Balancing on the Knife Edge

A standalone, adventure-packed companion to the New York Times–bestselling middle grade graphic novel Compass South Twelve-year-old twin adventurers Cleopatra and Alexandra Dodge are reunited with their father and realize that two family heirlooms reveal the location of a treasure that is their birthright. When they set sail with Captain Tarboro on the Almira, they know they’re heading into danger—the ocean is filled with new and old enemies, including their nemesis, the infamous pirate Felix Worley. But like a coral reef that lurks below the surface of the waves, trouble is brewing between the siblings. Alex is determined to become a sailor and is happy with his role aboard the Almira, but Cleo—the only girl on the ship—is tired of washing dishes in the galley. In an effort to find her own purpose, she begins studying sword fighting with Tarboro, but neither Alex nor her father approves. Can the twins remain close as they pursue different goals and dreams, or will their growing differences tear the family apart before the treasure can be found? Hope Larson and Rebecca Mock once again create an outstanding seafaring adventure with Knife’s Edge. “Richly colored illustrations breathe life into the rough seas and tropical locales. . . . As in its predecessor, every question answered leads the twins to more questions to be asked, and it ends with a breath-catching cliffhanger. An action-packed sophomore volume, with no loss of wind in its sails.” —Kirkus Reviews

Sephy is a dark-skinned Cross in a society where people are judged by their colour and Crosses have the power. But after terrible disagreements with her family, Sephy is alone with her mixed-race baby. The baby's Nought father is dead - and his brother wants to kill her. Can she protect herself and her child?

A Switch Blade Knife, a Switch Blade Life, living on a knife edge. Joe Ederer leaves New York to marry his love, but she has met someone in the meantime! What can he do, he's burnt his bridges, but all is not lost, he finds work as a limousine driver until his articles are accepted by English journals. He even meets someone. Then things go wrong, dreams haunt him and he buys a gun. It's tough living life on a knife edge.

It's a brilliant book... There are lessons in every paragraph... Get it now.' Chris Evans 'Wonderous and wild. I loved this book' James Nestor, bestselling author of Breath 'Moving, raw and unflinching' Julia Samuel, bestselling author of This Too Shall Pass 'Incredible storytelling' Dr Rangan Chatterjee, bestselling author of Feel Better in 5

How do you carry on when things go deadly wrong? When Dr Rahul Jandial operated on Karina, an eleven-year-old girl whose spinal cord was splitting in two, he had to make an impossible decision. He followed his head over his gut and Karina was left permanently paralysed, altering both patient and surgeon's lives for ever. This decision would haunt Rahul for decades, a constant reminder of the fine line between saving and damaging a life. As one of the world's leading brain surgeons, Rahul is the last hope for patients with extreme forms of cancer. In treating them, he has observed humanity at its most raw and most robust. He has journeyed to unimaginable extremes with them, guiding them through the darkest moments of their lives. Life on a Knife's Edge is Rahul's poetic and beautifully written account of the resilience, courage and belief he has witnessed in his patients, and the lessons about human nature he has learned from them. It is about the impossible choices he has to make, and the fateful consequences he is forced to live with. From challenging the ethics of surgical practices, to helping a patient with locked-in syndrome communicate her dying wish to her family, Rahul shares his extraordinary experiences, revealing the depths of a surgeon's psyche that is continuously pushed to its limits.

Asian Century... on a Knife-edge

The Gripping Sunday Times Bestseller

The year's most terrifying psycho thriller

*This book is open access under a CC BY 4.0 license. This book delves into the widely held belief that the 21st century will be the "Asian Century" by examining the Asia's rapid economic development in the post-war era and the challenges it faces in forging ahead of world leaders in the West. The impact of the current turbulent global political climate on Asia is critically analyzed, employing a holistic and multidisciplinary approach, combining economic, social, political and geopolitical perspectives. Written in an accessible style, the book offers students, business, government, and civil society players powerful insights on Asia.*

Get ready to stay up all night with three full novels of suspense, intrigue, and action... UNDER DARK SKIES X-Files meets Bones in this 7 book series with more to come! In NightShade nothing is as it seems . . . Strange clues. Strange cases. Stranger investigators. BLUFF CITY BUTCHER A series of seemingly solved murders rips a city apart when the “Butcher” comes back to town. Not only wasn't he dead, he was hiding a decades old secret... WHO BY WATER Jo Wiley thought she had her life figured out and had made peace with her past when she moved around the world to Slovenia. Only there are more ghosts in Slovenia than in the life she left behind... Buckle up and hang on tight to over 1800 pages of nail-biting, edge-of-your-seat thrill rides.

