

Klezmer And Sephardic Tunes 33 Traditional Pieces For Accordion With A Cd Of Performances

A beautiful variety of traditional Jewish melodies arranged for classical or fingerstyle guitar. 20 solos and 6 duets. Sephardic, Yiddish, Israeli and Oriental folk songs, as well as Chassidic tunes, Klezmer tunes and music originally sung by Cantors. Intermediate and advanced level, with a few pieces included that can be enjoyed also by less experienced players. Annotations and Performance Notes for each piece, providing historical and/or cultural perspective as well as technical guidance. An Appendix (with Glossary) discusses in considerable detail Jewish scales and modes. A Bibliography and Discography are provided for those who would like to learn more about these beautiful and enduring musical traditions. Praised by Steve Marsh of Classical Guitar magazine and by Judith Pinnolis of Brandeis University and Jewish Music Web Center among others.

The piano accordion experienced a roller coaster ride of popularity--rise to fame on the airwaves, stage and silver screen, then a deathly decline, followed by a pop culture resurgence. Squeeze This! rolls out a history of the squeezebox with the first book-length study of its fascinating role in twentieth-century American music and culture. Focusing on key moments of transition, ethnomusicologist and accordion enthusiast Marion Jacobson shows how the instrument came to be celebrated by ethnic musical communities and mainstream fans alike. She also explores the accordion's rebirth in contemporary music, from the parodies of "Weird Al" Yankovic to geek rock legends They Might Be Giants to accordion-wielding superstars like Bruce Springsteen and Sheryl Crow. Loaded with images of gorgeous instruments, virtuoso performers, and rabid fans, Squeeze This! presents the untold story of America's rich accordion culture.

A global history of Jewish music from the biblical era to the present day, with chapters by leading international scholars.

Even the most pious Jew need not shed so many tears over the destruction of Jerusalem as the women were in the habit of shedding when Stempenyu was playing. The first work of

Sholom Aleichem's to be translated into English—this long out-of-print translation is the only one ever done under Aleichem's personal supervision—Stempenyu is a prime example of the author's hallmark traits: his antic and often sardonic sense of humor, his whip-smart dialogue, his workaday mysticism, and his historic documentation of shtetl life. Held recently by scholars to be the story that inspired Marc Chagall's "Fiddler on the Roof" painting (which in turn inspired the play that was subsequently based on Aleichem's Tevye stories, not this novella), Stempenyu is the hysterical story of a young village girl who falls for a wildly popular klezmer fiddler—a character based upon an actual Yiddish musician whose fame set off a kind of pop hysteria in the shtetl. Thus the story, in this contemporaneous "authorized" translation, is a wonderful introduction to Aleichem's work as he wanted it read, not to mention to the unique palaver of a nineteenth-century Yiddish rock star.

An Annotated Bibliography of Sources in German

The 2012 American Jewish Year Book, "The Annual Record of American Jewish Civilization," contains major chapters on Jewish secularism (Barry Kosmin and Ariela Keysar), Canadian Jewry (Morton Weinfeld, David Koffman, and Randal Schnoor), national affairs (Ethan Felson), Jewish communal affairs (Lawrence Grossman), Jewish population in the United States (Ira Sheskin and Arnold Dashefsky), and World Jewish population (Sergio DellaPergola). These chapters provide insight into major trends in the North American and world Jewish community. The volume also acts as a resource for the American Jewish community and for academics studying that community by supplying obituaries and lists of Jewish Federations, Jewish Community Centers, national Jewish organizations, Jewish overnight camps, Jewish museums, Holocaust museums, local and national Jewish periodicals, Jewish honorees, major recent events in the American Jewish community, and academic journals, articles, websites, and books. The volume should prove useful to social scientists and historians of the American Jewish community, Jewish communal workers, the press, and others interested in American and Canadian Jews.

