

Kayla Itsines Fitness

Robyn Lawley is a self-confessed foodie - in addition to being an international supermodel for the likes of H & M and Ralph Lauren. When she’s not gracing the cover of Vogue or modelling swimwear or walking the runway,, she is scouring menus around the globe and cooking up a storm for her best friends in her adopted home: New York City. Robyn Lawley Eats takes its name from her popular food blog and brings together a collection of modern classics and sumptuous photography from Robyn’s travels, as well as home-grown Aussie dishes from her upbringing in Sydney. This book has been a true labour of love for our stunning and talented Robyn Lawley. Every single recipe in her new book was personally cooked, photographed, plated and eaten in Robyn’s own kitchen in New York City! A rich, cosmopolitan array of recipes for any occasion, Robyn Lawley Eats has something for all levels of cooking experience and is an inspiration to girls who just love to eat.

The Official Workout Journal for the Bigger Leaner Stronger Program Is this a bodybuilding book that can help you pack on brain-shrinking amounts of muscle in 30 days flat? No. Is it a fitness book full of dubious diet and exercise “ hacks ” and “ shortcuts ” for melting belly fat faster than a roided hornet? Absolutely not. But is it an exercise book that ’ ll show you exactly what to do in the gym to gain 25-to-35 pounds of lean muscle? Yes. And faster than you probably think possible, or your money back. The Year One Challenge for Men is a workout journal companion to the bestselling workout book for men, Bigger Leaner Stronger. This workout book contains a full year’s worth of Bigger Leaner Stronger workouts for building a full chest, wide back, powerful legs, and built arms . . . in only 3-to-5 hours of weight training per week. This workout journal also provides you with a comprehensive Bigger Leaner Stronger “ cheatsheet ” that lists and demonstrates all exercises in the program, and explains how to choose the right routine for you, how to progress in your workouts, how to make exercise substitutions, and more. It ’ s also backed by a “ No Return Necessary ” money-back guarantee, too, that works like this: if you ’ re unsatisfied with this workout journal or program for any reason, let the author know, and you ’ ll get a full refund on the spot. So, imagine . . . just 12 weeks from now . . . looking at the changes in your physique and thinking, "I did that. That's awesome. I'm awesome." And believing it. The bottom line is you can get that head-turning “ Hollywood hunk ” body without doing exhausting weightlifting workouts you hate. And this strength training program shows you how. Get your copy now, and start your journey to a bigger, leaner, and stronger you.

A revolutionary guide to acknowledging fear and developing the tools we need to build a healthy relationship with this confusing emotion—and use it as a positive force in our lives. We all feel fear. Yet we are often taught to ignore it, overcome it, push past it. But to what benefit? This is the essential question that guides Kristen Ulmer ’ s remarkable exploration of our most misunderstood emotion in The Art of Fear. Once recognized as the best extreme skier in the world (an honor she held for twelve years), Ulmer knows fear well. In this conversation-changing book, she argues that fear is not here to cause us problems—and that in fact, the only true issue we face with fear is our misguided reaction to it (not the fear itself). Rebuilding our experience with fear from the ground up, Ulmer starts by exploring why we ’ ve come to view it as a negative. From here, she unpacks fear and shows it to be just one of 10,000 voices that make up our reality, here to help us come alive alongside joy, love, and gratitude. Introducing a mindfulness tool called “ Shift, ” Ulmer teaches readers how to experience fear in a simpler, more authentic way, transforming our relationship with this emotion from that of a draining battle into one that ’ s in line with our true nature. Influenced by Ulmer ’ s own complicated relationship with fear and her over 15 years as a mindset facilitator, The Art of Fear will reconstruct the way we react to and experience fear—empowering us to easily and permanently address the underlying cause of our fear-based problems, and setting us on course to live a happier, more expansive future.

