Introducing Claudia Lin: a sharp-witted amateur sleuth for the 21st century. This debut novel follows Claudia as she verifies

Serial Crime provides a theoretical and practical foundation for understanding the motivation and dynamics in a range of

serial offenses . It successfully connects concepts and creates links to criminal behavior across crimes—murder, sexual assault, and arson—something no other book available does. The connection of serial behavior to profiling, the most useful tool in

discovering behavior patterns, is new to the body of literature available and serves to examine the ideal manner in which profiling can be used in conjunction with psychology to positively affect criminal investigations. The book includes case examples that offer real-

Boys Love Manga and Beyond looks at a range of literary, artistic and other cultural products that celebrate the beauty of

Get Free Killing Stalking 4

adolescent boys and young men. In Japan, depiction of the “ beautiful boy ” has long been a romantic and sexualized trope for both sexes and commands a high degree of cultural visibility today across a range of genres from pop music to animation. In recent

Get Free Killing Stalking 4

decades, “ Boys Love ” (or simply BL) has emerged as a mainstream genre in manga, anime, and games for girls and young women. This genre was first developed in Japan in the early 1970s by a group of female artists who went on to establish themselves as

Get Free Killing Stalking 4

major figures in Japan ' s manga industry. By the late 1970s many amateur women fans were getting involved in the BL phenomenon by creating and self-publishing homoerotic parodies of established male manga characters and popular media figures. The popularity

Get Free Killing Stalking 4

of these fan-made products, sold and circulated at huge conventions, has led to an increase in the number of commercial titles available. Today, a wide range of products produced both by professionals and amateurs are brought together under the general rubric of

Get Free Killing Stalking 4

“ boys love, ” and are rapidly gaining an audience throughout Asia and globally. This collection provides the first comprehensive overview in English of the BL phenomenon in Japan, its history and various subgenres and introduces translations of some key Japanese scholarship not