On May 4-6, 2011 in cooperation with historians from Hungary and Israel, the Balassi Institute organized a conference entitled "Between Minority and Majority" on the history of the Hungarian and Jewish diaspora and the shifting meanings of

notions of Hungarian and Jewish identity. The conference had the support of Deputy Prime Minister Tibor Navracsis and József Pálinkás, the president of the Hungarian Academy of Sciences. Aliza bin Noun, at the time the Israeli ambassador to Hungary, gave an opening speech. An exhibition of a selection of the pictures of photographer Doron Ritter was also held in connection with the conference. The exhibition, which was entitled From the Old Country to the New Home - Hungarian Speaking Jews in Israel, was held again in October the same year, in Zagreb, Croatia. This book contains essays based on the presentations given at the conference. CONTENT Preface (Pál Hatos - Attila Novák) - 7 Levente Salat The Notion of Political Community in View of Majority-Minority Relations - 9 Tamás Turán Two Peoples, Seventy Nations: Parallels of National Destiny in Hungarian Intellectual History and Ancient Jewish Thought - 44 Viktória Bányai The Hebrew Language as a Means of Forging National Unity: Ideologies Related to the Hebrew Language at the Beginning of the 19th and the 20th Centuries - 74 Victor Karády Education and the Modern Jewish Experience in Central Europe - 86 Raphael Vago Israel-Diaspora Relations: Mutual Images, Expectation, Frustrations - 100 Szabolcs Szita A Few Questions Regarding the Return of Hungarian Deportees: the Example of the Mauthausen Concentration Camp - 111 Judit Frigyesi Is there Such a Thing as Hungarian-Jewish Music? - 122 Guy Miron Exile, Diaspora and the Promised Land - Jewish Future Images in Nazi Dominated Europe - 147 Tamás Gusztáv Filep Hungarian Jews of Upper Hungary in Hungarian Public Life in Czechoslovakia (1918/19-1938) - 167 Attila Gidó From Hungarian to Jew: Debates Concerning the Future of the Jewry of Transylvania in the 1920s - 185 Balázs Ablonczy Curse and Supplications: Letters to Prime Minister Pál Teleki following the Enactment of the Second Anti-Jewish Law - 200 Attila Novák In Whose Interests? Jewish Folklore and Ethnology Review

The Oxford Handbook of Jewish Studies

Two decades after the fall of communism in Eastern Europe and one decade into the twenty-first century, European music remains one of the most powerful forces for shaping nationalism. Using intensive fieldwork throughout Europe -- from participation in alpine foot pilgrimages to studies of the grandest music spectacle anywhere in the world, the Eurovision Song Contest -- Philip V. Bohlman reveals the ways in which music and nationalism intersect in the shaping of the New Europe. Focus: Music, Nationalism, and the Making of the New Europe begins with the emergence of the European nation-state in the Middle Ages and extends across long periods during which Europe's nations used music to compete for land and language, and to expand

the colonial reach of Europe to the entire world. Bohlman contrasts the "national" and the "nationalist" in music, examining the ways in which their impact on society can be positive and negative -- beneficial for European cultural policy and dangerous in times when many European borders are more fragile than ever. The New Europe of the twenty-first century is more varied, more complex, and more politically volatile than ever, and its music resonates fully with these transformations.

In *Sacred Song in America*, Stephen A. Marini explores the full range of American sacred music and demonstrates how the meanings and functions of this musical expression can contribute to a greater understanding of religious culture. Marini examines the role of sacred song across the United States, from the musical traditions of Native Americans and the Hispanic peoples of the Southwest, to the Sacred Harp singers of the rural South and the Jewish music revival to the music of the Mormon, Catholic, and Black churches. Including chapters on New Age and Neo-Pagan music, gospel music, and hymnals as well as interviews with iconic composers of religious music, *Sacred Song in America* pursues a historical, musicological, and theoretical inquiry into the complex roles of ritual music in the public religious culture of contemporary America.

First published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

An invention of the Industrial Revolution, the accordion provided the less affluent with an inexpensive, loud, portable, and durable "one-man-orchestra" capable of producing melody, harmony, and bass all at once. This rich collection considers the accordion and its myriad forms, from the concertina, button accordion, and piano accordion familiar in European and North American music to the more exotic-sounding South American bandoneón and the sanfoninha. Capturing the instrument's spread and adaptation to many different cultures in North and South America, contributors illuminate how the accordion factored into power struggles over aesthetic values between elites and working-class people who often were members of immigrant and/or marginalized ethnic communities. Specific histories and cultural contexts discussed include the accordion in Brazil, Argentine tango, accordion traditions in Colombia and the Dominican Republic, cross-border accordion culture between Mexico and Texas, Cajun and Creole identity, working-class culture near Lake Superior, the virtuoso Italian-American and Klezmer accordions, Native American dance music, and American avant-garde. Contributors are María Susana Azzi, Egberto Bermúdez, Mark DeWitt, Joshua Horowitz, Sydney Hutchinson, Marion Jacobson, James P. Leary, Megwen Loveless, Richard March, Cathy Ragland, Helena Simonett, Jared Snyder, Janet L. Sturman, and Christine F. Zinni. An invention of the Industrial Revolution, the accordion provided the less affluent with an inexpensive, loud, portable, and durable "one-man-orchestra" capable of producing melody, harmony, and bass all at once. Imported from Europe into the Americas, the accordion with its distinctive sound became a part of the aural landscape for millions of people but proved to be divisive: while the accordion formed an integral part of working-class musical expression, bourgeois commentators often derided it as vulgar and tasteless. This rich collection considers the accordion and its myriad forms, from the concertina, button accordion, and piano accordion familiar in European and North American music to the exotic-sounding South American bandoneón and the sanfoninha. Capturing the instrument's spread and adaptation to many different cultures in North and South America, contributors illuminate how the accordion factored into power struggles over aesthetic values between elites and working-class people who often were members of immigrant and/or marginalized ethnic communities. The Accordion in the Americas

