A deadly fire exposes the dark side of Amish life in A Gathering of Secrets, a harrowing new thriller in the New York Times bestselling series (July 2017) by Linda Castillo. When a historic barn burns to the ground in the middle of the night, Chief of Police Kate Burkholder is called in to investigate. At first, it looks like an accident, but when the body of eighteen-year-old Daniel Gingerich is found inside—burned alive—Kate suspects murder. Who would want a well-liked, hardworking young Amish man dead? Kate delves into the investigation only to find herself stonewalled by the community to which she once belonged. Is their silence a result of the Amish tenet of separation? Or is this peaceful and deeply religious community conspiring to hide a truth no one wants to talk about? Kate doubles down only to discover a plethora of secrets and a chilling series of crimes that shatters everything she thought she knew about her Amish roots—and herself. As Kate wades through a sea of suspects, she's confronted by her own violent past and an unthinkable possibility.

A restless young journalist with big dreams interviews a Hollywood heartthrob—and reunites with him ten years later to discover exactly how he feels about her in this sexy and engrossing novel “You will absolutely devour this book. It’s filled with delightful banter, hot romance, and a love story that’s worthy of the big screen.”—Kate Spencer, author of In a New York Minute and host of Forever35 Then. Twenty-something writer Chani Horowitz is stuck. While her former MFA classmates are nabbing high-profile book deals, all she does is churn out puff pieces. Then she’s hired to write a profile of movie star Gabe Parker: her number one celebrity crush and the latest James Bond. All Chani wants to do is keep her cool and nail the piece. But what comes next proves to be life changing in ways she never saw coming, as the interview turns into a whirlwind weekend that has the tabloids buzzing—and Chani getting closer to Gabe than she had planned. Now. Ten years later, after a brutal divorce and a healthy dose of therapy, Chani is back in Los Angeles as a successful writer with the career of her dreams. Except that no matter what new essay collection or online editorial she’s promoting, someone always asks about The Profile. It always comes back to Gabe. So when his PR team requests that they reunite for a second interview, she wants to say no. She wants to pretend that she’s forgotten about the time they spent together. But the truth is that Chani wants to know if those seventy-two hours were as memorable to Gabe as they were to her. And so . . . she says yes.

Alternating between their first meeting and their reunion a decade later, this deliciously irresistible novel will have you hanging on until the last word.

NEW YORK TIMES BESTSELLER • Part love story, part workplace drama, this sharply observed novel is a witty critique of the false judgments we make in a social-media-obsessed world. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter. I loved it.”—Jojo Moyes Everywhere Katie Brenner looks, someone else is living the life she longs for, particularly her boss, Demeter Farlowe. Demeter is brilliant and creative, lives with her perfect family in a posh townhouse, and wears the coolest clothes. Katie’s life, meanwhile, is a daily struggle—from her dismal rental to her oddball flatmates to the tense office politics she’s trying to negotiate. No wonder Katie takes refuge in not-quite-true Instagram posts, especially as she’s desperate to make her dad proud. Then, just as she’s finding her feet—not to mention a possible new romance—the worst happens. Demeter fires Katie. Shattered but determined to stay positive, Katie retreats to her family’s farm in Somerset to help them set up a vacation business. London has never seemed so far away—until Demeter unexpectedly turns up as a guest. Secrets are spilled and relationships rejiggered, and as the stakes for Katie’s future get higher, she must question her own assumptions about what makes for a truly meaningful life. Sophie Kinsella is celebrated for her vibrant, relatable characters and her great storytelling gifts. Now she returns with all of the wit, warmth, and wisdom that are the hallmarks of her bestsellers to spin this fresh, modern story about presenting the perfect life when the reality is far from the truth.

