GMAT Advanced Quant is designed for students seeking an extremely high GMAT quant score. It offers essential techniques for approaching the GMAT's most difficult math problems, along with extensive practice on very challenging problems. This edition includes 55 new practice problems. Written for students striving for a perfect score of 51 on the quant section—by instructors who have achieved that score—this book combines elite strategies for problem solving and data sufficiency with intense practice to build your high-level quantitative skills. The guide includes more than 250 very challenging problems, including 55 that are new to this edition. GMAT Advanced Quant comes with access to Atlas, your online learning platform. Atlas includes additional practice problems, a full-length adaptive practice exam, interactive video lessons, strategies for time management, and many other study resources. Tackle the GMAT's toughest quant problems with Manhattan Prep, the world's leading GMAT Prep company. To get into top business programs, you need top GMAT scores, and GMAT Advanced Quant is designed to get you there. Note: This guide is recommended for those already scoring 47 or higher on the quant section of the GMAT; to work up to a score of 47, check out Manhattan Prep's All the Quant guide.

Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The GMAT Number Properties strategy guide delves into all the characteristics of numbers tested on the GMAT, covering both simple and complicated concepts. Using the fundamental techniques and nuanced strategies developed in this guide, students will be able to tackle even the toughest GMAT problems involving prime numbers, consecutive integers, and many other topics. Unlike other guides that attempt to convey everything in a single tome, the GMAT Number Properties

strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Number Properties strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's Number Properties Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition.
