

Jour Nuit Ekladata

A breathtaking novel from the #1 New York Times bestselling author of the This Man trilogy. ONE NIGHT WILL NEVER BE ENOUGH . . . Livy notices him the moment he walks into the coffee shop. He's heart-stoppingly stunning, with a blue-eyed gaze so piercing she's almost too distracted to take his order. When he walks out the door, she thinks she'll never see him again. Then she finds the note he left on his napkin . . . signed M. All he wants is one night to worship her. No feelings, no commitment, nothing but pleasure. Every defense mechanism Livy has adopted during her solitary life is at risk of being obliterated by this confounding man. He's obnoxious but well-mannered. He's a gentleman but aloof. He's passionate but emotionless. Yet the fascination is so powerful, Livy can't deny him . . . or herself. M awakens something in Livy, something deep and addictive that she never knew existed—and that she fears only he can satisfy. But she senses that behind the fast cars, fancy suits, and posh apartment, he's aching inside. To have him, body and soul, she'll have to brave his dark secrets. Delving into his world and breaking down his defenses become her obsession—an obsession that could shatter her heart beyond repair . . .

I'm the first-born son of the mafia king. The favorite. Destined to rule, I'm a dangerous man, a ruthless one. But in my world, you have to be. Then Natalie stumbles into my life. Wrong place. Wrong time. Twice, fate put her in my path. Twice, fate placed the innocent lamb at the mercy of the monster. I gave her a chance to walk away. Told her it would be better for her if she did. But she didn't listen. And now it's too late. Because I'm not good. I never wanted to be. And I won't let her go anymore. See, I'm not the hero. When I touch her, it's with dirty hands. I know my reckoning is coming though. I know I'll burn for the things I've done, the sins I've committed. And I don't deny hell is where I belong, but I want my time first. I want my time with her. She's mine. Forever. No matter what. Author's Note: Sergio is an emotional romance set in the Benedetti Mafia world. It is not a traditional romance. It is recommended that you read both Salvatore: a Dark Mafia Romance and Dominic: a Dark Mafia Romance before reading Sergio's story.

Life on the Refrigerator Door is a poignant and deeply moving first novel about the bonds of love and frustration that tie mothers and daughters together. Told entirely in a series of notes left on the kitchen fridge—some casual, some intimate, some funny, some angry—it is the story of nine months in the life of 15-year-old Claire and her single mother. Preoccupied with their busy separate lives, rarely in the same room at the same time, they talk to each other in a series of short snippets that reflect the daily drama of school, boyfriends, work and chores that make up their days. Yet the mundane soon becomes extraordinary when a crisis overtakes their lives—a momentous change that will redefine their relationship and unfold in their exchanges on the refrigerator door. Short, powerful and unforgettable, Kuipers' novel looks deep into the complex relationship between mothers and daughters, and the distances that can open up between people who live together but exist in their own worlds. Unfolding in a wonderfully simple and intimate narrative, Life on the Refrigerator Door will appeal to readers across the generations, delivering universal lessons about love.

The Instant New York Times Bestseller! A speculative thriller in the vein of The Handmaid's Tale and The Power. Optioned by Universal and Elizabeth Banks to be a major motion picture! "A visceral, darkly haunting fever dream of a novel and an absolute page-turner. Liggett's deeply suspenseful book brilliantly explores the high cost of a misogynistic world that denies women power and does it with a heart-in-your-throat, action-driven story that's equal parts horror-laden fairy tale, survival story, romance, and resistance manifesto. I couldn't stop reading." – Libba Bray, New York Times bestselling author Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, The Grace Year examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between.

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. * In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.**

Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.

Gia I'm the daughter of a foot soldier. The sister of a snitch. Monsters have been part of my life for as long as I can remember, but the morning I woke in that cold, abandoned cabin with Dominic Benedetti looming over me, I knew I'd met the darkest of them all. He took me to break me. But I'm not so easy to break. And when he saw the mark on me, everything changed. But I've never believed in fairy tale endings and happily-ever-after doesn't belong to people like us. Some love thrives in the light. Dominic and I, we belong in the dark. Dominic I'm the last-born son of the Mafia King. The one with nothing to lose. I walked away from my family. Turned my back on everything that should have been mine and became what I was meant to be. A monster. Until the day I stood over Gia cowering in the corner of that decrepit cabin in the woods. Until I saw the mark they'd put on her. It was then I understood something my father used to say. Keep your friends close, your enemies closer. My enemies had overplayed their hand. It was past time I returned to the family. Past time I collected the debts owed me. And long past time I punished those who betrayed me.

Asli n'a pas toujours été cette jeune fille sage, pratiquante et studieuse, cette grande sœur bienveillante et responsable. Elle aussi, à l'instar de ses camarades désœuvrés, délaissés par des parents obsédés par le khat, a goûté aux plaisirs faciles et vains, aux divertissements futiles, aux tentations de la nuit... Le khat, cette herbe hallucinogène venue de la péninsule arabique, que les adultes mastiquent à longueur de journée, les plonge tour à tour dans l'euphorie et l'hébété. Cette drogue légalisée par l'usage régulier, par son emprise, non seulement les comportements mais aussi l'économie du pays. Cette chronique de la vie quotidienne à Djibouti livre le tableau d'une société gangrenée par le khat et celle d'une jeunesse à l'avenir compromis. Inquiète et révoltée par amour pour son pays, fauteur conserve néanmoins l'espoir qu'un jour prochain il se réveillera.

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.

*The Pact is a full-length, standalone "friends to lovers" contemporary adult romance*It all started with a pinky swear...Linden McGregor is tall, rugged, and gunslinger

handsome; a helicopter pilot with a Scottish brogue and charm to spare. He's also one of Stephanie Robson's best friends and has fit into that box for as long as she's known him. Beautiful, funny and an ambitious businesswoman (with one hell of an ass), Stephanie Robson is one of Linden McGregor's best friends and has fit into that box for as long as he's known her. But some relationships can't be boxed, can't be classified, can't be tamed. Back in their mid-twenties and tired of the competitive hit-or-miss dating scene of San Francisco, Steph and Linden made a pact to marry each other if neither one of them were in a serious relationship by the time they hit thirty. It sounded like fun and games at the time but as the years to thirty tick past and lovers come and go out of their lives, the pact becomes larger than life. Sex is inevitable. Friendships are tested. Hearts are on the line. The pact is about to change everything. Note: due to the dirty talk and sexy times, The Pact is not meant for anyone under the age of 18.
