Kindred Jefferson Tayte Genealogical Mystery Book 5

Follow American genealogist Jefferson Tayte to the Royal Society of London in 1708 as he attempts to unravel a murder, a hanging and a kidnapping. The battle against the Lankies has been won. Earth seems safe. Peacetime military? Not on your life. It's been four years since Earth threw its full military prowess against the Lanky incursion. Humanity has been yanked back from the abyss of extinction. The solar system is at peace. For now. The future for Major Andrew

Grayson of the Commonwealth Defense Corps and his wife, Halley? Flying desk duty on the front. No more nightmares of monstrous things. No more traumas to the mind and body. But when an offer comes down from above, Andrew has to make a choice: continue pushing papers into retirement, or jump right back into the fight? What's a podhead to do? The remaining Lankies may have retreated in fear, but the threat isn't over. They need to be wiped out for good before they strike again. That'll take a new offensive deployment. Aboard an Avenger warship, Andrew and the special tactics team under his command embark on the ultimate

search-and-destroy mission. This time, it'll be on Lanky turf. No big heroics. No unnecessary risks. Just a swift hit-and-run raid in the hostile Capella system. Blow the alien seed ships into oblivion and get the hell back to Earth. At least, that's the objective. But when does anything in war go according to plan?

Genealogist Jefferson Tayte wants to reunite his client with her birth mother, but uncovers a secret with tragic results.

Owning fifty-one percent of an L.A. detective agency isn't as exciting as it sounds when your partner--gorgeous though she is--won't let you solve any cases. Transplanted Aussie Kylie Kendall

Twins Alf and Chicka Hartnidge, creators of Australia's hit children's TV show The Oz Mob, hire Kylie to find out who's smuggling opals into the States inside their Kelvin Kookaburra plush toys. At risk is their deal with Lamb White Incorporated, a film company owned by charismatic evangelist Brother Owen, whose followers include A-list Hollywood celebrities. Can Kylie solve her very first case? And, more important, can she win the heart of her cool, contained business partner, Ariana Creeling? From acclaimed author Steve Robinson comes a bold new Jefferson Tayte mystery. On a foggy night in 1914, the ocean liner Empress of Ireland sank en route to England and now lies at the bottom of Canada's St Lawrence River. The disaster saw a loss of life comparable to the Titanic and the Lusitania, and yet her tragedy has been forgotten. When genealogist Jefferson Tayte is shown a locket belonging to one of the Empress's victims, a British admiral's daughter named Alice Stilwell, he must travel to England to understand the course of events that led to her death. Tayte is expert in tracking killers across centuries. In *The Lost Empress*, his unique talents draw him to one of the greatest tragedies in maritime history as he unravels the truth behind Alice's death amidst a backdrop of pre-WWI

espionage. This is the fourth book in the Jefferson Tayte mystery series but can be enjoyed as a stand-alone story. Washington, DC: Twin brothers are found drowned in a Perspex box, one gagged and strapped to a chair. It's the latest in a series of cruel and elaborate murders with two things in common: the killer has left a family history chart at each crime scene, and the victims all have a connection to genealogical sleuth Jefferson Tayte. Hoping his insight and expertise will help solve the case, the FBI summon Tayte back to the capital. But as he struggles to crack the clues, the killer strikes again—and again. Tayte is known as the best in the business, but this time he's up against a genealogical mastermind who always seems to be one step ahead. With the clock ticking and the body count rising,

A family named Monaghan takes him in, and for the first time Tom experiences what it is like to have parents and siblings who care for one another. But why has Tom been transported through time and space? And why must the grave keep yanking him back to his dreary lonely existence in Liverpool? Most of all, what does it mean that the Monaghan's son, Tully, is practically Tom's double? On Easter, 2014, Britain's best-loved vicar, the Rev. Richard Coles, led a pilgrimage to all the major historic sites of the Holy Land: from Nazareth and the Sea of Galilee in the North, via Jericho and the Jordan River, to Bethlehem and,

finally, Jerusalem. All of the pilgrims in his care were practicing Christians, except one: the writer Kevin Jackson, a diffident and sympathetic atheist intrigued by the chance to take part in this modern-day version of an ancient act of piety, and to learn some more about his old friend, the media clergyman. Coles to Jerusalem is Kevin Jackson's light-hearted diary of that pilgrimage, and a close-up portrait of Richard Coles both as priest and as man. As the journey proceeds, Coles reminisces at length about his past life as a rock star and radical gay agitator, his new life as a spiritual leader and a popular broadcaster on BBC radio and television, and the strange,

unpredictable path that led him from self-destructive debauchery to faith and vocation. With a lively supporting cast of fellow pilgrims, Coles to Jerusalem ranges among the magnificence of ancient monuments and the banalities of the guided tour, the grim political background of contemporary Israel, and the comedy of a group of idiosyncratic English folk abroad, the intensity of worship, and the lightness of banter. It will be irresistible to all admirers of Richard Coles, who has contributed a foreword, and it will be a revelation to those who have never encountered his wisdom and warmth.
