himself that the public never sees. Here is Tiger on the verge of tears with his children at the British Open. Here is Tiger trying to express his gratitude to his mother at a ceremony at the Rose Garden.

In these pages, Tiger is funny, cold, generous, self-absorbed, inspiring—and real. The Second Life of Tiger Woods is not only the saga of an exceptional man but also a celebration of second chances. Bamberger’s bracingly honest book is about what Tiger Woods did, and about what any of us can do, when we face our demons head-on.

Obtaining the key to success in any area of life.....depends on social ETIQUETTE skills. It doesn’t matter who you are, what you do, or where you want to go, if you don’t have the proper social etiquette the doors to success will not easily open for you. Our society is based on social interactions, from obtaining our first job to landing large promotions, starting our own business, traveling in foreign countries, enrolling in universities, or speaking about causes and experiences closest to us. Social etiquette is at the heart of success.Social etiquette is a universal language that knows no boundaries.*** Those who master social etiquette feel comfortable, confident, and able to communicate effectively in any social situation.THE KEY CLASS is your go-to-guide for mastering social and business etiquette. Taught by world-renowned special event producer John Daly, The Key Class presents a rare and unique program custom tailored to fit the needs of any organization, school, corporation, or individual. Although the keys to social and business etiquette are universal, there is no one-size-fits-all route to achieving personal success.

Cracking with gunfire and suspense, the opening pages of BROKEN SLATE make clear that John A. Daly writes with assurance and style. . . Thirty years ago, Sean Coleman’s father abandoned his family in the Colorado mountain town of Winston, and was never heard from again. The reason for his disappearance was always a mystery, but a lifetime of blaming himself put Sean on a rough, dark path that took him years to return from. Now content in his life, Sean receives unexpected word that his father has finally reemerged, on the other side of the country in Pawleys Island, South Carolina. . . as a murder victim. At the wishes of his sister, Sean flies out to retrieve the body, and hopefully find answers to why his father left, and the life he went on to lead. What Sean discovers is a second family, a web of deception, and a brutal killer who’s still on the loose. . .and isn’t finished killing.

NEW YORK TIMES BESTSELLER “Reilly pokes more holes in Trump’s claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming.” -- The New Yorker "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- Chicago Sun-Times "Every one of Trump's most disgusting qualities surfaces in golf." -- The Ringer An outrageous indictment of Donald Trump’s appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he’s a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparring look at Trump in the world of golf. Based on Reilly’s own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, Commander in Cheat is a startling and at times hilarious indictment of Trump and his golf game. You’ll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the “Trump Bump”), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn’t help). Trump doesn’t brag so much, though, about the golf contractors he stiffs, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it’s always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, “Golf is like bicycle shorts. It reveals a lot about a man.” Commander in Cheat “paints a side-splitting portrait of a congenital cheater”

(Esquire), revealing all kinds of unsightly truths Trump has been hiding.

John Daly Project-Life (An Autobiography)

Offers advice, actions, and strategies for how to pitch a good idea to an influential group and gain their support.

An offbeat detective-adventure story – a comic trip into a weird wonderful Cape Town underworld populated by hippy slackers. While trying to handle usual daily stress levels and concentrate on his work, Dave gets disturbed by mysterious noises coming through the ceiling from the apartment above.

Sean Coleman is back in the latest thriller from John A. Daly, set in the mountains of Winston, Colorado. Six months after the murder of his uncle, Sean is trying to get his life together. He's stopped drinking, he's taking better care of himself, and he's working hard to keep a fledgling security business afloat. At a blood plasma bank Sean frequents to earn extra income, he meets the distraught relative of Andrew Carson, a man who went missing weeks earlier on the other side of the state, with a pool of blood in the snowy driveway of his home as the only clue to the man's fate. Sean decides to help in the search for Carson and quickly finds himself immersed in a world of deception, desperation, and danger---a world in which nothing is what it seems, and few can get out of with their lives.

