Our
unconscious
thought

determine our

relationships,
our spiritual
life and our
connection to
God to a much
greater extent
than we know.
That's an
alarming
thought,
because the
subconscious

mind is a
mysterious
realm that is
really
difficult to
access and inf

? No. It's
really not!
And it's the
most urgent
and impactful

thing we can
do. This book
will show you
how. How do I
choose faith
over fear when
my loved ones
are making
poor choices?
Why don't I
feel happier
if I'm reading

and praying
like I've been
taught? How
can I stop
feeling like
I'm just not
good enough?
What am I to
do when my
spouse is
judgmental of
me? How do I
