In meditative and insightful poems, they offer us revealing glimpses of their souls engaged in meaningful dialogue with the world, others, themselves, and divinity. This spiritual poetry draws from the timeless wisdom, power, and beauty residing deeply within the hearts of all women. Emerging within archetypal themes that deliver valuable messages, the inspiring and uninhibited chorus of voices beckons us to journey along with them into the wild, mysterious, and uncharted territory of a woman's heart. Catherine Ghosh gives us the voices of women's spiritual expressions across cultures. The many women who contribute their hopes, fears, visions, and life narratives to this volume fulfill the poet Muriel Rukeyser's injunction: "Breathe in experience, breathe out poetry." Every woman (and man) will find poetry that speaks to the heart and the soul. I highly recommend this volume to anyone who values the poetry of women's lives and imaginations." — Roberta Rosenberg, Professor of English and Co-Director of Women's and Gender Studies, Christopher Newport University, Virginia "This beautiful book of verses speaks of the longings of the heart, the habits of the mind, the prayers often unspoken; of silent cries in

This book is an anthology of shamanic journeys that I have taken over my 35-year exploration of shamanism—the most ancient and most enduring spiritual tradition known to humanity. Each inner journey has a unique story about what led up to the trance experience, and what I learned from it. They were powerful life-changing events for me. Journey work is therapeutic and liberating. My trance experiences were healing, insightful and empowering. They often triggered the cathartic release of suppressed emotions producing feelings of peace and well-being. The process restores emotional health through expression and integration of emotions.

Shamanism is based on the principle that innate wisdom and guidance can be accessed through the inner senses in ecstatic trance. We can engage the blueprint of our soul path through the vehicle of journeying. Shamanic journeying is a time-tested medium for individual self-realization. We can journey within to access wisdom and energies that can help awaken our soul calling and restore us to wholeness. It heightens our sense of mission and purpose, empowering our personal evolution. I invite you to journey with me into the inner realms of consciousness.