One of the truly great things about the accordion is its extreme versatility. Other instruments envy its ability to transform from an intimate solo performer to themightiest of orchestras contained in one player. The accordion can be as delicate as a single violin, and switch instantly into a full symphonic section of strings, brass and winds. Contained in this collection is a wonderful variety of classical favorites (as well as some original compositions specifically for the accordion) that showcase everything the accordion can do. You'll find operatic melodies, tunes you once played at the piano, art songs, and dazzling themes from well-known concertos. The book contains music written over the course of three centuries, from Rossini to Dahl. The Classical Tradition is destined to become a necessary addition to every accordionist's library!

(Schott). Tunes from the Jewish Klezmer and Sephardic musical traditions. With notes on the music and interpretation. Intermediate to Advanced Level.

Klezmer is a continually evolving musical tradition that grows out of Eastern European Jewish culture, and its changes reflect Jews' interaction with other groups as well as their shifting relations to their own history. But what happens when, in the klezmer spirit, the performances that go into the making of Jewishness come into contact with those that build different forms of cultural identity? Jonathan Freedman argues that terms central to the Jewish experience in America, notions like "the immigrant," the "ethnic," and even the "model minority," have worked and continue to intertwine the Jewish-American with the experiences, histories, and imaginative productions of Latinos, Asians, African Americans, and gays and lesbians, among others. He traces these relationships in a number of arenas: the crossover between jazz and klezmer and its consequences in Philip Roth's *The Human Stain*; the relationship between Jewishness and queer identity in Tony Kushner's *Angels in America*; fictions concerning crypto-Jews in Cuba and the Mexican-American borderland; the connection between Jews and Christian apocalyptic narratives; stories of "new immigrants" by Bharathi Mukherjee, Gish Jen, Lan Samantha Chang, and Gary Shteyngart; and the revisionary relation of these authors to the classic Jewish American immigrant narratives of Henry Roth, Bernard Malamud, and Saul Bellow. By interrogating the fraught and multidimensional uses of Jews, Judaism, and Jewishness, Freedman deepens our understanding of ethnoracial complexities.

MUSIC OF THE PEOPLES OF THE WORLD, THIRD EDITION, takes a survey approach to world music, covering 11 music cultures. This text focuses on how to listen to and appreciate the music of different cultures, appropriate for students

who are not music majors. The text also explores geography and history, allowing students to connect the music to its social context. Listening skills are developed through spotlights on non-Western instruments, and 30 listening guides track the audio step by step, pointing listeners to important characteristics of the piece. Many full-color photos and graphics of instruments, musicians, and cultural events help students understand the context of music in countries with which they may be unfamiliar. The listening guides, an available 2-CD set (with full selections that help students hear significant differences among the music cultures), and Active Listening Tools (allowing students to view instruments and cultural settings while they listen to musical excerpts) further enhance listening and understanding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Between Minority and Majority

Religion, Music, and Public Culture

A hilarious compendium of traditional wisdom, recipes, and lore from the authors of the bestselling Yiddish with Dick and Jane. Modern Jews have forgotten cherished traditions and become, sadly, all- too assimilated. It's enough to make you meshugeneh. Today's Jews need to relearn the old ways so that cultural identity means something other than laughing knowingly at Curb Your Enthusiasm- and The Big Jewish Book for Jews is here to help. This wise and wise-cracking fully-illustrated book offers invaluable instruction on everything from how to sacrifice a lamb unto the lord to the rules of Mahjong. Jews of all ages and backgrounds will welcome the opportunity to be the Jewiest Jew of all, and reconnect to ancestors going all the way back to Moses and a time when God was the only GPS a Jew needed.