"In [this book], Tara Stiles introduces readers to ... ways to bring yoga, meditation, and healthy food into their lives"--

Tone It Up: Balanced and Beautiful

Thinner, Leaner, and Stronger Than Ever in 12 Months

A Practical Guide to the Healing Magic of Cannabis, CBD, and Mushrooms

The Rebel’s Apothecary

Reduce back pain and increase your energy at work

Why Conquering Fear Won’t Work and What to Do Instead

The Lean Machines are genuine experts in health and happiness and have helped thousands of people get lean and strong through their work as personal trainers and on their hugely popular YouTube channel. Champions of balance, moderation and individuality, their advice is sensible, accessible, and not at all intimidating - eat well, move better and feel awesome! "Our aim is to help as many people as possible get healthy and understand that getting in great shape doesn't have to be hard or depressing." Here, they share their secrets in their first book; a fun, fully illustrated guide for becoming the best version of yourself. Featuring easy nutritious recipes, as well as simple workouts, toning tips and mindfulness techniques, the boys prove that having a healthy lifestyle is achievable and fun. #leanmachines

Karena Dawn and Katrina Scott, the founders of the Tone It Up fitness and health brand, have taken the world by storm with their fun, energetic, girlfriend-to-girlfriend approach to getting fit. In their Tone It Up book, the girls' genuine, relatable philosophy is boiled down to a 28-day program that incorporates fitness routines, nutritional advice, and mental and spiritual practices to transform readers' bodies, attitudes, and lives. Dawn and Scott take a holistic approach to fitness, including the same principles in their book that make their brand so popular--a sense of community, empowerment, and lightheartedness in every healthy, feel-good technique they recommend. Dawn and Scott will help readers get: • FIT. With daily fitness challenges, workout plans, healthy-eating tips, and delicious recipes, readers will be on their way to the strong, sexy body they're after. • FIERCE. Dawn and Scott will empower readers to be their best self-motivators by aligning their minds and bodies with their intentions through visualization exercises, daily meditations, confidence-boosting tips, and dares to move outside their comfort zones. • FABULOUS. This is the fun stuff: beauty, sparkle, friendship, inspiration, joy, and all the things that give readers that unmistakable glow so they radiate from the inside out!

Understand food labels and cut through the myths, hype, and misleading information on "healthy" food choices. Make the best choices with The Real Food Grocery Guide. The Real Food Grocery Guide helps you navigate every aisle of the grocery store by clearly outlining what foods are truly the healthiest, the freshest, and the most economical—and which ones belong in the garbage rather than your grocery cart! Now you will finally know for certain whether fat-free and gluten-free are actually healthier, what hidden meanings you’re missing in food labels, and if organic vegetables and grass-fed meat are worth the extra cost. The Real Food Grocery Guide is the most comprehensive and actionable guide to grocery shopping and healthy eating available, with advice on: What to eat for health, balanced weight, and longevity How to shop to save a significant amount of time and money How to decipher food "buzz words" (like natural, grass-fed, wild, organic, gluten-free, etc.): know which to buy and which to leave on the shelf How to select the most nutritious and delicious produce, every time (no more getting home with brown avocados or tasteless melon) Why the quality of animal products such as meat, fish, eggs, and dairy is crucial—and how to choose the healthiest kinds How to store fresh food properly so it will stay fresh longer Why calorie counting is futile—and what you should look for instead to determine the healthiness of any food How to decipher what a food label is really saying How to avoid being duped by sneaky food industry claims and choose the best packaged products every time Stop guessing when you’re in the grocery store. Grab The Real Food Grocery Guide and get the real facts on what labels are telling you. No spin.