“If ever a couple was ‘meant to be,’ it’s Tess and Gus. This is such a witty, poignant, and uplifting story of two lives crisscrossing over the years, with near miss after near miss. . . . I couldn’t put it down.” — Sophie Kinsella For fans of One Day in December, The Flatshare, and This Time Next Year, a wryly romantic debut novel that asks, what if you just walked by the love of your life, but didn’t even know it? “TODAY IS THE FIRST DAY OF THE REST OF YOUR LIFE.” Tess can’t get the motto from her mother’s kitchen knickknack out of her head, even though she’s in Florence on an idyllic vacation before starting university in London. Gus is also visiting Florence, on a holiday with his parents seven months after tragedy shattered their lives. Headed to medical school in London, he’s trying to be a dutiful son but longs to escape and discover who he really is. A chance meeting brings these eighteen-year-olds together for a brief moment—the first of many times their paths will crisscross as time passes and their lives diverge from those they’d envisioned. Over the course of the next sixteen years, Tess and Gus will face very different challenges and choices. Separated by distance and circumstance, the possibility of these two connecting once more seems slight. But while fate can separate two people, it can also bring them back together again. . . .

NATIONAL BESTSELLER • From the #1 New York Times bestselling author of Love Your Life comes a humorous and heartwarming novel about family and finding a second chance at love, set against the backdrop of the most fabulous party you’ve ever snuck into. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover It’s been almost two years since Effie’s beloved parents got divorced, destroying the image of the happy, loving childhood she

thought she had. Since then, she's become estranged from her father and embarked on a feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand "house-cooling" party, Effie is originally left off the guest list—and then receives a last-minute "anti-invitation" (maybe it's because she called Krista a gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren't just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe—the love of her life, who long ago broke her heart, and who's still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she'll ever be able to face her future.

After the death of the beloved aunt who has raised her, twelve-year-old Summer and her uncle Ob leave their West Virginia trailer in search of the strength to go on living.

In this gripping debut procedural, a young London policewoman must probe dark secrets buried deep in her own family's past to solve a murder and a long-ago disappearance. Your father is a liar. But is he a killer? Even liars tell the truth . . . sometimes. Twenty-six-year-old Cat Kinsella overcame a troubled childhood to become a Detective Constable with the Metropolitan Police Force, but she's never been able to banish these ghosts. When she's called to the scene of a murder in Islington, not far from the pub her estranged father still runs, she discovers that Alice Lapaine, a young housewife who didn't get out much, has been found strangled. Cat and her team immediately suspect Alice's husband, until she receives a mysterious phone call that links the victim to Maryanne Doyle, a teenage girl who went missing in Ireland eighteen years earlier. The call raises uneasy memories for Cat—her family met Maryanne while on holiday, right before she vanished. Though she was only a child, Cat knew that her charming but dissolute father wasn't telling the truth when he denied knowing anything about Maryanne or her disappearance. Did her father do something to the teenage girl all those years ago? Could he have harmed Alice now? And how can you trust a liar even if he might be telling the truth? Determined to close the two cases, Cat rushes headlong into the investigation, crossing ethical lines and trampling professional codes. But in looking into the past, she might not like what she finds. . . .

reading of her great-great-aunt's will would be just another non-event in her ordinary life. A junior copywriter at an advertising agency in Dublin, she was used to spending her days wrangling clients, over-indulging in chocolatey products, and whiling away nights at the pub with her best friends, using her trusty bicycle to get around town. Instead, Kate finds out that the will and her aunt (also known as the Red Witch of Knocknamee) dictates that Kate must publish a series of strange poems called "The Seven Steps" under her own name in order to inherit the rest of her aunt's estate. And those poems? They're a mysterious treatise on the importance and existence of fairies... Kate decides to publish the Steps on a friend's website, thinking that the low traffic on the site would let her posts go unnoticed. She never could have imagined that in a matter of days, she would find herself a local celebrity with her own group of devotees and the target of a mysterious and glamorous newspaper reporter. Even Dublin's rock-and-roll sweetheart—and Kate's onetime fling—writes a song inspired by the Steps. While the Steps strike a chord across Ireland and the world, Kate takes the message to heart. But as the tone of each Step moves from free-spirited to sinister, Kate must decide if she will go through with publishing all seven Steps—or protect humankind from an ancient evil. Infused with just enough magic and everyday familiarity that anyone can relate to, this fantastic debut is a page-turner with the perfect mix of humor and mystery.