Discover the Feminine Quality That Makes Him Crave Your Attention Chances are, you've read just about everything you can on how to keep a man interested in you. Women's magazines often give advice like “be your best self”, “focus on you”, or “put on that mini-skirt he loves.” While these things do work to keep a man interested, they're surface level tactics that only work temporarily. Women who know how to keep a man happy understand what men secretly want in a woman. These women are irresistible not because of their looks, but because they possess one feminine quality that make men crave their attention. High-quality men, the ones that desire true commitment from a woman, desperately yearn for the company of a woman who understandshow to keep him captivated by her. So what is the secret to getting a man to crave your attention? What do men secretly want in a woman? It's simple... Graceful communication. How to Talk to a Man and Keep Him Helplessly Attracted to You If you've ever had a man shut you out or shut down on you during a disagreement it's because you failed to communicate respectfully. If you want to be able to communicate your needs and wants to a man without him losing his temper or ignoring you completely, you must learn how to talk to a mangracefully. If a man doesn't feel respected when you communicate with him it's impossible to connect with him on an intimate level. And without that intimate connection, there's nothing you can do to keep him captivated by you. To achieve lasting intimacy with a woman, a man needs to feel emotionally secure with her. But if a woman fails to communicate respectfully, he won't feel confident sharing his whole heart with her. Become the Only Woman He Opens Up and Listens to Men give their undivided attention to those who respect them. If a man doesn't feel respected communicating with you, he'll find the respect he needs elsewhere. The woman who knows how to communicate with men can influence the man she wants without resorting to “that mini-skirt he loves.” A man craves the attention of a graceful woman who knows exactly what to say to him, when to say it, and most importantly, how to say it to get what SHE wants. Men love being gracefully influenced by the woman they adore. If you're interested in learning how to talk to a man so that he opens up to you, listens to you, and willingly gives you what you want without a fuss, this book will help you to communicate with men more effectively. Here's what you're going to learn inside: Discover how to tell him exactly what's on your mind without turning him off. Learn how to communicate what you want and need from him, and make him HAPPY to give it to you. Find out the four most powerful words good men desperately need to hear from the woman they love. Discover how to have difficult conversations with him without making him resent or resist you. Learn how to be a good wife or girlfriend by being more assertive (attractive) with your man without being aggressive (unattractive). Find out how to understand the masculine mind and speak his language so that he FEELS exactly what you say to him. How to get him to fall in love with you immediately AFTER an intense argument. Uncover the secrets to making him to open up emotionally and get the deep, intimate connection you desperately want with him. And much, much more... Would You Like to Know More? Get started right away and learn how to communicate with a man so that he listens to you, opens up to you, and deeply craves your attention. 75 Communication Secrets for Captivating Men to Get the Love and Commitment You Deserve

Make Him Beg for Your Attention

The funniest and most popular sportswriter in America abandons his desk to caddy for some of the world’s most famous golfers—and some celebrity duffers—with hilarious results in this New York Times bestseller. Who knows a golfer best? Who’s with them every minute of every round, hears their muttering, knows whether they cheat? Their caddies, of course. So sportswriter Rick Reilly figured that he could learn a lot about the players and their game by caddying, even though he had absolutely no idea how to do it. Amazingly, some of the best golfers in the world—including Jack Nicklaus, David Duval, Tom Lehman, John Daly, Jill McGill of the LPGA tour, and Casey Martin—agreed to let Reilly carry their bags at actual PGA and LPGA Tour events. To round out his portrait of the golfing life, Reilly also persuaded Deepak Chopra and Donald Trump to take him on as a caddy, accompanied the four highest-rolling golf hustlers in Las Vegas around the course, and carried the bag for a blind golfer. Between his hilarious descriptions of his own ineptitude as a caddy and his insight into what makes the greats of golf so great, Reilly’s wicked wit and an expert’s eye provide readers with the next best thing to a great round of golf.

In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era -- Byron Nelson and Ben Hogan -- against top amateurs Harvie Ward and Ken Venturi. The year: 1956. Decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of

his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with his own power team: Ben Hogan and Byron Nelson, the game's greatest living professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day-legendarily known in golf circles as the greatest private match ever played-comes to life with powerful, emotional impact and edge-of-your-seat suspense.

The chronicle of the ups and downs of the amazing world of John Daly, now brought up to date to include all the latest details of Daly's career and family adventures - including the long-awaited comeback of the natural-born golfer with the 'killer swing', and the arrest of his ex-wife for drug-smuggling.

