A Novel

A Girl's Guide to Growing Up

"In this intimate debut novel, a woman returns to her small Southern hometown in the wake of her mother's sudden death--only to find the past upended by stunning family secrets. Lila Bruce Breedlove never quite felt at home in Wesleyan, Georgia, especially after her father's untimely death

when she was a child. Both she and her brother, Henry, fled north after high school, establishing fulfilling lives and relationships of their own, steeped in art and culture. In contrast, their younger sister, Abigail, opted to remain in Georgia to dote on their domineering, larger-than-life mother, Geneva. Yet, despite their years-long independence, Lila and Henry both know they've never quite reckoned with their upbringing. Now, when their elderly mother dies suddenly and strangely in the muscadine arbor behind the family estate, they must travel back to the town that raised them. But as Lila and Henry uncover more about Geneva's death, shocking truths are revealed that upend the Bruces' history as they know it, sending the pair on an extraordinary journey to chase a truth that will dramatically alter the course of their lives. With deep compassion and sharp wit, Pamela Terry brings to life the culture and expectations of a small Southern town that values appearance over authenticity--and where the struggle to live honestly can lead to devastating consequences"--

Sharon M. Draper presents "storytelling at its finest" (School Library Journal, starred review) in this New York Times bestselling Depression-era novel about a young girl who must learn to be brave in the face of violent prejudice when the Ku Klux Klan reappears in her segregated southern town. Stella lives in the segregated South—in Bumblebee, North Carolina,

to be exact about it. Some stores she can go into. Some stores she can't. Some folks are right pleasant. Others are a lot less so. To Stella, it sort of evens out, and heck, the Klan hasn't bothered them for years. But one late night, later than she should ever be up, much less wandering around outside, Stella and her little brother see something they're never supposed to see, something that is the first flicker of change to come, unwelcome change by any stretch of the imagination. As Stella's community—her world—is upended, she decides to fight fire with fire. And she learns that ashes don't necessarily signify an end.

Her wish is granted and she finds herself 'bouncing' into the lives of other girls and living Christmas Day on repeat—learning the value of family, finding your voice, and the power of love." (Variety) A celebration of the power of love and connection, Megan Shull's extraordinary novel captures one girl's journey to find her voice, heal her heart, and discover the joy of bouncing back. Seventh grader Frannie Hudson wonders what it would be like to trade in her family for a new one. Her big brother ignores her. Her mean older sister can't stand her. There's no time for another cake, but there sure is plenty of ice cream around—it's a beach, after all. All that brain freeze gives JoJo a genius idea: Jacob and Louis can make her very favorite kind of cake . . . an ice cream cake! "Sentimental, heartfelt....the exploration of Henry ' s changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don ' t repeat those injustices."-- Kirkus Reviews " A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* " Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry 's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While “scholarshipping” at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship – and innocent love – that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel 's dark dusty basement he begins looking for signs of the Okabe family 's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice – words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and

In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. **BONUS:** This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

The sixth book in a chapter book series featuring Nickelodeon superstar, JoJo Siwa! When JoJo's friend Jacob and his baking partner, Louis, get invited to a fancy beach resort for a cake contest, JoJo volunteers to come cheer them on. With Grace, Miley, and Kyra in tow, the whole Siwa squad will be together! Best of all, the contest is even going to be on TV! While the girls are tossing frisbees on the sand and baking in the sun, the boys will be baking up their masterpiece. But winning isn't easy. When the boys' cake turns out to be a literal flop (it doesn't rise!) just moments before the show is set to air, JoJo and the gang have to get creative. There's no time for another cake, but there sure is plenty of ice cream around--it's a beach, after all. All that brain freeze gives JoJo a genius idea: Jacob and Louis can make her very favorite kind of cake . . . an ice cream cake! The kids think they have the competition in the bag, but there's one thing they're forgetting--Ice cream melts in the sun. When things get messy, can JoJo and the Siwa Squad figure out a way to (milk)shake up the competition?