Everything You Need to Know to Be a Really Jewish Jew

Klezmer

The Oxford Handbook of Jewish Studies reflects the current state of scholarship in the field as analyzed by an international team of experts in the different and varied areas represented within contemporary Jewish Studies. Unlike recent attempts to encapsulate the current state of Jewish Studies, the Oxford Handbook is more than a mere compendium of agreed facts; rather, it is an exhaustive survey of current interests and directions in the field.

(Accordion). 17 jazz standards arranged for accordion, including: Alice in Wonderland * Autumn Leaves * Embraceable You * Fly Me to the Moon (In Other Words) * Georgia on My Mind * Honeysuckle Rose * My Foolish Heart * The Nearness of You * Satin Doll * Someone to Watch over Me * Song for My Father * When I Fall in Love * and more.

Klezmer is the first comprehensive study of the musical structure and social history of klezmer music - the music of the Jewish musicians' guild of Eastern Europe. Emerging in 16th century Prague, the klezmer became a central cultural feature of the largest transnational Jewish community of modern times - the Ashkenazim of Eastern Europe-until the decades following World War I. Author Walter Zev Feldman treats the major sources in relevant languages - principally Russian, Yiddish, Hebrew, and Romanian - from the 16th to the 20th centuries, including interviews with authoritative European-born klezmerim, conducted over a period of more than thirty years in America, Eastern Europe and Israel. Including musical analysis, the book draws upon the foundational collections of the late Tsarist and early Soviet periods, plus rare cantorial and klezmer manuscripts from the late 18th to the early 20th centuries. Klezmer reveals the artistic transformations of the liturgy of the Ashkenazic synagogue in klezmer wedding melodies, and presents the most extended study available in any language of the relationship of Jewish dance to the rich and varied klezmer music of Eastern Europe. The complex of speech, dance, and musical gesture is deeply rooted in Jewish expressive culture, and reached its highest development in Eastern Europe. Much of the musical and choreographic history of the Ashkenazim is embedded in the klezmer repertoire, which functioned as a kind of non-verbal communal memory.

Named one of the best books of 2019 by The Economist and a New York Times Book Review Editors' Choice. A National Jewish Book Award finalist. "A superb and touching book about the frailty of ties that hold together places and people." --The New York Times Book Review An award-winning historian shares the true story of a frayed and diasporic Sephardic Jewish family preserved in thousands of letters For centuries, the bustling port

city of Salonica was home to the sprawling Levy family. As leading publishers and editors, they helped chronicle modernity as it was experienced by Sephardic Jews across the Ottoman Empire. The wars of the twentieth century, however, redrew the borders around them, in the process transforming the Levys from Ottomans to Greeks. Family members soon moved across boundaries and hemispheres, stretching the familial diaspora from Greece to Western Europe, Israel, Brazil, and India. In time, the Holocaust nearly eviscerated the clan, eradicating whole branches of the family tree. In Family Papers, the prizewinning Sephardic historian Sarah Abrevaya Stein uses the family's correspondence to tell the story of their journey across the arc of a century and the breadth of the globe. They wrote to share grief and to reveal secrets, to propose marriage and to plan for divorce, to maintain connection. They wrote because they were family. And years after they frayed, Stein discovers, what remains solid is the fragile tissue that once held them together: neither blood nor belief, but papers. With meticulous research and care, Stein uses the Levys' letters to tell not only their history, but the history of Sephardic Jews in the twentieth century.

Arrangements of 20 Classic Songs

This book discusses the relationship between Greek Orthodox ecclesiastical music and laiko (popular) song in Greece. Laiko music was long considered a lesser form of music in Greece, with rural folk music considered serious enough to carry the weight of the ideologies founded within the establishment of the contemporary Greek state. During the 1940s and 1950s, a selective exoneration of urban popular music took place, one of its most popular cases being the originating relationships between two extremely popular musical pieces: Vasilis Tsitsanis's "Synnefiasmeni Kyriaki" (Cloudy Sunday) and its descent from the hymn "Ti Ypermacho" (The Akathist Hymn). During this period the connection of these two pieces was forged in the Modern Greek conscience, led by certain key figures in the authority system of the scholarly world. Through analysis of these pieces and the surrounding contexts, Ordoulidis explores the changing role and perception of popular music in Greece.