Delivering inspiration and "parenting comedy at its finest,** there is one woman's story of ditching her fairytale dreams and falling in love with her unpredictable, chaotic, imperfect life Kristina Kuzmic has made herself a household name, speaking directly to mothers from the trenches of parenthood via her viral videos and social media presence. She is now bringing her message of self-acceptance, resilience, and joy to book readers. With a refreshingly unpretentious, funny, and galvanizing voice, Kuzmic goes behind the scenes to reveal how she went from broke and defeated to unshakably grounded and brimming with thankfulness. Illuminating the hard-won wisdom from a life always spent one step behind--whether it was as a high school student new to America, a suddenly single mother to two kids, remarried and juggling two teens and a toddler, or the unexpected recipient of Oprah's attention and investment--Hold On, But Don't Hold Still is the book every mother needs to reassure her that she's not only fine just as she is, but that she already has more tools and support than she can possibly imagine. Sparkling with wit, this heartfelt memoir is like a long coffee date with a best friend, or the eleventh-hour text message that gives you just the boost you need to get through the night. *The Huffington Post A VIKING LIFE TITLE

What are you waiting for? The journey to your healthiest self can start today!

Use the power of motivation and good habits to become fitter, healthier, and stronger, for life! Bikini Body Guides (BBG) co-creator Kayla Itsines, named the world's number one fitness influencer by Forbes, shows you how to harness the power of motivation and build good habits around health and fitness. Drawing on more than 40,000 survey responses from her global online community, as well as extensive research and her experience as a trainer, Kayla addresses what stops us from following through on our health and fitness goals. In her second book, The Bikini Body Motivation & Habits Guide, Kayla explores how you can overcome those obstacles, set goals and stick to a long-term plan for better health. Inside, you'll find helpful checklists and templates, a 28-day meal plan, more than 200 simple and delicious recipes, shopping lists and a pull-out 28-day workout poster. Let global fitness phenomenon Kayla show you how YOU can stick to a plan for long-term health. "In this book, I give you the keys to achieving your goals and show you how to use motivation to create healthy habits that will stick."

Research shows that building muscle helps the body burn more calories 24/7 and that resistance training is the most effective way to torch body fat. Yet that message is still lost on many women who fear that weight lifting will make them bulky, turn their skin green, and give them Incredible Hulk muscles like their boyfriends'. Women have more options than step aerobics or running on a treadmill to shed pounds: They can weight-train in a very specific manner designed to make the most of a woman's unique physiology. Lift to Get Lean is the first beginner's guide to strength training from Women's Health that is written specifically for women by a woman. Holly Perkins is a certified strength and conditioning specialist (CSCS) who has been teaching the fat-burning secrets of weight training exclusively to women for more than 20 years. Perkins doesn't follow men's rules when it comes to building muscle. Lift to Get Lean delivers a three-step system: Technique, Movement Speed, and the Last 2 Reps Rule, which make all the difference in developing the kind of strong, lean, and sexy body women want. Perkins offers four different 90-day training programs that efficiently build functional strength along with leaner legs, stronger arms, and a sexier butt.

The Official Workout Journal for the Thinner Leaner Stronger Program Is this a workout book that can give you a lean and toned "Hollywood babe body" in 30 days flat? No. Is it a bodybuilding book full of dubious diet and exercise “ hacks ” and “ shortcuts ” for gaining lean muscle and melting belly fat faster than a sneeze in a cyclone? Absolutely not. But is it an exercise book that'll show you exactly how to eat and train to lose up to 35 pounds of fat (or more) and gain eye-catching amounts of muscle definition and strength? Yes. And faster than you probably think possible, or your money back. The Year One Challenge for Women is a workout journal companion to the bestselling fitness book for women, Thinner Leaner Stronger. This workout book contains a full year’s worth of Thinner Leaner Stronger workouts for getting lean, sexy curves and muscle definition in all of the right places on your body . . . in only 3-to-5 hours of resistance training per week. This workout journal also provides you with a comprehensive Thinner Leaner Stronger “cheatsheet” that lists and demonstrates all exercises in the program, and explains how to choose the right routine for you, how to progress in your workouts, how to make exercise substitutions, and more. It's backed by a “No Return Necessary” money-back guarantee, too, that works like this: if you're unsatisfied with this workout journal or program for any reason, let the author know, and you'll get a full refund on the spot. So, imagine . . . just 12 weeks from now . . . looking at the changes in your physique and thinking, "I did that. That's awesome. I'm awesome." And believing it. The bottom line is you can get that beautiful “beach-ready” body without doing exhausting strength training workouts you hate. And this exercise book shows you how. Get your copy now, and start your journey to a fitter, leaner, and stronger you.