The author offers a moving account of her life with her husband, aboard the "MoreKelp," the salmon-fishing boat they sailed for four years until his death

John Daly: My Life In and Out of the Rough

The Day the Game of Golf Changed Forever

Whereas most golf books are stiff, formal and paralysing, Golf My Own Damn Way will get readers to loosen up and play golf the way it was meant to be played: The John Daly Way. A funny and ribald golf book from the game’s most colourful and controversial figure - and least likely guru. Since his coming-from-nowhere win at the PGA Championship in 1991 , John Daly, known affectionately on the PGA tour as the ‘Big Un’, has enthralled fans with his big drives, bigger personality, and ‘grip it and rip it’ philosophy of both golf and life. Falstaffian, unpredictable, often seen with a Marlboro hanging from his lip and frequently in the company of his best friend, Jack Daniels, Daly is the unapologetic bad boy of professional golf. ‘The only rules I follow,’ he likes to say, ‘are the rules of golf.’ Daly’s last book, My Life in and out of the Rough, was a thrillingly candid memoir of a larger-than-life athlete battling the links, addiction, depression, weight problems, and divorce lawyers. His new book, Golf My Own Damn Way, will be a ribald version of Harvey Penick’s classic Little Red Golf Book, the biggest bestselling instructional book in golf history from one of the game’s most distinguished teachers. From firing wind cheaters under a gale to blasting out of soft sand to bumping and running, from squeezing the most out of 15 minutes of practice time to playing through a hangover, the book will have it all. Daly’s wit and wisdom will come from the heart, from the soul - and occasionally from the head. Daly has never lost track of the fact that golf is a game, and he’ll teach you how to cut strokes of your score while reminding you of the game’s main purpose: Fun.

Daly’s earlier work has been described as “Tintin meets the Freak Brothers in the Cape of Good Dope.” Indeed, Daly’s cartoons, offbeat, hallucinatory, and often hilarious, seems descended fromand in some cases an amalgamation ofthe substance-induced work of Robert Crumb, Gilbert Shelton, Victor Moscoso, and S. Clay Wilson, filtered through the artist’s own unique vision and sense of the absurd. Daly’s approach swings from introverted dreamlike stream-of-consciousness to over-the-top postmodern vaudevillian. “Prebaby,” the centerpiece of this collection, delves into creation, survival, random occurrences and the micro/macrocsm. Told entirely without dialogue, it’s almost musical in its execution. It unfolds like the storyboard to a wonky existential animated cartoon, and it’s no surprise that Daly studied animation for two years at Cape Town’s City Varsity College. In contrast, Daly’s “Kobosh and Steve” stories come across as a series of routines by a demented Abbott and Costello. Kobosh even visits a down-on-his-luck Bruce Springsteen in one story, while another strip features a pair of micro-fauna questioning their existence as they feed off the rock legend’s scalp. Stories alternate between full-color and black-and-white and range from representational Jim Jarmusch-like scenarios to wild visual excursions, albeit linear ones. We are pleased to introduce a unique new voice to the world of cartooning and predict Daly’s mix of deadpan absurdity and surreal imagery will be greeted with enthusiasm by readers and critics alike.

An Irishman in the U.S Marine Corps, Charles U. Daly thinks fighting in Korea will be an adventure and a way to live up to a family tradition of service and soldiering. He comes home decorated, wounded, and traumatized, wondering what’s next. His quest for a new mission will take him to JFK’s White House, Bobby Kennedy’s fateful campaign, the troubles in Northern Ireland, and a South African township devastated by the AIDS epidemic. Chuck’s life is a true story of living up to Kennedy’s challenge to “ask not what your country can do for you, but what you can do for your country.” At every juncture, he’s had two options: make peace or die. Daly chose to make peace with his fate every time, and that decision led him to a remarkable life of service.

From the acclaimed author of The Trophy Child comes a “superbly sinister” domestic thriller of false friendship and deadly betrayal (Mystery Scene). When her daughter falls ill while on a school trip overseas, Natty rushes to be by her side. And she’s so relieved to have a friend like Eve, who offers to help her husband around the house in her absence. But when Natty returns home she discovers that Eve has taken to family life a little too well—and Sean has fallen in love with her. Confronted with the fact that her marriage wasn’t as rock-solid as she thought, Natty attempts to put on a brave face and move forward. But no matter how hard she tries to pick herself up, her former friend is there to knock her down again. Then Natty receives an anonymous note that reveals Eve to be a serial mistress. She’s done this before—and the consequences were fatal.

