ancient prophecy, a mysterious source of magic, interesting characters, war, political intrigue, and romance. The Hundred Years War has ravaged more than three generations of kings, queens, and citizens across the Four Kingdoms. Corrupt rulers dominate. Religious intolerance runs rampant. The cycle of vengeance continues to turn with the seasons. An ancient prophecy by a legendary oracle has been long forgotten. The prophecy promises the return of peace to the Four Kingdoms on the backs of a chosen few, the fatemarked, individuals marked at birth and blessed with specific magical powers. One shall

be the Kings' Bane, and will bring death to the warmongering rulers, using fear to force peace; another shall be the Peacemaker, bestowed with the rare ability to heal. Opposite sides of the same coin, dark and light, death and life, the Kings' Bane and the Peacemaker are responsible for the fate of an entire continent. As they fight to achieve their destinies, adversity will hinder them in every realm: in the frozen north, assassination attempts and a brutal power struggle; in the holy west, a vicious queen and her self-righteous army of warriors; in the mysterious iron-clad forest of the east, revenge

To truly fulfill the oracle's prophecy of peace, both the Kings' Bane and the Peacemaker, as well as the other fatemarked, will need to overcome those who seek to destroy everything in their pursuit for power.

His earliest dream is of taking his place there. Amero has no dreams. His life has been about fulfilling the expectations of others. In search of a path of his own, the dreams of others are too tempting to resist. After years of sacrifice and hard work, Bryn is finally a professional duellist. Becoming the First Blade of Ostia no

longer seems the childish fantasy it once did. To find the man standing in his way is also his best friend will test him in ways he would never have believed.

He was known as Druss. The Deathwalker. Though the blood of merciless butchers coursed through his veins, he had found a fragile peace through his love for beautiful, mystical Rowena. Then came the day when Druss returned to their village and found everyone dead--massacred by slavers who had stolen the women to sell for gold. Rowena was among the missing. Armed with only his powerful double-bladed ax, Snaga, Druss went after Rowena. His journey would carry him from the highest thrones of power to the deepest dungeons of depravity. Along the

way, he would battle savage monsters and descend into terrifying lands of black magic and demons. Yet one thing was certain. Druss would have victory . . . or death. Warring kingdoms. Ancient blades. Dragonriders and godlings. A growing evil that threatens to destroy the world. Don't miss the highly anticipated follow up series to the #1 Amazon bestselling saga, The Fatemarked Epic. Be bright but do not burn. Embrace the darkness but do not live in the shadows. Infused with magic, shadows and starlight, the powerful godblades were believed to be lost nearly half a millennia ago, when the Godswar ended. THREE OF BRAND'S BEST! Here are three of Max Brand's classic short novels, all carefully restored from Brand's own manuscripts, and collected in paperback for the first time. In "Range Jester," Barry Home, once a free spirited cowboy, now an ex-convict, returns to the small town of Loomis. His return is scarcely a welcome one, least of all by the rancher whose testimony was vital in securing Barry's conviction. "Slow Bill" is the story of young Jim Legrange, who feels he can never live up to the success of his father, a millionaire rancher. He leaves home for an abandoned gold rush town, where he runs into Jack Rooney. Rooney, an old

prospector, has a photograph of Jim's father in a place of honor, but he calls the man in the picture Slow Bill and says he was once his partner. And in "The Rock of Kiever," the best friend of Texas Ranger Charlie Stayn is killed during a raid. Charlie swears vengeance against the killers and defies the ranger code, heading into the Kiever Mountains to track them down.

The Far Canyon, the sequel to Slaughter was published in 1994 and won Elmer Kelton his sixth esteemed Spur Award from the Western Writers of America. By 2002 Kelton had not only earned his seventh Spur Award with Way of the Coyote, but had also won three Western Heritage Awards. The National Cowboy and Western Heritage Museum honored Kelton for The Time it Never Rained in 1974, The Good Old Boys in 1979, and The Man Who Rode

Midnight in 1988. With such accomplishments, it is easy to understand why, in 1995, the Western Writers of America voted Elmer Kelton the greatest western writer of all time. In The Far Canyon, Kelton masterfully unveils for his reader the finality of the buffalo's demise, the beginning of a time when cattle would replace the American bison on the southern plains and ultimately end the Plains Indian culture. The novel reveals the history of the period, not in a general grand swoop of the pen, but rather, up close and personal, so his readership can judge the impact of the period upon his characters. The novel's first chapter introduces Comanche warrior

Access Free Jorundyr's Path Wolf Of The North Book 2

Crow Feather, whose situation is emblematic of a common recurring theme in all of Kelton's works . . . change. Protagonist Jeff Layne is faced with the very same dramatic problem, the devastating threat to one's self-concept inherent in change. Layne, the hide hunter from Slaughter is weary of killing and death. He decides to return to South Texas, determined to earn his living with the newest resource on the plains, cattle. And the cultures collide. Kelton eloquently reveals the impact of hide hunters on Plains Indian culture. Crow Feather realizes that no matter how many whites the Comanche kill, there will always be more "coming

back.” Crow Feather also understands that his life and the lives of his wives and children will never be easy again. Are Layne and Crow Feather of a character that will allow them to escape a predetermined fate by reaching that far canyon, or will they simply perish under the cultural dictate of their historical time? The question is a thematic dilemma that Kelton excels at and it is what transforms his writing into serious literature.
