Andrew Wommack uncovers the traditions and misconceptions in prayer that often bring more suffering than good! In finding out how Jesus taught us to pray, we can

## Online Library Joseph Prince On Fasting And Prayer

bring joy back into our relationship with God. Many people, who truly love God with all of their heart, find it difficult to pray as they have been taught. And their once-

## Online Library Joseph Prince On Fasting And Prayer

vibrant relationship with the Lord had become stifled, mechanical, and lifeless. What they don't understand is that prayer is an opportunity to have communion with God-

## Online Library Joseph Prince On Fasting And Prayer

fellowship with the Father. Of course it includes requests because we need help from our Father every day, but it also includes a connection and friendship with God.

## Online Library Joseph Prince On Fasting And Prayer

Readers may find it amazing that God would talk with them just as a friend, but His greatest desire is for His children to know Him in much the same, intimate way as He

knows them. After 30 years of ministry, Andrew Wommack has discovered some important things about prayer including what prayer is and what it is not. Readers will

## Online Library Joseph Prince On Fasting And Prayer

uncover the traditions and misconceptions in prayer and discover true and meaningful communion with God through Jesus' example of prayer. More importantly, they'll come

## Online Library Joseph Prince On Fasting And Prayer

to know a new, profound joy and fulfillment in their relationship with God, receiving the answers they need. The subject of prayer has been touched on many times through classic

## Online Library Joseph Prince On Fasting And Prayer

and current authors, but Andrew Wommack brings a fresh approach to prayer by defuncting the common traditions that make prayer laborious and lifeless. In much the same
