is being hunted by a vicious blue-blood, and her only chance of survival lies with the notorious master of the rookeries in Whitechapel. But at what price? Her blood? Or something more? Most people avoid the dreaded Whitechapel district. For Honoria, it's the last safe haven as she hides from the Blue Blood aristocracy that rules London through power and fear. Blade rules the rookeries—no one dares cross him. It's been said he faced down the Echelon's army single handedly, that ever since being infected by the blood-craving he's been quicker, stronger, and almost immortal. When Honoria shows up at his door, his tenuous control comes close to snapping. She's so...innocent. He doesn't see her backbone of steel—or that she could be the very salvation he's been seeking.

This revised, updated edition provides a comprehensive and rigorous description of the application of Hamilton's principle to continuous media. To introduce terminology and initial concepts, it begins with what is called the first problem of the calculus of variations. For both historical and pedagogical reasons, it first discusses the application of the principle to systems of particles, including conservative and non-conservative systems and systems with constraints. The foundations of mechanics of continua are introduced in the context of inner product spaces. With this basis, the application of Hamilton's principle to the classical theories of fluid and solid mechanics are covered. Then recent developments are described, including materials with microstructure, mixtures, and continua with singular surfaces.

herself pining for the only man who has never betrayed her. The only man she wants. And the one man she cannot have. A queen's duty is never done. Alexandra's feelings for her dearest friend, Sir Gideon, have always been warm, but a stolen kiss pushed a friendship into dangerous waters. How can she explain that she has never known desire before? How can she stand to be in the same room as Gideon, without betraying her feelings? And how can she marry someone else? But there's an assassin on the loose, and while she may currently be at odds with Sir Gideon, he's the only man who can save both her wounded heart—and the future of the realm. Foreign princes and meddling dukes, bedamned.

A brilliantly creative debut where vampires, werewolves, and clockwork creatures roam the mist-shrouded streets of London... When Nowhere is Safe Most people avoid the dreaded Whitechapel district. For Honoria Todd, it's the last safe haven. But at what price? Blade is known as the master of the rookeries—no one dares cross him. It's been said he faced down the Echelon's army single-handedly, that ever since being infected by the blood-craving he's been quicker, stronger, and almost immortal. When Honoria shows up at his door, his tenuous control comes close to snapping. She's so...innocent. He doesn't see her backbone of steel—or that she could be the very salvation he's been seeking.

A Biography

Three years ago, London society changed forever, with a revolution placing the widowed Queen firmly on the throne her blue blood husband tried to take from her. Humans, verwulfen and mechs are no longer considered the lesser classes, but not everybody is happy with the new order... Entire families have gone missing in the East End. When Caleb Byrnes

receives an invitation to join the Company of Rogues as an undercover agent pledged to protect the crown, he jumps at the chance to find out who, or what, is behind the disappearances. Hunting criminals is what the darkly driven blue blood does best, and though he prefers to work alone, the opportunity is too good to resist. The problem? He's partnered with Ingrid Miller, the fiery and passionate verwulfen woman who won a private bet against him a year ago. Byrnes has a score to settle, but one stolen kiss and suddenly the killer is not the only thing Byrnes is

interested in hunting. Soon they're chasing whispered rumours of a secret project gone wrong, and a monster that just might be more dangerous than either of them combined. The only way to find out more is to go undercover among the blue blood elite... But when their hunt uncovers a mysterious conspiracy, Byrnes and Ingrid must set aside their age-old rivalry if they have any chance at surviving a treacherous plot. Plotting adventures from London, Paris, Eastern Europe, Detroit, Chicago and Las Vegas, uncovering the tunnels below the city as well as

Kiss of Steel

From London, With Love

The Ghost Bride

It ' s almost Christmas, and Emery Hazard finds himself face to face with his own personal nightmare: going on a double date with his partner—and boyhood crush—John-Henry Somerset. Hazard brings his boyfriend; Somers brings his estranged wife. Things aren ' t going to end well. When a strange call interrupts dinner, however, Hazard and his partner become witnesses to a shooting. The victims: Somers ' s father, and the daughter of a high school friend.

The crime is inexplicable. There is no apparent motive, no connection between the victims, and no explanation for how the shooter reached his targets. Determined to get answers, Hazard and Somers move forward with their investigation in spite of mounting pressure to stop. Their search for the truth draws them into a dark web of conspiracy and into an even darker tangle of twisted love and illicit desire. And as the two men come face to face with the passions and madness behind the crime, they must confront their own feelings for each other—and the hard truths that neither man is ready to accept.

Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dulllest of Londons, the one without any magic left to see. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous

can't twist around her little finger, and the one man whose kiss she can't forget... Stricken with the loupe and considered little more than a slave-without-a-collar to the blue bloods, Will wants nothing to do with the Echelon or the dangerous beauty who drives him to the very edge of control. But when he finds a coded letter on Lena—a code that matches one he saw on a fire-bombing suspect—he realizes she's in trouble. To protect her, he must seduce the truth from her. With London on the brink of revolution, Lena and Will must race against time—and an automaton army—to stop the humanist plot before it's too late. But as they fight to save a city, the greatest danger might just be to their hearts... A fresh, suspenseful paranormal romance, Bec McMaster's London Steampunk novels will appeal to fans of