Can You Keep a Secret?

On 1 November 1920, eighteen-year-old UCD medical student Kevin Barry was hanged in Dublin's Mountjoy Jail for his role in a bungled IRA operation in which three British soldiers were killed. To this day, he remains a vibrant and celebrated icon of patriotic, idealistic death, his name synonymous with youthful republican sacrifice. His life was short, but Kevin was more than a hapless teen swept away in the revolutionary maelstrom of the time. Here, Professor Eunan O'Halpin, a grand-nephew of Barry, accesses exclusive family records and other archives to explore Kevin's republicanism and the endurance of his memory, one hundred years on from his untimely death. Kevin's humorous letters show a rounded, irreverent and humane schoolboy and young man, while British records confirm his laconic heroism as he bravely awaited his inevitable execution. From his unique vantage point, O'Halpin also considers Barry's death in parallel with those other Irishmen who died for the republican cause within days of his own, how his background challenged assumptions about those who fought for Irish independence, and the lasting legacy of having 'a martyr in the family'.

A month has now passed since he decided to isolate himself, like many of the very rich, far from the City of London and the Covid virus, at his villa on the French Riviera. That morning, when he awakes at the Villa Contessa, he feels a surge of freedom and immense pleasure. Bounding out of bed, he stretches, picks up the remote and zaps open the

roller shutters of his large high ceilinged bedroom. The sun streams in from the southwest, it's another fine early summer morning. Shading his eyes, he admires the magnificent view over the terrace, the Mediterranean sparkling like a silver platter beyond the villa's luxuriant gardens. He felt extraordinarily good. Life was very good, far from Boris Johnson's fatuous 'Let's get going' Britain. What had been planned as a rest in Beaulieu-sur-mer was becoming a habit. He had little desire to return to London, even less Hong Kong. He just wanted to lay back, admire the colours and breath in the perfumes of the Riviera. But to start the day he had an appointment at LifeGen, his first important check-up since he had commenced taking Galenus-1. At breakfast he informed George, his butler cum household manager, he would drive to Sophia Antipolis himself and return after lunch with Rob McGoldrick-his friend, adviser and physician. He'd never felt so well, relaxed-being far from the pressures of London, Paris and Hong Kong had its effect, but more importantly, no doubt thanks to LifeGen's molecule, he felt a surge of well-being. Meanwhile, more than 9,000 kilometres away in Central America, the Russian, Arkady Demitriev, tries to unravel the secret discovered by Barry Simmonds, a small-time lawyer in Belize City, and explain his mysterious meeting with Kennedy in San Sebastian in Spain, before the lawyers sudden demise.

Sophie Kinsella meets Sarah Dessen in the most hilarious, romantic book of the summer about a girl with social anxiety and the boy who refuses to let her hide herself away. Seventeen-year-old Gemma's favorite kind of beach is an empty one. Social interactions are too much for her to handle. She always says the wrong thing—if she manages to say anything at all. She can't even bring herself to speak to her longtime crush, Beau Booker, without losing sleep over her own awkwardness. During a solo outing to her favorite beach, Gemma realizes—to her horror—that the popular kids from school have shown up to throw a party. Before she can sneak away (and possibly puke behind her car) Gemma is pulled into the action and ends up talking to Beau, who asks her to pretend that they're "close." Gemma is too flustered and flattered to refuse, and mostly, she's wondering why Beau is talking to her at all . . . right up until the moment when he falls off the boat, hits his head, and ends up in a coma. After rescuing Beau from the water, Gemma is mistaken for Beau's girlfriend by his friends and family, including his mysterious older brother, Griff, who has returned to town after a year away. Gemma tries to correct the record, but her social anxiety (and a nosy reporter) gets in the way at every turn. Before she knows it, she's in too deep to backtrack. And when Beau's warm, boisterous family pulls Gemma into their orbit, she realizes how much she wants to keep them in her life. For the first time, Gemma has everything she's ever wanted: friends, big family dinners, and Griff—a boy who she can be herself around. But how can she embrace her new dream life when everything is built on a lie?