(Accordion). 20 classic pop standards arranged for accordion are included in this collection: Annie's Song * Chances Are * For Once in My Life * Help Me Make It Through the Night * My Cherie Amour * Ramblin' Rose * (Sittin' On) The Dock of the Bay * That's Amore (That's Love) * Unchained Melody * and more.

(Accordion). Learn to play 20 timeless contemporary songs on accordion! This collection includes: At Last * Come Together * Don't Know Why * Mia & Sebastian's Theme * A Million Dreams * The Pink Panther * River Flows in You * Sweet Caroline * What a Wonderful World * and more.

This book examines the fundamentals of Jewish demography and sociology around the world. It is not only concerned with documenting patterns of population change but also with an intriguing and ever-present issue like "Who is a Jew?" The latter transcends the limits of quantitative assessment and deeply delves into the nature, boundaries, and quality of group identification. A growing challenge is how to bridge between concept - related to ideals and theory - and reality - reflecting field research. Divided into six sections, the book discusses historical demography, immigration and settlement, population dynamics, social stratification and economy, family and Jewish identity in the U.S., and Jewish identity in Israel. The volume represents the dynamic and diverse nature of the study of world and local Jewish populations. It shows how that field of study provides an important contribution to the broader and now rapidly expanding study of religious and ethnic groups. Scholars in disciplines such as history, geography, sociology, economics, political science, and especially demography follow and analyze the social and cultural patterns of Jews in different places around the globe, at various times, and from complementary perspectives. They make use of historical sources that have recently become accessible, utilize new censuses and surveys, and adopt advanced analytical methods. While some of their observations attest to consistency in the Jews' demographic and identificational patterns, others evolve and ramify in new directions that reflect general processes in the areas and societies that Jews inhabit, internal changes within Jewish communities, and intergenerational trends in personal preferences of religious and ethnic orientations. This volume brings together contributions from scholars around the world and presents new and updated research and insights.

The Big Jewish Book for Jews

Nineteen favorite traditional Mexican songs arranged for piano accordion solo. No matter how long you've been playing, these tunes will be a delight to play. the author has included registration markings indicating low, middle, or high reeds. Intermediate in difficulty, these tunes are playable on any size accordion.

Coined in 1992 by composer/saxophonist John Zorn, "Radical Jewish Culture," or RJC, became the banner under which many artists in Zorn's circle performed, produced, and circulated their music. New York's downtown music scene, part of the once-grungy Lower East Side, has long been the site of cultural innovation. It is within this environment that Zorn and his circle sought to combine, as a form of social and cultural critique, the unconventional, uncategorizable nature of downtown music with sounds that were recognizably Jewish. Out of this movement arose bands, like Hasidic New Wave and Hanukkah Bush, whose eclectic styles encompassed neo-klezmer, hardcore and acid rock, neo-Yiddish cabaret, free verse, free jazz, and electronica. Though relatively fleeting in rock history, the "RJC moment" produced a six-year burst of conversations, writing, and music—including festivals, international concerts, and nearly two hundred new recordings. During a decade of research, Tamar Barzel became a frequent visitor at clubs, post-club hangouts, musicians' dining rooms, coffee shops, and archives. Her book describes the way RJC forged a new vision of Jewish identity in the contemporary world, one that sought to restore the bond between past and present, to interrogate the limits of racial and gender categories, and to display the tensions between secularism and observance, traditional values and contemporary concerns.

*(Accordion). 13 Disney favorites especially arranged for accordion, including: Be Our Guest * Beauty and the Beast * Can You*

*Feel the Love Tonight * Chim Chim Cher-ee * It's a Small World * Let It Go * Under the Sea * A Whole New World * You'll Be in My Heart * Zip-A-Dee-Doo-Dah * and more!*

*From the much lauded author of **Breaking News** comes a version of **Walking the Bible** just for Israel. With its dense history of endless conflict and biblical events, Israel's coastline is by far the most interesting hundred miles in the world. As longtime chief of NBC's Tel Aviv news bureau, Martin Fletcher is in a unique position to interpret Israel, and he brings it off in a spectacular and novel manner. Last year he strolled along the entire coast, from Lebanon to Gaza, observing facets of the country that are ignored in news reports, yet tell a different and truer story. **Walking Israel** is packed with hilarious moments, historical insights, emotional, true-life tales, and, above all, great storytelling.*
