Judicial Branch Study Guide

American government is required for high school graduation in most of the United States, but most of us receive very little instruction on the contents of the United States Constitution itself. This study guide is designed to guide small groups in delving into the United States Constitution and discovering the original intent of the Founders. The guide will take you from the Mayflower Compact to the 27th Amendment of the United State Constitution, studying in depth the original documents, interpreted by the words of the Founders themselves.Who were the signers of the Declaration of Independence and the United States Constitution? What is the proper jurisdiction of the judicial branch of the government? Why was a bill of rights a necessary addition to the Constitution? This guide explores the answers to these questions and more in a relaxed small group environment that encourages true learning and a love of American heritage.

Mometrix Test Preparation's AP US Government and Politics 2019 & 2020 Secrets Study Guide is the ideal prep solution for anyone who wants to pass their Advanced Placement Exam. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * Practice test questions with detailed answer explanations * Step-by-step video tutorials to help you master difficult concepts * Tips and strategies to help you get your best test performance * A complete review of all AP test sections * Foundations of American Democracy * Interactions Among Branches of Government * Civil Liberties and Civil Rights * American Political Ideologies and Beliefs * Political Participation AP(R) and Advanced Placement(R) are trademarks registered by the College Board, which is not affiliated with, and does not endorse, this product. The Mometrix guide is filled with the critical information you will need in order to do well on your AP exam: the concepts, procedures, principles, and vocabulary that the College Board expects you to have mastered before sitting for your exam. The Foundations of American Democracy section covers: * Local Government * State and Federal Government * The U.S. Constitution The Interactions Among Branches of Government section covers: * The Executive Branch * The Judicial Branch * The Legislative Branch The Civil Liberties and Civil Rights section covers: * Brown v. Board of Education * Plessy v. Ferguson * Other Landmark Cases The American Political Ideologies and Beliefs section covers: * Representative Democracy * Comparitive Politics * Domestic and Foreign Policy The Political Participation section covers: * Political Parties * United States Elections * Types of Party Systems ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix AP study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of AP practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our AP US Government and Politics 2019 & 2020 Secrets Study Guide is no exception. It's an excellent investment in your future. Get the AP review you need to be successful on your exam.

Yalof takes the reader behind the scenes of what happens before the Senate hearings to show how presidents decide who will sit on the highest court in the land. He draws on the papers of 7 modern presidents and firsthand interviews with key figures.

The Judicial Branch

The Federalist Papers

Presents a collection of essays examining the American judiciary, including such topics as judicial review and interpretation, judicial activism, the judiciary and the political process, and selecting Supreme Court justices.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

A History of the United States' well-told story and expanded program are designed to address your changing curriculum and classroom needs. Author Daniel Boorstin e"Librarian of Congress Emeritus, and winner of the Bancroft, Parkman, and Pulitzer prizes e"tells the story of American history in an engaging style that reaches today's students.

Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Accompanied by printed reel guides compiled by Blair D. Hydrick.

It is said that the US Constitution is a living document. A study guide that highlights cultural and language-born problems in understanding the Constitution, is a great way to begin a truly significant and in-depth study of this important document. Twenty-first century understanding of an Eighteenth century manifest requires expert, guided tutorials from preamble to benediction. Constitutional law study guides pinpoint relevant and timeless concepts from each Article, shows how they have been interpreted in the past, and gives significant study points for their possible affect in the future.

"A Practical Guide to Constitution Building provides an essential foundation for understanding constitutions and constitution building. Full of world examples of ground-breaking agreements and innovative provisions adopted during processes of constitutional change, the Guide offers a wide range of examples of how constitutions develop and how their development can establish and entrench democratic values. Beyond comparative examples, the Guide contains in-depth analysis of key components of constitutions and the forces of change that shape them. The Guide analyzes the adoption of the substantive elements of a new constitution by looking at forces for the aggregation or dissemination of governmental power, and forces for greater legalization or politicization of governmental power, and examining how these forces influence the content of the constitution. It urges practitioners to look carefully at the forces at play within their individual contexts in order to better understand constitutional dynamics and play a role in shaping a constitution that will put into place a functioning democratic government and foster lasting peace."--

Punjab, the land of five rivers and integrated cultural history is a treasure trove for an avid tourist. This land of the great gurus not only boasts of ancient monuments but throbs also with historical embodiments. Punjab is a state in northern India. Forming part of the larger Punjab region of the Indian subcontinent, the state is bordered by the Indian states of Jammu and Kashmir to the north, Himachal Pradesh to the east, Haryana to the south and southeast, Rajasthan to the southwest, and the Pakistani province of Punjab to the west. The state covers an area of 50,362 square kilometres, 1.53% of India's total geographical area. It is the 20th-largest Indian state by area. With 27,704,236 inhabitants at the 2011 census, Punjab is the 16th-largest state by population, comprising 22 districts. Punjabi is the most widely spoken and official language of the state. The main ethnic group are the Punjabis, with Sikhs (57.7%) forming the demographic majority, followed by Hindus (38.5%). The state capital is Chandigarh, a Union Territory and also the capital of the neighboring state of Haryana. The five rivers from which the region took its name were Sutlej, Ravi, Beas, Chenab and Jhelum; Sutlej, Ravi and Beas are part of the Indian Punjab. The capital of Punjab is Chandigarh, which also serves as the capital of Haryana and is thus administered separately as a Union Territory of India. The judicial branch of the state government is provided by the Punjab and Haryana High Court in Chandigarh. The book describes various religious places, monuments, gardens, customs, traditions, traditional outfits and ornaments, sports and famous sport personalities, music, dances and places of tourism attraction.
