

## Kirkcaldy Links Market

Take a tour of the United Kingdom as you 've never seen it before in this fully illustrated set of county maps. Travel through England, Northern Ireland, Scotland and Wales and meet the incredible people born there, learn about its proud history, and discover ancient castles, modern feats of engineering and natural highlights while you revel in the nation 's curiosities, from the spectacular, to the quirky, to the downright strange! A fabulous introduction to Shakespeare 's Sceptre Isle, for readers young and old.

Carol McNeill explores the fascinating history of Kirkcaldy's potteries.

Fatigued by bloated big-game football and bored of a samey big cities, Daniel Gray went in search of small town Scotland and its teams. At the time when the Scottish club game is drifting towards its lowest ebb once more, Stramash singularly falls to wring its hands and address the state of the game, preferring instead to focus on Bobby Mann's waistline. Part travelogue, part history and part mistakenly spilling ketchup on the face of a small child, Stramash takes an uplifting look at the country's nether regions. Using the excuse of a match to visit places from Dumfries to Dingwall, Gray surveys Scotland's towns and teams in their present state. Stramash accomplishes the feats of visiting Dumfries without mentioning Robert Burns, being positive about Cumbernauld and linking Elgin City to Lenin. It is ae fond look at Scotland as you've never seen it before. **REVIEWS:** 'There have been previous attempts by authors to explore the off-the-beaten paths of the Scottish football landscape, but Daniel Gray's volume is in another league' - **THE SCOTSMAN** 'Truly splendid' - **ARTHUR MONTFORD** 'An excellent book about the country's smaller teams - [Stramash] captures the vague romance that still clings to these smaller Scottish clubs. It will make a must-read for every non-Old Firm football fan - and for many Rangers and Celtic supporters too' - **DAILY Record** 'As he takes in a match at each stopping-off point, Gray presents little portraits of small Scottish towns, relating histories of declining industry, radical politics and the connection between a team and its community. It's a brilliant way to rediscover Scotland' - **THE HERALD** 'A great read, because Gray doesn't write about just football, he uses football as an excuse to explore the histories of small towns in Scotland' - **THE SKINNY** 'Why do the Gers and Hoops have retail outlets in the capital? Why do buses depart for Glasgow on a Saturday morning from every corner of Scotland? Gray's book is a splendid attempt to answer these questions, and more besides - The result is sociology at its best, which is to say eminently readable - Stramash may turn out to be a memoir of the way we were, and an epitaph' - **SUNDAY HERALD** 'I defy anyone to read Stramash and not fall in love with Scottish football's blessed eccentricities all over again - Funny enough to bring on involuntary laugh out loud moments' - **THE SCOTTISH FOOTBALL BLOG**

The Silver Bough: The local festivals of Scotland

*Just the mention of St. Andrews stirs excitement in the heart of every golfer. But to young Angus MacKay, living in the Swilken Bank Hotel, overlooking the eighteenth hole of St. Andrews Old Course was not particularly awe inducing. But it was, an adventure. Dont Call Me Angus is a mixture of fiction and memoir that recounts the story of a Scottish family during the 1960s and 1970s. In this pleasant and amusing collection of tales, author Gus Mackenzie writes of the emotions and moderate dramas generated by years of telling and retelling family tales. With beautifully descriptive narratives tinged with an ever-present humorous wink and a nod, the adventures begin with the MacKay family; Angus, the youngest son, his brother, sister, parents, and assorted relatives who live in and manage the Swilken Bank Hotel. Despite encounters with Bing Crosby, Sean Connery, Tony Jacklin, and Christopher Lee, Anguss real adventures stemmed from the fire in room 9 and eventful trips to his grandmothers house in Kirkcaldy. Layered with light hearted insight, Angus delves into the posh and unique life of the family Mackay as they live in the shadow of the iconic St. Andrews.*

*There are beautiful unique areas of Scotland that are not on the common trodden tracks; a visit to the more remote parts of Scotland will reveal many secret attractions and offer you many pleasant surprises. The antiquity of many of the towns and villages in Scotland, with their quaint stone and thatch cottages and narrow cobbled roads bordered by exquisitely packed stone walls look as though they have been there forever.*

*This is the ideal guide to the whole route, so rich in history and natural beauty. Designed to be used by walkers on the Path or visitors to any point along it, it introduces a wealth of castles, churches, harbors, monuments and red-roofed houses. Hamish Brown gives practical advice on all aspects of walking the Path, whether you are making a seven-day trip along its whole length or walking a short section on a Sunday afternoon. Revising his earlier guide to the route, he explores every part of the Fife coast, including the famous Forth bridges, the charming East Neuk fishing villages of Pittenweem, Elie and St Monans, as well as Anstruther, Crail and St Andrews. Along the way he provides a mass of fascinating information about people and places that can be read for pleasure and kept as the souvenir of a unique and unforgettable*