Lose weight--and keep it off--in a New York minute! When supermodel Heidi Klum needed to get into tip-top shape for the Victorias Secret fashion show--just eight weeks after giving birth to her second child--she turned to a miracle worker, celebrity fitness trainer David Kirsch, and his Ultimate New York Diet. But you dont have to be a celebrity--or a New Yorker--to reap the benefits of this fresh approach to a healthy, fit lifestyle. All you need is the desire to take control of your eating and your body and the willingness to change your life for the better. Once you take that first step to a new, improved you, theres no limit to how fabulous you can look and feel! The Ultimate New York Diet provides the tools to slim down safely in record time: A diet thats broken into three phases over the course of eight weeks, so you can see results fast and be inspired to stay on track Advice on how to make healthy choices at all types of restaurants, allowing you to eat out every night 64 quick, easy-to-prepare recipes for healthy, satisfying meals Ten-minute workouts you can do anywhere--from your cubicle to a taxi cab--that will leave you feeling exhilarated and more focused David Kirsch, author of the wildly popular The Ultimate New York Body Plan, has written this book for the needs of people with busy, multitasking lives--people who want to be on top of their game when it comes to their careers and their bodies. This is not just a diet; its a life transformation. After completing The Ultimate New York Diet, your attitude toward food, exercise, and wellness will be forever changed and you'll finally have the key to a fit and fabulous body.

So you finished my 12 week guide! Give yourself a massive congratulations and pat on the back. It's a huge accomplishment, and no doubt you are feeling a big change in your overall health, mindset, and confidence. As you know by now, my program is not a "diet", but a lifestyle. With my 2.0 guide, I've created another 12 weeks to help you continue your healthy lifestyle. Inside you will find 12 weeks of higher challenge workouts, a full glossary section detailing new exercises, as well as a guide to foam rolling, and new resistance exercises. The 2.0 guide helps you take your healthy lifestyle to the next level, and is the best way to continue reaching your fitness goals!

In this, the third volume of an interdisciplinary history of the United States since the Civil War, Sean Dennis Cashman provides a comprehensive review of politics and economics from the lawdry affluence of the 1920s through the searing tragedy of the Great Depression to the achievements of the New Deal in providing millions with relief, job opportunities, and hope before America was poised for its ascent to globalism on the eve of World War II. The book concludes with an account of the sliding path to war as Europe and Asia became prey to the ambitions of Hitler and military opportunists in Japan. The book also surveys the creative achievements of America's lost generation of artists, writers, and intellectuals; continuing innovations in transportation and communications wrought by automobiles and airplanes, radio and motion pictures; the experiences of black Americans, labor, and America's different classes and ethnic groups; and the tragicomedy of national prohibition. The cast of characters includes FDR, the New Dealers, Eleanor Roosevelt, George W. Norris, William E. Borah, Huey Long, Henry Ford, Clarence Darrow, Ernest Hemingway, Scott Fitzgerald, W.E.B. DuBois, A. Philip Randolph, Orson Welles, Wendell Willkie, and the stars of radio and the silver screen. The first book in this series, America in the Gilded Age, is now accounted a classic for historiographical synthesis and stylistic polish. America in the Age of the Titans, covering the Progressive Era and World War I, and America in the Twenties and Thirties reveal the author's unerring grasp of various primary and secondary sources and his emphasis upon structures, individuals, and anecdotes about them. The book is lavishly illustrated with various prints, photographs, and reproductions from the Library of Congress, the Museum of Modern Art, and the Whitney Museum of American Art.

