By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.

A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world . . . ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America . . . MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe . . . All three kids go on harrowing

journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home. Nora Helmer is a dutiful young wife and mother of three children whose attempt to secure her family's future may ultimately lead to its destruction. Ibsen's play explores female identity and independence in a male dominated society. The Helmer family consists of Torvald and Nora, as well as three children: Ivar, Bobby and Emmy. From the outside, they appear to live a happy and idyllic life. Yet, a secret from Nora's past threatens to destroy everything she loves. One of Torvald's employees blackmails Nora, hoping she can influence her husband in the workplace. When she doesn't succeed, Torvald is informed of her misdeeds. This leads to a life-changing confrontation that forces Nora to reevaluate her marriage and desire for a family. A Doll's House a one of Ibsen's most forward-thinking plays. It was deemed scandalous for its depiction of a wife who prioritizes her own well-being over others. It's an insightful examination of how gender roles dominated nineteenth century Europe. With an eye-catching new cover, and professionally typeset manuscript, this edition of A Doll's House is both modern and readable.

Jani Confidential

**Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class, sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.**

A storyteller beyond compare, she shares her remarkable story--from her adoption, her controlling mother, and the fallout of two broken marriages to the fabulous brittle creature that the tabloids tore to shreds, devoured, and then spat out.**

Among evidence-based therapies for children and adolescents with oppositional, aggressive, and antisocial behavior, parent management training (PMT) is without peer; no other treatment for children has been as thoroughly investigated and as widely applied. Here, Alan E. Kazdin brings together the conceptual and empirical bases underlying PMT with discussions of background, principles, and concepts, supplemented with concrete examples of the ways therapists should interact with parents and children. The second half of the book is a PMT treatment manual. The manual details the particulars of the therapy: what is done to and by

whom, what the therapist should say, and what to expect at each stage of treatment. It also contains handouts, charts, and aides for parents. A companion website ([www.oup.com/us/pmt](http://www.oup.com/us/pmt)) provides additional resources for clinicians.

A new book from Benj Pasek and Justin Paul, the award-winning songwriters of the hit Broadway show Dear Evan Hansen. When Benj Pasek and Justin Paul set out to write a pivotal song for Dear Evan Hansen, a musical they had been working on for years, they knew

it had to be big and emotional and genuine. So they tapped into their main character's loneliness and allowed him to sing his way out of it. The result was "You Will Be Found," a song that sets in motion a moment that goes viral in the world of the show and in turn helps Evan find connection. And then something happened in the world outside the show: Fans loved the song. It connected. It went viral. People who had never even seen Dear Evan Hansen found the song, and found comfort in its message of hope. This beautifully illustrated edition of the "You Will Be Found" lyrics is for them, and for anyone on the edge of a new chapter in life. It serves as a reminder to anyone who feels lost or uncertain that, as the song says, you are not alone.

(Guitar Sheet). Solo guitar sheet music for the popular song by composer Yiruma.
