

Kitchen Sink Buying Guide

You're no idiot, of course. You know that life isn't like an old sitcom, when TV dad's like Mike Brady or Ward Cleaver always had just the right answer for Greg, Marcia, or the Beaver. But when it comes to earning the title 'World's Greatest Dad', you feel like you're always going to be more like the father from 'Married With Children' than the one from 'Father Knows Best'. Don't retire your cardigan just yet! 'The Complete Idiot's Guide to Fatherhood' answers all the questions any expecting new, or veteran father could have on topics ranging from communication and ground rules to privileges and punishment. In this 'Complete Idiot's Guide', you get: -Commonsense advice from a veteran dad on how to strike a loving but firm balance. -Practical tips on helping your spouse during pregnancy. -Useful instruction on care and handling of a newborn and a toddler. -Smart strategies for keeping your kids safe (and yourself sane) in the turbulent adolescent years.

Wine Enthusiast Magazine Essential Buying Guide

Real moms reveal the secrets to successful baby gear shopping. You've waited your whole life to get your hands on that magic baby product scanning gun. And it's brilliant fun. For the first three hours. And then it gets downright overwhelming. You know you need a crib, but what about a bassinet, a cradle, or a play yard? The stroller you love comes with a carry-cot, but can you actually carry the baby in it? Will you be able to get the green beans out of the cracks in that adorable high chair? You're a smart chick? why is this so hard? It doesn't have to be! The Baby Gizmo Buying Guide is the most comprehensive guide to baby products on the planet. Heather Maclean and Hollie Schultz, the founders of BabyGizmo.com, a product-testing and research coalition of moms, pediatricians, and child development experts, walk you through not only standard purchases like car seats and high chairs, but also new generation choices like luxury stroller systems and designer diaper bags. Amidst Heather and Hollie's real-life mom stories and confessions (yes, they tasted the toys on their babies' activity centers), you'll discover: What you really need versus what's just nice to have Which products to include (and not include) on your baby registry The best time of the year to buy certain items Which products to store in the perfectly packed diaper bag How to avoid the "bad baby product buying cycle" Even which products can make you pretty The Baby Gizmo Buying Guide will help you select the right products for your unique needs and lifestyle, so you can bask in the bliss of a perfect purchase, stroll with confidence, and know your neighbors have diaper bag envy.

The All New Illustrated Guide to Everything Sold in Hardware Stores is an updated edition of the everyone's favorite hardware shopping guide and reference book. There's nothing more frustrating than making multiple trips to the hardware store because you purchased the wrong item. Those double--or even triple--trips to the big box store are a thing of the past with The All New Illustrated Guide to Everything Sold in Hardware Stores. You'll learn the difference between drywall screws and deck screws; between faucet washers and neoprene O-rings; and between red wire nuts and blue wire nuts. And that's before we even get to understanding nail gauges and drill bit sizes! Looking through the range of products at home stores can be downright bewildering, but with this handy guide you'll know exactly what you're looking for and why. The next time you talk to a hardware store clerk, rather than asking for "screws about 2 inches long", you'll be able to ask for a #3 gauge 2-1/4-inch-long panhead screws with SAE 5/16" flat washers. The All New Illustrated Guide to Everything Sold in Hardware Stores is filled with color photos that let you see in lifesize scale what different screws and nails and washers and bolts are called, accompanied by brief descriptions of their recommended uses--so you'll be able to ask for them with accuracy and use them with precision.

A wealth of inspiring ideas for adding living space, from a modest bumpout to a new room to a full second story. Ideas and before-and-after floor plans for every type of addition, including kitchen and dining areas, family rooms, master suites, sunrooms, and bonus spaces.

Expanded-view illustrations of popular projects. Comprehensive overview of options for materials Smart advice on planning, calculating costs, and working with contractors.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world.

Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Your kitchen is where you and your family spend a great deal of time. Your kitchen is most likely the heart of your home, where meals are cooked, homework is finished, and where your family enjoys spending time together. It is often the place where friends, neighbors and family automatically gravitate, drawn by the aroma of food cooking and the warmth of the room. Your kitchen is one of the busiest rooms in your house; shouldn't it be as beautiful and functional as possible? There are many options for updating your kitchen, ranging from easily accomplished, bare-bones budget plans, to a full kitchen remodel. With a full remodel, you can do a nice job with a relatively small budget or go for a complete luxury kitchen remodel.

When we are interested in doing something, such as a home improvement project, there are many of us who are unsure what we should do, if we should even do anything at all. When it comes to deciding on a plan or a course of action, many individuals make the decision to focus on the good and the bad of the situation, this is most commonly referred to as the pros and the cons. If you are thinking about remodeling your kitchen, you may be wondering what the plus side of doing so is, otherwise know as the pros. Well, if you are interested in remodeling your kitchen, you are in luck. There are an unlimited number of ways that you can benefit from having your kitchen remodeled.