The body transformation phenomenon and #1 Instagram sensation's first healthy eating and lifestyle book! "Women, particularly those younger than 30, can't get enough of her. A practical guide to show you small, simple, varied and doable ways to move more so that your body is less stiff, stronger, more energized and feels good. It focuses on movements you can easily do throughout the day - whether in the office or at home. Most of us sit still for the majority of the day at our desks, not to mention hours binge watching Netflix. No self-respecting cat gets up without stretching, but humans have forgotten this need for regular movement. Back ache, migraines, RSI and even digestion issues can be aggravated by sitting still for too long. Move More At Your Desk shows you how to improve your sitting posture, strengthen, stretch and improve flexibility, to counter the issues caused by too little movement. Illustrated throughout, the book is divided into 5 sections presenting movement snacks you can choose throughout your day: Neck and shoulders * Moving your spine * Legs and hips * Hands and wrists * Breathing. Each section provides exercises, tips and tricks targeting areas that are badly affected by stiffness and pain. Build new habits, learn how to move just a bit more each day, and within four weeks aches and pains will be gone, you will feel more energized, positive and alive at work. Move More At Your Deskwill give you everything you need to improve your overall health, posture and core strength.

Eat more, exercise less, and lose fat Personal trainer and Instagram sensation Joe Wicks (@thebodycoach) has helped thousands around the world lose fat and transform their bodies with his nutritious, quick-to-prepare meals—ready in just fifteen minutes and made from easy to find ingredients. In Body By Simone, Simone De La Rue, featured trainer on "Revenge Body with Khloe Kardashian", shares her fitness secrets and teaches women how to achieve an A-list body using her fun and unique strength training and cardio workouts. Considered the "next Tracy Anderson," Simone De La Rue has created a total body workout—a unique fusion of Pilates, bar method, strength training, and cardio dance moves—for women looking to lose weight, tone up, change up their routine, lose baby weight, or exercise while recovering from an injury. Her workouts are fast-paced, fun, and targeted for the muscle groups women most want to tone: arms, abs, glutes, and thighs. Filled with nearly 200 gorgeous color photos, Body By Simone features Simone's eight-week plan that incorporates her dance-based cardio workouts and signature strength training moves. Here are workouts for all levels—beginning, intermediate, and advanced—and a self-assessment test to choose the right plan for you. Simone offers a breakdown for each week and a schedule for each day, including an overview of the week's goals and challenges. Each week builds on the next to keep you challenged and engaged, and see the results you want. To boost weight loss and metabolism as well as naturally detox the body, Simone also provides a 7-day kick-start cleanse complete with recipes for simple meals, juices, and smoothies.

The new healthy eating and lifestyle book from the inspirational and widely followed personal trainer, Kayla Itsines.

Learn how to improve your health and wellness with the healing magic of cannabis, CBD and medicinal mushrooms. When health coach and wellness blogger Jenny Sansouci learned that her father was diagnosed with stage 4 pancreatic cancer, her extensive knowledge of the latest alternative therapies was put to the test. Jenny dove into the world of cannabis and mushrooms and their medicinal properties - and she and her dad are now outspoken champions of the healing power of these plants and fungi - not only to tame the side effects of chemotherapy, but to address everyday wellness concerns. The Rebel's Apothecary is the result of her heartfelt and rigorous quest -- a science-based and supportive guide that will enhance the lives of anyone living with pain, anxiety, depression, a weakened immune system, insomnia, and more. Complete with background information, dosing instructions, and everyday recipes, this is the essential handbook for harnessing the ancient healing powers of cannabis and mushrooms --safely, without confusion, fear, or an unwanted high. In addition to debunking myths and de-stigmatizing these powerful healing plants and fungi, The Rebel's Apothecary presents: • Specific protocols and dosage guides for wellness uses (mood, sleep, immunity, focus, energy) and managing common chemotherapy side effects • Everyday wellness routines • Recipes for delicious, easy, health-enhancing cannabis and mushroom infused smoothies, coffee drinks, teas, elixirs, gummies, and broths - including recipes from chefs and wellness experts like Dr. Andrew Weil, Kris Carr, Seamus Mullen, Marco Canora and more • The latest research on CBD, THC, medicinal mushrooms and psilocybin • Tips for creating a cutting-edge home apothecary of your own