Now Natty must navigate through a treacherous maze of secrets that jeopardizes her life and the safety of her loved ones. “Absorbing” —Kirkus Reviews “[A] genuine gift for psychological nuance.” —Publishers Weekly “Daly’s affinity for psychological intrigue shines . . . It will have readers wondering just how well they know their friends, and how secure their lives are.” —Mystery Scene

Ben Hogan's Five Lessons

How Golf Explains Trump

The Red Monkey

The 1995 Open Champion and legendary wild man of golf, John Daly, recalls the best and worst of his life: his inspirational play on both US and European tours, the demons that afflicted him on the course and his addiction to gambling and drink, and the trashed hotel rooms and spectacular marital problems.

Few things are more dangerous than an unpaid debt. "John Daly has a magical writing style, and his books keep you up late at night turning pages." - Dana Perino, former White House Press Secretary "Restitution offers hard-hitting action spearheaded by a badass protagonist who talks the talk and walks the walk in a brutal story of surviving an unforgiving territory... Written in the vein of old-school stories of revenge, familial bonds, and relentless action, Restitution is a definite must-read." - Kashif Hussain, Best Thriller Books "I think what impresses me the most about John Daly as a writer is his range. Restitution brings Sean Coleman fans the series' traditional strong sense of setting and mood, and clipped, realistic dialogue, and adds a refreshing, subtle sense of heart and hope amidst all the Vegas grit and Western landscapes of the Nevada desert." - Jim Geraghty, senior political correspondent of National Review and author of the Dangerous Clique thriller series Life's gotten better for hard-edged security guard, Sean Coleman. With personal affairs in order and relationships rekindled, he travels to Las Vegas to help celebrate his buddy's last days as a bachelor. Soon after he arrives, however, a twist of fate spawns a reunion with an old flame. Curiosity and a desire to make amends unexpectedly lead Sean down a dark path into the Vegas underground, where another face from the past emerges--a federal fugitive whose family, years earlier, altered the course of Sean's life. A harrowing escape drops Sean in the barren wasteland of a Nevada desert, miles away from the glitz and glamor of Sin City. There, he must fight to stay alive against a well-armed group of men whose bloodlust and greed won't stop them from getting what they're after.

The inspiration for the HBO documentary from Academy Award-winning producer Alex Gibney. The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods’s life—this “comprehensive, propulsive...and unsparing” (The New Yorker) biography is “an ambitious 360-degree portrait of golf’s most scrutinized figure...brimming with revealing details” (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this “searing biography of golf’s most blazing talent” (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods’s life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the “chosen one,” to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. “Irresistible...Immensely readable...Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true” (The Wall Street Journal). Ultimately, Tiger Woods is “a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure” (The New York Times).

Ever since his astonishing victory in the 1991 PGA Championship, John Daly, known affectionately on the PGA Tour as "Big 'Un," has enthralled fans with his big drives, bigger personality, and "Grip It and Rip It!" approach to golf -- and to life. Long John, usually seen with a Marlboro Light dangling from his lip, is the unchained, unpredictable, unapologetic bad boy of professional golf. "The only rules I follow,"

JD likes to say, "are the Rules of Golf." Daly's play-it-as-it-lays approach drives My Life in and out of the Rough, a thrillingly -- and sometimes shockingly -- candid memoir of a larger-than-life athlete battling assorted addictions (alcohol, gambling, chocolate, sex), his weight, and, perhaps worst of all, divorce lawyers. (He's been married four times.) A two-time major winner before he turned thirty, John Daly is one of the most popular athletes in the world. Taking readers with him off the fairway and into his \$1.5-million motor home for a rollicking ride through his life -- an ever-churning world of booze, burgers, casinos, country music, and breathtaking moonshots -- Daly reveals how a down-home Everyman from Arkansas managed to rise to the peak of the golf world, escape from the depths of abject depression, and, finally, take control of his life. Well, sort of.