*At just six years old Tom Wilson fell prey to a predator of the worst sort. David Murphy was supposed to be his carer, instead he lifted his victims from their beds in the dead of night, and Tom was powerless to stop it. Tom endured years of horrific abuse which led to years of silence and self-torture. He grew up to be a troubled man, stumbling through care homes, schools, borstal and eventually prison. The damage that was done to him in those early years had destroyed his life. Then, one day, Tom read a newspaper article which unlocked the terrible memories he'd kept hidden for over forty tormented years. And a painful battle for justice began...*

*In the Scottish Highlands an enigmatic billionaire and private investor masterminds a perfect crime - the theft of The Royal Orb. Two hundred years ago a Duke and his friend hid this precious object from a King. Recently discovered, its public display in a museum gives the man known as Pakhan a chance to take it for himself. In Edinburgh, Ken Lacey is a fine art expert and former military intelligence officer who works with the police to prevent illegal trade in rare and expensive artefacts, and their counterfeits. When Pakhan's thieves steal the Royal Orb, Ken's nephew Rob and best friend Alex stumble across its temporary hiding place and are kidnapped. The only person who can help them stay alive is a double agent working under deep cover for the Italian Guardia di Finanza. In Venice, six months later, a cache of Jacobite Gold appears on the open market and Ken is back on Pakhan's trail. Pakhan plans to buy the treasure legitimately and Ken's brief is to attend the auction then follow the money to lure Pakhan into the open. Ken doesn't believe the plan will work and changes the mission. If he fails, his bold stunt will cost Ken not only his job but his life.*

*A complementary volume to Old Dysart and East Kirkcaldy, this book includes pictures of the harbour, Esplanade, High Street, Links Market, Raith Rovers, de Havilland plane production in McIntosh's furniture factory, Seafield, plus lots of other interesting features of this part of town. The pictures are brought to life by Eric Eunson's usual fulsome captions Oliver and Boyd's Edinburgh Almanac and National Repository ...*

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

This new edition of *The Life of Adam Smith* remains the only book to give a full account of Smith's life whilst also placing his work into the context of his life and times. Updated to include new scholarship which has recently come to light, this full-scale biography of Adam Smith examines the personality, career, and social and intellectual circumstances of the Scottish moral philosopher regarded as the

founder of scientific economics, whose legacy of thought - most notably about the free market and the role of the state - concerns us all. Ian Simpson Ross draws on correspondence, archival documents, the reports of contemporaries, and the record of Smith's publications to fashion a lively account of Adam Smith as a man of letters, moralist, historian, and critic, as well as an economist. Supported with full scholarly apparatus for students and academics, the book also offers 20 halftone illustrations representing Smith and the world in which he lived.

## A Companion Guide

### The Life of Adam Smith

The Rough Guide to Scotland is the ultimate travel guide to this beguiling and beautiful country, with clear maps and detailed coverage of all of Scotland's attractions, from the world-class cities of Edinburgh and Glasgow to its many islands. Written in Rough Guides' trademark honest and informative style, The Rough Guide to Scotland features detailed practical advice on what to see and do and how to get about, plus up-to-date reviews of the best hotels, pubs, shops and restaurants. This guide covers everything from traditional village pubs to puffin-spotting on Shetland, plus, of course, a few tips on whisky tasting, with features on Scotland's legendary festivals and its culinary traditions. Whatever your budget, The Rough Guide to Scotland will help you make the most of your time in Scotland.

### Kirkcaldy Links Market

Here is the ideal introduction to Scotland for everyone. In this informative and amusing portrait, Professor MacGregor recounts the history and origins of golf, kilts, bagpipes, and other distinctly Scottish associations, revealing a Scotland lesser known--the rugged and romantic land that retains much of its own ancient tradition and culture.

## Picturesque Towns and Villages of Scotland

With several thousand miles of coastline and nearly 800 islands, Scotland has the most diverse coast of the United Kingdom. From the wild waters around Cape Wrath to the serene beaches of the Silver Sands of Morar, via one of the world's largest whirlpools at Corryvreckan, this new book journeys around the varied shorelines of Scotland to complete the most comprehensive survey ever taken. Stuart Fisher, bestselling author of the similarly comprehensive Canals of Britain, visits all the places of interest along the entire coastline of Scotland: from rugged countryside edging the Highlands to modern cities, via firths and sea lochs, exploring history and heritage, striking architecture and dramatic engineering, wildlife, wonderful flora and fauna, art and literature. His journey takes him from industrial hubs to small villages and fishing communities, providing a keen insight into what makes each stretch of Scotland's shoreline unique and special. Evocative and often dramatic colour photographs help capture the great variety of the coast, and maps, book covers, stamps and local artefacts help convey the character of each area. This comprehensive and absorbing survey is a treasure trove of interest and knowledge for walkers, cyclists, boaters, holidaymakers and indeed anyone with

an interest in coastal Scotland.

