How did Thomas Edison grow up to be America's greatest inventor? Michael Dooling explores the beginnings of Edison's genius as a young scientist to the man everyone called "The Wizard."

One day, Mr. Keene called all the students and teachers together and said, "This is a fine, fine school! From now on, let's have school on Saturdays too." And then there was more. School all weekend. School on the holidays. School in the SUMMER! What was next . . . SCHOOL AT NIGHT? So it's up to Tillie to show her well-intentioned principal, Mr. Keene, that even though his fine, fine school is a wonderful place, it's not fine, fine to be there all the time.
