*A Fully Illustrated Kama Sutra Book That Will Take Your Sex Life to the Next Level... Are you tired of the same boring routine in your daily relationship? Are you feeling like the spark is gone? Do you often feel bored, but love your partner and do not want to leave? Do you have thoughts of infidelity? If you answered yes to any of these questions, then this is the right book for you! Kamasutra is something that has been around for thousands of years but has been brought to popularity since the 1970's in America. The various sexual positions in Kama Sutra are there to help you and your lover enjoy the sexual experience. If both of you have been using the same old positions during lovemaking, it's time for a change tonight...If you feel as if your sex life could be better, and it has just lost its passion, you are in for a treat. Kama Sutra will introduce different positions to you and your partner that you either have possibly never tried, or even heard of. If you are bored in your relationship, there is no need to look for pleasure with anyone other than your partner. Life is boring for you if you cannot please your partner properly in bed. You just need to kick your romance up a notch. This book will give you techniques on how to do that, and how to have fun doing it as well. There are a lot of benefits to a Kamasutra life, and you should definitely give it a try. The most convincing benefit of all is that you are able to really advance your relationship and bring the passion back. This book is for both newbies and experts. Be the person you know you really want to be, you deserve it, and so does your partner!*

The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn't got her there. But not anymore. You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place." ; "I want you to remember exactly that. The orgasm isn't purely physical; the emotional and psychological elements are still so, so important. It's possible for a person to orgasm without even being touched. It's hard, sure, but it is certainly possible. I just need to demonstrate to you the significance of the mind here. It's a key part of getting a female to her ultimate climax. Think about tantric sex. Now, you might not know a lot about tantric sex, but the idea is that sex is considered virtually spiritual in nature - it's linked to a higher state of being. So clearly sex is more than the mere physical act of stimulating the nerves." ; ;"If you're successful here, then the chances are that she won't have anything to say - she will quite literally be speechless! When a female experiences such a hard orgasm she physically won't be able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to. But you do." ; Want to know more? This is a great eBook. This is the Summarized Version of the Original Book. We had added almost 48000 words in our long summary and about 7400 words in our short summary of the book. the brief description is written as follows: -Kamasutra is the oldest surviving Hindu text on erotic love. It is a sutra-genre text with terse aphoristic verses that have survived into the modern era with different bhasya (exposition and commentaries). The text is a mix of prose and anustubh-meter poetry verses. The text acknowledges the Hindu concept of Purusharthas, and lists desire, sexuality, and emotional fulfillment as one of the proper goals of life. Its chapters discuss methods for courtship, training in the arts to be socially engaging, finding a partner, flirting, maintaining power in a married life, when and how to commit adultery, sexual positions, and other topics. The majority of the book is about the philosophy and theory of love, what triggers desire, what sustains it, and how and when it is good or bad. The text is one of many Indian texts on Kama Shastra. It is a much-translated work in Indian and non-Indian languages. The Kamasutra has influenced many secondary texts that followed after the 4th-century CE, as well as the Indian arts as exemplified by the pervasive presence Kama-related reliefs and sculpture in old Hindu temples. Of these, the Khajuraho in Madhya Pradesh is a UNESCO world heritage site. Among the surviving temples in north India, one in Rajasthan sculpts all the major chapters and sexual positions to illustrate the Kamasutra. According to Wendy Doniger, the Kamasutra became "one of the most pirated books in English

language" soon after it was published in 1883 by Richard Burton. This first European edition by Burton does not faithfully reflect much in the Kamasutra because he revised the collaborative translation by Bhagavanlal Indrajit and Shivaram Parashuram Bhide with Forster Arbuthnot to suit 19th-century Victorian tastes. Vatsyayana Mallanaga is its widely accepted author because his name is embedded in the colophon verse, but little is known about him. Vatsyayana states that he wrote the text after much meditation. In the preface, Vatsyayana acknowledges that he is distilling many ancient texts, but these have not survived. He cites the work of others he calls "teachers" and "scholars", and the longer texts by Auddalaki, Babhravya, Dattaka, Suvarnanabha, Ghotakamukha, Gonardiya, Gonikaputra, Charayana, and Kuchumara. Vatsyayana's Kamasutra is mentioned and some verses quoted in the Brihatsamhita of Varahamihira, as well as the poems of Kalidasa. This suggests he lived before the 5th-century CE. Human relationships, sex and emotional fulfillment are a significant part of the post-Vedic Sanskrit literature such as the major Hindu epics: the Mahabharata and the Ramayana. The ancient Indian view has been, states Johann Meyer, that love and sex are a delightful necessity. Though she is reserved and selective, "a woman stands in very great need of surata (amorous or sexual pleasure)", and "the woman has a far stronger erotic disposition, her delight in the sexual act is greater than a man's".

*with Preface, Introduction and Concluding Remarks. New Edition The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra (Sanskrit: Kama Sastra). Historians attribute Kamasutra to be composed between 400 BCE and 200 CE. John Keay says that the Kama Sutra is a compendium that was collected into its present form in the 2nd century CE.*

Put sex back on the table. Looking for a preview? "We know by now that you have to work to get a girl to orgasm, and I mean a genuine orgasm. The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn't got her there. But not anymore. You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place." "I want you to remember exactly that. The orgasm isn't purely physical; the emotional and psychological elements are still so, so important. It's possible for a person to orgasm without even being touched. It's hard, sure, but it is certainly possible. I just need to demonstrate to you the significance of the mind here. It's a key part of getting a female to her ultimate climax. Think about tantric sex. Now, you might not know a lot about tantric sex, but the idea is that sex is considered virtually spiritual in nature - it's linked to a higher state of being. So clearly sex is more than the mere physical act of stimulating the nerves." "If you're successful here, then the chances are that she won't have anything to say - she will quite literally become speechless! When a female experiences such a hard orgasm she physically won't be able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to. But you do." Want to know more and learn 101 exciting sex positions? You know what to do.