It sparkles with humor, joy and wit. London's Number One Dog-Walking Agency bounds along with the energy of a rambunctious pup and exudes the wisdom of a beloved canine with an old soul (you know the type)." BookPage The irresistibly charming memoir of a young woman who started her own business as a dog walker for London's busy, well-heeled dog lovers. A true love letter to London, dogs, and growing up. Aside from the odd biter or growler, the occasional bolter and the one dog who didn't want to walk, the canines were the easy part. They were a muddy, messy joy in all shapes, sizes and breeds, from greedy Labradors to pampered pugs and everything in between. It was the owners who were the real challenge, a giddy mix of the over-protective, the clueless, the eccentrics and the perfectionists. There is no rule book on how to navigate the obsessions of the London dog owner. A degree in human psychology would have been far preferable to any sort of animal qualification. Not that I had either. In 2006, Kate MacDougall was working a safe but dull job at the venerable auction house Sotheby's in London. After a clumsy accident nearly destroyed a precious piece of art, she quit Sotheby's and set up her own dog-walking company. Kate knew little about dogs and nothing about business, and no one thought being a professional dog walker was a good use of her university degree. Nevertheless, Kate embarked upon an entirely new and very much improvised career walking some of the city's many pampered pooches, branding her company "London's Number One Dog Walking Agency." With sharp wit, delightful observations, and plenty of canine affection, Kate reveals her unique and unconventional coming-of-age story, as told through the dogs, and the London homes and neighborhoods they inhabit. One walk at a time, she journeys from a haphazard twentysomething to a happily—and surprisingly—settled adult, with love, relationships, drama, and home ownership along the way. But, as Kate says, "It's all down to the dogs" and what they taught her about London—and life.

An Aging World

How To Keep a Secret

A Gathering of Secrets

BAD MOTHER RULE #1: NEVER, EVER, DO WHAT I DID! For seventeen-year-old Charlotte Cooper, it's too late. Despite her best efforts to finish school, tune out her angry, slightly hysterical mother, and cope with her loving but dotty grandmother, she is unexpectedly (now that's an understatement) pregnant. And don't even mention the jerk who knocked her up. Charlotte's mother, Karen, is trying to convince herself that there are worse things than becoming a grandmother at thirty-three. For instance, there's wanting to kill Charlotte for the mess she's made of her life. Between struggling to pay the bills and halfheartedly filling out questionnaires on Internet dating sites, Karen uncovers a scandalous family secret involving her own birth, and then falls back into bed with her sexy ex-husband. So much for perfect timing. In the meantime, Karen's mother, Nan, is having a wee bit of trouble with names (sometimes her own). But that doesn't keep her from retaining a few things she'd rather forget. Of course, Nan knows that everything will work out fine for Charlotte and the baby—these things usually do. Now, if only she could put the pieces of her own fragmented memory together, she might have an interesting tale or two to share. In this wickedly funny, disarmingly moving novel, three generations of mothers learn that it's the simplest mistakes that can change your life forever. With wit and wisdom, Kate Long proves that there are as many kinds of mothers as there are daughters, but the love that binds them all is what truly matters.

A princess isn't supposed to fall for an evil sorceress. But in this "bewitching and fascinating" (Tamora Pierce) retelling of "Sleeping Beauty," true love is more than a simple fairy tale. "Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity."—O: The Oprah Magazine Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind. Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. Book One of the Malice Duology