Five gritty thrillers in one volume following a police detective and his team in a coastal Scottish town. Included in this five-book set by the bestselling crime novelist: *Robbing The Dead* In a small Scottish university town, what links a spate of horrific murders, an explosion, and a lecturer's disappearance? And what does something that happened over forty years ago have to do with it? *Care to Die* Struggling with his demotion back to DI and his concern for grieving DS Andrea Fletcher, Jim Carruthers is thrown in at the deep end when an old man is found stabbed to death in a nature reserve, a ball of cloth rammed into his throat. The only suspect is a fifteen-year-old neighbour known to the police. But the teenager has an alibi . . . *Mark of the Devil* While Carruthers and team are busy investigating a series of art thefts, they receive an anonymous tip about a body on a deserted beach. The bizarre clues to her identity—and what might have happened to her—include a strange tattoo, a set of binoculars, and a slab of meat left on the cliffs . . . *Dark is The Day* Carruthers must put his feelings for DCI Sandra McTavish aside when a young student is brutally attacked and left for dead. At the same, Carruthers' ex-wife is being stalked by one of her own students. Now he must determine whether the attacker and stalker one and the same. *In Deep Water* When a local fisherman goes missing, DCI McTavish assumes it's just a tragic accident. But things don't add up for Carruthers—the man didn't normally take his boat out at night. Has he taken his own life, or has something more sinister taken place?

Completely revised and updated, a new edition of the definitive reference book on all things Scottish. Since its first publication in 1994, *The Collins Encyclopaedia of Scotland* has established itself as the unrivalled reference book on the subject. Containing over a million words and five thousand entries, it covers every aspect of Scotland's past, her people, arts, industries, environment and continuing traditions. For this new, completely updated and revised edition, the editors have included over a thousand additions to existing entries and over a hundred completely new entries, from Billy Bremner to Dolly the Sheep, from John Smith to the new Scottish Parliament. Matching accessibility with scholarship, *The Collins Encyclopaedia of Scotland* has become the standard source for Scottish nationals, for Scots worldwide, and for anyone with an interest in Scotland.

*Peter Ross's weekly articles from around Scotland have been a sterling attraction for the readers of Scotland on Sunday for years. A selection of the best are collected here, for the first time. Each a gem*

of insight and wit, they provide a piece-by-piece portrait of a nation as it changes. Always with his eye on the individual, Peter Ross presents some of the less well known aspects of the country, including the latex-clad patrons of a fetish club, as well Daunderlust is an exotic mix indeed, Scotland as she really is, a hopeful country not without problems and pain, but a nation made great by the people who live, love, laugh and graft there. From anatomists who find dissection beautiful to chip-shop owners who sing arias while serving fish suppers, the Scots in these pages come over as eccentric, humorous, moving and extraordinary. as a new look at some of the more familiar, such as the painters of the Forth Rail Bridge. It is a look from the inside, one you are likely to recognise although one you will not have read about before, not in quite this way.

The Silver Bough is an indispensable treasury of Scottish culture, universally acknowledged as a classic of literature. The author, F Marian McNeill, succeeded in capturing and bringing to life many traditions and customs of old before they died out or were influenced by the modern era. The Silver Branch of the sacred apple tree, laden with crystal blossoms of golden fruit, is in Celtic mythology the equivalent of the Golden Bough of classical mythology - the symbolic bond between the world we know and the Otherworld. In the first volume of the Silver Bough, the author deals generally with Scottish folk-lore and folk belief, with chapters on ethnic origins, the Druids, the Celtic gods, the slow transition to Christianity, magic, the fairy faith, second sight, selkies, changelings and the witch cult. In volumes two and three she explored in some depth the foundations of many of these beliefs and rituals through the Calendar of Scottish national festivals, in which we find enshrined many of the fascinating folk customs of our ancestors. This fourth volume turns our attention to the Local Festivals of Scotland. As man makes greater and greater advances in the understanding and control of his physical environment, the river between the known and the unknown gradually changes its course, and the subjects of the simpler beliefs of former times become part of the new territory of knowledge. The Silver Bough maps out the old course of the waterway that in Celtic belief winds between here and beyond, and reveals the very roots of the Scottish people's distinctive customs and way of life. The Silver Bough is a large and important work which involved many years of research into both living and recorded lore. Its genesis lies, perhaps, in the author's subconscious need to reconcile the old primitive world she had glimpsed in childhood with the sophisticated modern world she later entered. "e;I do not believe that you can exaggerate the importance of the preservation of old ways and customs, and all those little things which bind a man to his native place. Today we live in difficult times. The steam-roller of progress is flattening out many of our old institutions, and there is a danger of a general decline in idiom and distinctive quality in our Scottish life. The only way to counteract this peril is to preserve jealously all these elder things which are bone of our bone and flesh of our flesh. For, remember, no man can face the future with courage and confidence unless it is solidly founded upon the past. And conversely, no