THE LAST DIET BOOK YOU'LL EVER NEED With so much conflicting weight-loss advice out there to confuse your efforts, it's no wonder you haven't been successful losing weight and keeping it off. But with Bob Harper, superstar trainer and co-host of NBC's hit show The Biggest Loser as your personal authority and coach, you can and will finally shed the pounds—whether you want to lose two or two hundred! Distilling Bob's vast knowledge of nutrition, weight-loss strategy, and human nature down to twenty simple, nonnegotiable principles, The Skinny Rules will help you step away from a reliance on processed foods and the need for so much sweet and salt and step into a newly thin lifestyle. And Bob's methods couldn't be more straightforward. Taking the guesswork out of implementing the Skinny Rules, Bob offers a month's worth of menu plans and more than 90 delicious, rule-abiding recipes for breakfast, lunch, dinner, and snacks to keep you cooking and eating skinny for life. You'll be happily astounded to see the variety and volume of the tasty food on your plate! He also includes terrific tips for what to stock in your fridge and what to prepare every weekend in order to set yourself up for success during your too-busy-to-cook weekdays. A virtual GPS to your weight-loss goals, The Skinny Rules takes the mystery out of the process, offering the fastest route to your skinny destination. LOSING WEIGHT IS NOW AS SIMPLE AS 1-2-3 . . . AND 3-15-18-20 TOO! Rule #3: Eat protein at every meal, making some kind of fish your go-to protein as often as you can. Take your weight and divide it by two—that's more or less how much protein you should be eating in grams every day. Rule #15: Eat at least ten meals a week at home (and cook them yourself). Restaurant portions are usually 40 to 50 percent bigger than what you'd serve at home—the more you eat out, the more you overeat. Set yourself up for success by preparing my turkey meatballs, hummus, and roasted vegetables on the weekend so that you will have go-to staples and no excuses! Rule #18: Go to bed slightly hungry. Denied fuel for more than five hours, your body will start burning its own fat and sugar. Make a point not to eat after dinner and you'll be burning fat while you're sleeping. Rule #20: Enjoy a splurge meal once a week. Unlike episodic bingeing, splurge meals are an ingredient in your diet. When you plan something, you are in control.

A Beginner's Guide to Fitness & Strength Training in 3 Simple Steps

Navigate the Grocery Store, Ditch Artificial and Unsafe Ingredients, Bust Nutritional Myths, and Select the Healthiest Foods Possible

This book examines the phenomenon of 'digital guru media' (DGM), the self-styled online influencers, life coaches, experts and entrepreneurs who post on the themes of wellness, health and fitness. It opens up new perspectives on digital leisure and internet celebrity culture, and asks important questions about the social, cultural and psychological implications of our contemporary relationship with digital media. Drawing on cutting-edge social theory, the book explores a wide range of contexts in which DGM intersects with digital leisure, from the health-related learning of young people to the 'clean eating' movement, to the online lives of fitness professionals. It asks if digital and social media are problematic per se and explores the problems a turn to the Internet could be revealing about the lack of real-world or analogue support, as well as potential solutions, for our wellness, health and fitness needs and wants. Bringing together innovative, multi-disciplinary perspectives, this book is fascinating reading for anybody with an interest in leisure studies, media studies, cultural studies, sociology, or health and society.

