"When Travis discovers an abandoned baby skunk, he can't help but bring it home and take care of it. Stinky, as Travis names him, settles in pretty well. But when Travis discovers Stinky's litter-mate, Winky, who is in need of some help, things get complicated around the Tate house"--

For Kelly Corrigan, family is everything. At thirty-six, she had a marriage that worked, two funny, active kids, and a weekly newspaper column. But even as a thriving adult, Kelly still saw herself as the daughter of garrulous Irish-American charmer George Corrigan. She was living deep within what she calls the Middle Place--"that sliver of time when parenthood and childhood overlap"--comfortably wedged between her adult duties and her parents' care. But Kelly is abruptly shoved in to hear. When George, too, learns that he has late-stage cancer, it is Kelly's turn to take care of the man who had always taken care of her--and to show us a woman who finally takes the leap and grows up. Kelly Corrigan is a natural-born storyteller, a gift you quickly recognize as her father's legacy, and her stories are rich with everyday details. She captures the beat of an ordinary life and the tender, sometimes fractious moments that bind families together. Rueful and honest, dance on the coffee table at your party. Funny yet heart-wrenching, The Middle Place is about being a parent and a child at the same time. It is about the special double-vision you get when you are standing with one foot in each place. It is about the family you make and the family you came from--and locating, navigating, and finally celebrating the place where they meet. It is about reaching for life with both hands--and finding it.

THE INTERNATIONAL BESTSELLING SERIES THAT PUT LOVE & LAUGHTER INTO THE HEARTS OF READERS WORLDWIDE! What happens when one of the notorious town matchmakers gets the tables turned on her? As the long-time mayor of quaint little Redwood Ridge, Oregon, what Marie Sedgwick is most proud of is how she and her two sisters have been able to help patrons find their perfect match. Sure, townsfolk call them The Battleaxes, and yeah, she and her sisters do tend to meddle. Yet, nothing is more important than true love. It's something that slipped between her fingers once, and she's regretted it ever since. And though she's been trying to avoid him, it suddenly seems this holiday season, she's the one with a Cupid target on her back. After all his adventures, Preston Masterson has finally returned to the place he always thought of as home with two goals. One, to transform the old Freemont Mansion into a charming Inn by Christmas. And two, to win back the heart of the woman he was stupid enough to let get away in his misspent youth. But nothing is going as planned. Remodeling has hit one snag after another, and Marie is more stubborn than he remembered. Which is saying a lot since she's quite a brilliant, gorgeous spitfire. Yet, 'tis the season, and with the help of some Redwood Ridge residents-turned-angels, perhaps he won't need mistletoe magic to pull off a miracle. Still, it wouldn't hurt...

(A Redwood Ridge Romance Book 6)

A True Story of Hope and Heroes

It's bedtime for River Rose in this brilliant debut picture book from superstar mum, Grammy Award-winner Kelly Clarkson, with beautiful illustrations by Laura Hughes.

Georgia artist Mattie Lou O'Kelley compellingly captured the comfort, security, companionship, and nurturing love provided by close family relationships in her 24 "Moving" pictures, which she created in 1987 - 1989 to illustrate her children's book, Moving to Town. The strong, recurring, autobiographical aspects of these paintings suggest that the facts of the artist's life are integral to her works. O'Kelley's words and pictures tell the tale of a family who abandon their farm for life in the city, then return to their country home less than a year later.

In the beloved tradition of Robert Munsch's Love You Forever and Emily Winfield Martin's The Wonderful Things You Will Be comes a beautiful rhyming ode to babies from a New York Times bestselling author/illustrator duo—perfect for baby showers, first birthdays, and anytime babies are celebrated. In this unforgettable, squeal-filled, tear-inducing love song to babies and how quickly they grow up, author Kelly DiPuccio's heart-tugging rhyme meets the gorgeous, dimple-cheeked, multicultural babies of illustrator AG Ford. With adorable scenes from the busy life of a "little"—peekaboo, feedings, tantrums, giggles—and a final scene that reminds us how they become big kids all too soon, this is the ideal gift for any new parent and their child. ☐ "a warmhearted celebration of early childhood"—Publishers Weekly, starred review A Bank Street College of Education 2018 Best Children's Book of the Year A Carnegie Library Best Book for Babies, 2018 "There's plenty of room on the shelf for this celebration of the similarities and connections among all our adorable littles."—Kirkus "will likely become the go-to baby shower gift."—School Library Journal "this tender picture book will surely resonate with the parents and families of newborns."—Booklist "Expectant families, especially those with soon-to-be older siblings, may enjoy using this sunny preview of life with the new baby to build and revel in the anticipation and excitement."—Horn Book "Have the tissues on hand for this incredibly sweet read that's equally enjoyable for parents and kids."—ReadBrightly.com