Richard Villar, guest of the BBC's Hospital Watch, is a world-famous surgeon. He is also a hero. For much of his career Richard Villar has worked with the SAS, in the developing world, and amidst conflict zones that include Lebanon, Bosnia, the Middle East, Northern Ireland and Central America. Knife Edge is his extraordinary true story.

Driven by destitution in war-torn Berlin, a beguiling woman is cornered into accepting a precarious role in espionage to keep from being thrown out on the street. As Geli Straub becomes the seductive Mlle. Simone Miroux, on orders to discover whether SS officer Kurt Langsdorff is all he seems to be, her plot to betray him falters on conflicted feelings. Drawn past the point of no return into his life, she cannot sell him out. How, then, is she to save him without shedding the identity of the woman who deceived him, and on whom her life depends?

Peace in Northern Ireland has brought counter-terrorist Sean Doyle back to the UK. It has also brought frustrating boredom into the life of British soldier Robert Neville, and when his wife Julie decides to leave him, taking their daughter Lisa, he has nothing left to lose. Turning his wife into a walking bomb, he demands a car, but fails to take Lisa with him in his escape. Determined to get her, he begins a bloody bombing campaign in Central London, using his military skill to systematically detonate a device every hour until his demands are met. Doyle must find Neville and end the carnage before he can explode the final devastating bomb.

While in the throes of mourning the death of her elderly father, joining her brother's winter trek into the deep woods of Maine was the only thing that seemed to make sense. Together, brother and sister had up the tallest mountain in Maine, at the end of the Appalachian Trail, to "say hi to Dad" above the clouds. Drawing on memories of a father's teachings and on the power of a loving family, they set upon trails known for centuries to be sacred in search of both adventure and solace. In this outdoor adventure memoir, their memorial trek leads them across one of the most harrowing trails in the winter - Knife Edge Trail. "I love this story. It is the love of a father by his children. It made me weepy with joy. It is a love story told through accomplishments of each sibling. It tells of a father and a life well spent. There is so much more here. May be a movie script or documentary. It needs to be shared."Brian W Bickford, MBA & MS ITT Travel Editor - Maine World ExpeditionAuthor - The Secret To Perfect Innovation

Life on a Knife 's Edge

**Major Vin Cooper is pulled off of a secret research program for the Department of Defense and asked to look into a military buddy's death during a routine parachute jump, but his mission changes when the two cases collide.**

**The battle of Stalingrad was the turning point of World War II. The German capture of the city, their encirclement by Soviet forces shortly afterwards, and the hard-fought but futile attempts to relieve them, saw bitter attritional fighting and extremes of human misery inflicted on both sides. The surrender of General Friedrich von Paulus's army left Germany's eastern armies severely weakened, but the Red Army had suffered enormous losses as it overreached itself in trying to exploit its great victory. The war was not over. Germany would continue the fight, and the battles that took place in the winter of 1942/43 would show the tactical and operational skill of Erich von Manstein and the Wehrmacht as they attempted to avert total disaster. In this title, now available in paperback, a renowned expert on warfare on the Eastern Front reveals the often-overlooked German counteroffensive post-Stalingrad, and how it prevented the whole Axis front line from collapsing. Drawing on first-hand accounts, on a Knife's Edge is a story of brilliant generalship, lost opportunities and survival in the harshest theatre of war.**

**The craving never ends 'Make me beautiful, make me beautiful...' Ella Fallon makes this secret wish every night She and her lover Ed Leeming were born brilliant but ugly and their lives made a misery at California's most exclusive college by Scott Stockton, leader of 'The Beautiful Elite'. Stockton has it made. He is heir to an industrial multinational and plays the 'rich boy who gets what he wants' role to the hilt. If only Ella and Ed could be transformed into beautiful people. If only they could take over Scott Stockton's life and fortune. They would kill to have what Stockton has - and more. Enter the Svengali figure of futuristic body remodeller/plastic surgeon Thomas Startz who is about to make their dreams come true.**

**January 1970, and the final chapter in the Blackwood history appears to have closed with the murder in Cyprus of Lieutenant-Colonel Mike Blackwood, and the subsequent sale of the ancestral home. Disillusioned and grieving for his distinguished father, Lieutenant Ross Blackwood believes there is no future for him in the Corps. The Royal Marines have been reduced in strength, and their role in a modern world, after so splendid a tradition, diminished to policing and paperwork. But Ross remains a Blackwood and a Royal Marine, and the loyalty and dedication of a Blackwood to the Corps sustain him from vicious guerilla warfare in Malaysia through the moral and political minefields of Northern Ireland, where one man's terrorist is another's patriot, to the South Atlantic, and a conflict as bloody as it is unpredictable. And he learns, as every Blackwood has before him, that jungle or moor, insurrection or invasion, mere courage is not enough.**