The Virtue Method

Revolutionise the way you approach fitness with yoga expert and celebrity trainer Shona Vertue - in just 28 days! 'Shona changed my perspective on yoga. Working with her made my aches and pains after playing disappear. She is the best.' - David Beckham Are you someone who has tried every fitness class out there, but nothing has ever really stuck? Or perhaps you can run a 10k but can barely touch your toes? Heard lifting weights is good, but feel lost in the gym? Keen to calm your racing mind and get the focus you need to train? Shona Vertue's 28-day reset plan will revolutionise the way you approach fitness. Her groundbreaking three-in-one method features a blend of resistance training with weights to build strength, yoga to aid flexibility and lengthen muscles, and a positive, mindful approach to exercise, combined with delicious, nourishing recipes. Get in the best shape of your life, both physically and mentally, and feel stronger, healthier and more flexible - in just 28 days. Features photos of every exercise, complete with food plan and nutritious, energising recipes.

*Ballet-inspired fitness for every woman! You don't have to be a professional ballerina to look like one! With Mary Helen Bowers' Ballet Beautiful, forget beating yourself up in the gym and suffering through starvation diets for some unattainable goal. You can achieve your ideal body and develop the strength, grace, and elegance of a dancer by following Mary Helen's proven program--one that's got everyone from celebrities to busy moms to executives raving! Ballet Beautiful is a fitness method that blends the artistry and athleticism of ballet with an easy, accessible eating plan that works for every body - and absolutely no dance experience is required. Created by professional ballerina Mary Helen Bowers, this transformative approach to fitness and health will reshape your body and your mind! Ballet Beautiful's three-fold approach is not an extreme workout nor is it a radical diet for an overnight fix; it's a roadmap to achieving and maintaining your ideal health, shape and size--all with the elegance and strength of a ballerina. Part One of the book introduces the program's empowering mindset, the key to supporting and guiding you through lasting change. Part Two, the Ballet Beautiful Method, consists of challenging, effective, and fun workouts that sculpt and tone sleek ballet muscles and build beautiful posture. Whether you have a full hour or only 15 minutes, you can tailor the program to your own schedule and needs. Part Three shares the Ballet Beautiful Lifestyle, a healthy, balanced approach to nutrition. With meal plans, shopping tips and quick but delicious daily recipes that will satisfy and nourish your entire body, it's a stress-free, diet-free plan that will help keep you feeling as strong and healthy as you look. Self-taught cook and food blogger Leah Itsines is happiest when she's preparing delicious food for the people she loves. She's on a mission to help others make healthy eating an easy lifestyle choice by promoting creativity and confidence in the kitchen. With over 100 colourful recipes that are close to Leah's heart, The Nourishing Cook will inspire you to have a go and learn for yourself just how effortless it is to create nutritious meals that everyone will want to eat. You'll discover: *A clear approach to nutrition for every meal. *How to love making simple, yummy food by going back to cooking basics. *Leah's tips for food shopping, setting up her kitchen and her all-time favourite staples. *How to boost your energy and reset your body with her 've tailored 'days on a plate'. Leah's passion for healthy, wholesome food shines through on every page, and the key ingredient here is balance - if you enjoy a varied diet that is flexible and full of wholefoods, you needn't deprive yourself of anything! This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.*

Use the power of motivation and good habits to become fitter, healthier and stronger, for life! Bikini Body Guides (BBG) co-creator Kayla Itsines, named the world's number one fitness influencer by Forbes, shows you how to harness the power of motivation and build good habits around health and fitness. Drawing on more than 40,000 survey responses from her global online community, as well as extensive research and her experience as a trainer, Kayla addresses what stops us from following through on our health and fitness goals. In her second book, The Bikini Body Motivation & Habits Guide, Kayla explores how you can overcome those obstacles, set goals and stick to a long-term plan for better health. Inside, you'll find helpful checklists and templates, a 28-day meal plan, more than 200 simple and delicious recipes, shopping lists and a pull-out 28-day workout poster. Let global fitness phenomenon Kayla show you how YOU can stick to a plan for long-term health. 'In this book, I give you the keys to achieving your goals and show you how to use motivation to create healthy habits that will stick.'
