Justin Bieber: Oh Boy!, an unofficial biography by Nadia Cohen, is one of an exciting series of lush books celebrating some of the most popular and influential celebrities – stars who are constantly talked about and whose every new release, life event or opinion is awaited with baited breath by legions of fans. In the Top Ten on YouTube, Facebook and Twitter, with millions of followers, Justin Bieber is adored by a huge online community – in fact, this hearthrob and teen music sensation is reportedly more influential in the social networking sphere than Barack Obama or the Dalai Lama. There's certainly no denying that the Biebs has rocketed onto the scene and into our hearts because he is one talented guy: he has been singing since he was a little kid and taught himself to play the piano, drums, guitar and trumpet, before his home videos were discovered by his manager-t0-be on YouTube.

The ultimate celebration of the hottest kid on the block, with inspirational words and photographs, "Justin Bieber: Oh Boy!" is a must-have for all Beliebers!

Justin Bieber's rise from "regular kid" to one of the most famous people on the planet has captivated a nation of devoted fans called "Beliebers." With hit records, 33 million followers on Twitter and the third-largest grossing documentary film of all time, the 18-year-old Canadian pop star dubbed "Super Boy" on Rolling Stone's recent cover has countless fans who hang on his every word. But is there more to this pop idol's startling success than his legendary haircut and unusual talent? "The success I've achieved comes ... from God," Bieber says "I feel I have an obligation to plant little seeds with my fans. I'm not going to tell them, 'You need Jesus,' but I will say at the end of my show, 'God loves you.'" The bold yet humble faith that grounds Bieber's worldview may just be the key to his extraordinary appeal. Recognizing that music and film are the language of this new generation, author and religion journalist Cathleen Falsani's hope is that this book will encourage faith leaders as well as parents to engage with popular culture in a different way so they can better talk to their kids about what matters most.

ABOUT THE BOOK Justin Bieber, thanks in no small part to his legions of devoted and adoring fans, is the subject of one of Wikipedia's most popular articles. According to *The Observer*, a UK-Based newspaper, Bieber is more influential in the social networking world than such world figures as President Barack Obama and the Dalai Lama. Jan Hoffman of *The New York Times* postulates that Bieber's YouTube channel has played a crucial role in his appeal and popularity. Long before the release of his first EP, *My World*, Bieber's YouTube channel had already garnered millions of views. This savvy and unarguably successful marketing ploy was pivotal in attracting a devoted fan base even before he had officially released a record. So just how did this young Canadian boy rocket from obscurity to being one of the most popular teen idols of all time? **EXCERPT FROM THE BOOK** Braun then flew Bieber, just age thirteen, down to Atlanta to record some demo tapes. Within a week of his arrival, Bieber found himself performing for R&B sensation Usher, who was also Braun's business partner. Usher was at least as impressed with Bieber's talent and appeal as Braun was, and Bieber was shortly contracted to Raymond Braun Media Group (RBMG), a joint venture established by Usher Raymond and Scooter Braun. Justin Timberlake was also reportedly in the running to sign the young artist, but lost the bidding war to Usher. Usher then began work on the process of finding a record label for his young protégé with the assistance of his then-manager Chris Hicks, who helped procure an audition with his contact at Island Def Jam Music Group, Antonio L.A. Reid. In October of 2008 Reid signed Bieber to Island Records, resulting in a joint venture between RBMG and Island Records. Reid also appointed Hicks as executive Vice-President of Def Jam so he would be able to manage Bieber's career at the label... Buy a copy to keep reading!
