The perfect bedtime book from Nick East and Michelle Robinson - Goodnight Princess As a little girl says goodnight to her dressing up clothes and dolls she is transformed into a princess in a magical realm. A beautiful rhyming text is accompanied by atmospheric illustrations which will delight and soothe all little girls as they snuggle up in bed. A follow-up to the wonderful Goodnight Tractor and Goodnight Digger, this is the perfect bedtime book. Michelle Robinson has always wanted to be an author like her hero Roald Dahl, but all they had in common was the same

birthday and a love of chocolate. Now at last, Michelle is a real author too. She lives in Frome, Somerset with her husband, son and daughter. Visit her at www.michellerobinson.co.uk. Nick East has been working as a museum designer for the past 16 years but has always been a storyteller, whether as a child, filling sketchbooks with quirky characters, or as a designer displaying a collection of ancient artifacts. Nick lives near York with his wife and two children and, when he isn't drawing, he is out riding bikes and spending time with his family.

True Love, Real Fear

Don't face reality. Create reality! E-Squared could best be described as a lab manual with simple experiments to prove once and for all that reality is malleable, that consciousness trumps matter, and that you shape your life with your mind. Rather than take it on faith, you are invited to conduct nine 48-hour experiments to prove there really is a positive, loving, totally hip force in the universe. Yes, you read that right. It says prove. The experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as

dependable as gravity, as consistent as Newton's laws of motion. For years, you've been hoping and praying that spiritual principles are true. Now, you can know. E-Squared proves the following: 1. There is an invisible energy force or field of infinite possibilities. 2. You impact the field and draw from it according to your beliefs and expectations. 3. You, too, are a field of energy. 4. Whatever you focus on expands. 5. Your connection to the field provides accurate and unlimited guidance. 6. Your thoughts and consciousness impact matter. 7. Your thoughts and consciousness provide the scaffolding for your physical body. 8. You are connected to everything and everyone else in the universe. 9. The universe is limitless, abundant, and strangely accommodating.