The Truth Behind All That Bull**** You Think You Know About Me

This is a love story; an unlikely convergence of two people from different worlds who were able to make a rich and tender life together, and not only endure each other's company in alarmingly close quarters but revel in it. Edith Iglauer was born in Cleveland and lived an urban, sophisticated life in New York until she met and married John Daly, a commercial fisherman in British Columbia. She spent more than four years on his forty-one-foot troller, the Morekelp until his sudden death. John Daly was an impassioned and greatly talented fisherman who was convinced that he could "think like a fish"; an amateur philosopher who worked out, and followed, an original set of beliefs and principles; a mystic who, after forty years of fishing, felt himself to be at one with the sea and the mountains along the British Columbia coast; a scholarly looking, high-spirited, full-blown eccentric who covered the white walls of his pilothouse with his favorite quotations in bold black letters ("Lawyers spend their professional careers shoveling smoke. O.W. Holmes") Fishing with John established Edith Iglauer as one of BC's most popular writers. This unusual West Coast love story sold 16,000 copies in hardcover and continues to be a bestseller in paperback.

Sherrie Daly, the former wife of PGA tour superstar John Daly, takes a swing at the controversial man they call "Wild Thing" in this jaw-dropping memoir about what really goes on behind the scenes of professional golf. Golf's wholesome reputation is not what it used to be, thanks to Tiger Woods. But Woods's bad boy scorecard doesn't even compare to that of the sport's original player: John Daly. Sherrie Daly should know. She was married to him for nine years. It's no secret that John, one of the PGA tour's most popular stars, is known for his erratic behavior and on-the-edge lifestyle as much as for his powerful, grip-it-and-rip-it style on the green. But the never-ending carousel of free-flowing cash, booze, and women seduces many of the sport's big-time swingers. In this juicy tell-all, Sherrie takes readers into the clubhouse to expose the seedy side of the gentleman's game. She dishes on John's out-of-control antics throughout their marriage, many of which she helped cover up to protect his career, and his self-destructive addictions to whiskey, sex, and gambling, which led him to lose one of his biggest purses ever--nearly one million dollars--in an hour. She writes candidly about the physical and emotional abuse she endured and why she continued to play the role of golf wife despite the trashed hotel rooms, wrecked homes, and demolished cars. Then she turns the tables on herself, sharing the truth behind her catfights with his girlfriends, her legal troubles, and especially the night John alleged she attacked him with a steak knife. Behind the polite clapping, collared shirts, and hushed voices, golf is just like any other professional sport, with groupies, party-crazed athletes, and blatant infidelity. After years in the exclusive players' wives club, Sherrie Daly is Teed Off and ready to rip the game's well-groomed façade to shreds.

If you know anything at all about John Daly--and if you don't, what in the hell are you doing with this book in your hands?--you know he approaches the game of golf from an, uh, slightly different perspective than your average two-time major winner. How different? Well, for starters, Long John thinks the PGA Tour ought to permit Bermuda shorts, make carts mandatory, let him wear his hair down to his butt if he wants to, and strip-search tournament patrons at the entrance gate to keep cameras and cell phones off the course. In Golf My Own Damn Way, you'll take a virtual ride on Big John's magic bus as he tells you the best way to grip it so you can rip it. Looking for a sure cure to bunkerphobia? It's here. A one-hour golf lesson that's 100 percent guaranteed to make you a better golfer? Ditto. Want to know why you should occasionally leave your big dog in your trunk, how to watch your weight, and what golf and sex have in common? You came to the right book. And while he's busy explaining all these and many other things, Daly also tells you why you should keep your head out of the game, let your belly lead your hands, listen to your right foot, check your ball position--and buy a hybrid (the club, not the car). Following in the spike prints of his 2006 bestselling autobiography, My Life In and Out of the Rough, Golf My Own Damn Way is an off-the-wall and intensely personal yet imminently practical and accessible tip sheet on how to cut ten strokes off your score--now. Two things are certain: you've never seen a golf instructional book quite like this one, and you'll never need another one. Fairways and greens, Pard!

After making love, the young couple fell asleep on the deck of their sailboat that they had anchored earlier in a quiet tropical cove. They never heard the five pirates come aboard in their bare feet. They never felt their throats being cut by the leader of the group, killing them instantly. "Dump their bodies in deep water. Change the name on the boat and sail it to our home base," said the pirate captain, screaming his orders at the other pirates. "As you wish, Jim-Jen," was their fearful response. Once you start reading this exciting story you won't be able to put this book down. Why not begin the adventure now?

Golf supersensation Daly reveals the secret to his awesome power in a step-by-step tutorial that teaches players how to hit the ball farther and straighter than they ever imagined. 70 photos.

John Daly, Writer, Singer, Musician, takes you on a ride through his childhood and into his adult life with Alcoholism, Drug Abuse, Murder, Suicide and Psychic Phenomenon. Growing up with alcoholic parents produced psychological problems that lead John on a route to substance abuse himself. Finding out that his father was not his biological father after 59 years made him sort through his life for answers. This lead him to realize his life had a lot to offer as a story. A story that people in similar situations might relate to. If anyone has grown up with alcoholic parents or got caught up into drug abuse, this book might connect. If anyone has had family attempt or commit suicide, this book might connect. But the thing that brings this book out and beyond the realm of human experiences, is the possibility of a continued connection with those who have passed on. The subtle hints they give. Hints that one might miss if not paying attention. Besides John's adventures that include things like: Performing on stage for hundreds of people, skydiving, scuba diving or flying experimental aircraft, John shares his experience of connecting with his loved ones in Spirit. Their love continues to show up even after their physical bodies have passed.

A profile of controversial professional golf player John Daly describes his off-the-green personal life, including his disadvantaged youth, fight with alcoholism, multiple marriages, and disturbing rages.

Three things can happen when establishing a product price. A price set too high is a lost sale that could have been profitable at a lower price. A price set too low is rewarded with unprofitable work. Only when a price is set appropriately does a company make both a sale and a profit. Just as activity-based costing and activity-based management revolutionized the cost accounting world, activity-based pricing will bring a disciplined approach to developing pricing. Activity-based pricing examines the relationships between price, cost and sales volume and how this relationship effects profitability. Pricing for Profitability joins the disciplines of marketing, economics, business strategy, engineering and cost accounting to achieve maximum profitability.

An Introduction

The Wit and Wisdom of John Daly

Broken Slate

"The best-ever account of life on the PGA tour" (Golf Magazine): John Feinstein's bestselling classic is a must-read for anyone who loves the game of golf. Traveling with the golfers on the PGA Tour, Feinstein gets inside the heads of the game's greatest players as well as its struggling wannabes. Meet superstars like Nick Price, who nailed a fifty-foot putt at the seventeenth to win the British Open, and Paul Azinger, who marked his return from a bout with cancer with an emotional appearance at the Buick Open. Go behind the scenes for Davis Love III's unforgettable come-from-behind victory in the Ryder Cup. In golf, Feinstein eloquently relates, the line that separates triumph from disappointment is incredibly fine. "One week you've discovered the secret to the game; the next week you never want to play it again."

The 1995 Open Champion and legendary wild man of golf recalls the best and worst of his life: his inspirational play on both US and European tours; the demons that afflicted him on the course and his addiction to gambling and drink; and the trashed hotel rooms and spectacular marital problems.

Contexts of Nursing 3e builds on the strengths of previous editions and continues to provide nursing students with comprehensive coverage of core ideas and perspectives underpinning the practice of nursing. The new edition has been thoroughly revised and updated. New material on Cultural Awareness and Contemporary Approaches in Nursing has been introduced to reflect the realities of practice. "Better stay out of this... It will mean death for you—sure," grunts a ruthless thug. But Three Gun Terry is not one to back down from a fight, especially when the life of a beautiful, young dame is at stake. Terry manages to whisk the girl away from certain death, just in the nick of time. But the retrieval brings more money and more trouble for Terry. It turns out the girl—Nita—is fresh off the boat and drop-dead gorgeous, catching his usually business-minded eye. To make matters worse, though, she daughter of a renowned scientist who just discovered a formula that would turn the scientific world—no, scratch that—the entire world, on its head. But great and powerful enemies have swiped the formula and now plan to use it for their own gain. So Nita's uncle enlists the only man who is willing to stand up to these goons and retrieve what rightfully belongs to science: Three Gun Terry.