**Survival and victory balance on the knife edge of destiny.**

**Knife Deburring 6th edition**

**A Dictionary of Applied Physics**

**Knife's Edge**

An intimate and compelling exploration into the unique psyche of the heart surgeon, by one of the profession's most eminent figures. Although Professor Stephen Westaby was born with the necessary coordination and manual dexterity, it was a head trauma sustained during university that gifted him the qualities of an exceptional heart surgeon: qualities that are frequently associated with psychopathy. His thirty-five-year career has been characterised by fearlessness and ruthless ambition; leaving empathy at the hospital door as thousands of patients put their lives in his hands. For heart surgeons, the inevitable cost of failure is death and in The Knife's Edge, Westaby reflects on the unique mindset of those who are drawn to this exhilarating and often tragic profession. We discover the pioneers who grasped opportunities and took chances to drive innovation and save lives. Often difficult, uninhibited and fearless, theirs is a field constantly threatened by the risk of public failure. Like those before him, Westaby refuses to draw the line in his search of a lifetime solution to problems of the heart. His determination is unerring - a steadfastness underpinned by his unusual mind. But as we glimpse into the future of cardiac surgery, for all its remarkable scientific advancement, one question remains: within the confines of socialised medical healthcare systems, how can heart surgeons - individuals often hardwired with avoidance of self-doubt, a penchant for glory and a flagrant disregard for authority - truly flourish? Alaric Moebius and Basil Fox are two lovable scoundrels looking to make a quick fortune. Basil is a former SAS trooper turned Queen 's Guard by day and thief by night. Moebius is an Oxford-educated chamber with a knack for getting into trouble. Together they chase adventure under the patronage of "The Collector," a mysterious billionaire with a taste for rare and valuable supernatural objects of the occult. Created by award-winning director RYAN SCHIRFRIN, this third original short story sends the unlikely duo to India, where Basil learns that an old friend and Special Forces comrade he thought long dead is actually in the hands of a local warlord hellbent on retrieving the sacred blade Basil now carries as a memento. What secrets does this precious Kukhri blade hide, and are they connected in supernatural ways to The Collector's current interest: the lovely and mysterious Sita Kaur...? Written by fan-favorite sci-fi author TIMOTHY ZAHN ("Star Wars: Heir to the Empire" "The Thrawn Trilogy" and more), this paranormal rescue tale expands on the series of prose and graphic novel adventures available from Magnefic Press.

Just this once . . . Please let me get away with it just this once . . . Tobey wants a better life - for him and his girlfriend Callie Rose. He wants nothing to do with the gangs that rule the world he lives in. But when he's offered the chance to earn some money just for making a few 'deliveries', just this once, would it hurt to say 'yes'? One small decision can change everything . . . The fourth novel in Young Blackman's powerful Noughts & Crosses sequence.

Malorie Sherlock Holmes is in Ireland to solve his sixth intriguing mystery/Something sinister is afoot in the house in the west of Ireland in which Sherlock is staying. There are frightened whisperings among the servants and the house's owners are clearly scared. But who - or what? - has terrified them so much that nobody will speak out? Young Sherlock must bring all his powers of deduction to unravelling his greatest mystery yet.Another fast-paced, brilliantly plotted adventure as teenage Sherlock investigates a new crime and comes up against a fresh crop of sinister, clever criminals.

Short, intense, and full of plot twists, these stories are ideal for readers who love a quick thrill that will keep them coming back for more.*

*When legends come to life the world trembles from a single name. Ronin. Once-heroes from a different age, they wield elemental powers... wind, water, fire, stone, forest, sun, moon, flesh, and metal. At the same time, a young man discovers his best friend with a sword in her stomach, and dark wings sprouting from her back. Guards rush onto the scene, accuse him of the act, and he is forced to flee. In a new world without his memories, Gray must find his way amid legends and darkness, as he wrestles with an elemental power inside himself. A power all too similar to the infamous Ronin...*

*Knife Edge (Messers Schneide), originally published in Germany in 1986, introduces American readers to the work of Ralf Rothmann, an award-winning poet and novelist born in Schleswig in 1953.*

Open Heart

On a Knife's Edge

Science behind the lasting razor edge

New Guinea Bush Pilot

A Basil and Moebius Adventure #003

A TIMES BEST BOOK OF 2019 An intimate and compelling exploration into the unique psyche of the heart surgeon, by one of the profession's most eminent figures.

In gripping prose, one of the world's leading cardiac surgeons lays bare both the wonder and the horror of a life spent a heartbeat away from death When Stephen Westaby witnessed a patient die on the table during open-heart surgery for the first time, he was struck by the quiet, determined way the surgeons walked away. As he soon understood, this detachment is a crucial survival strategy in a profession where death is only a heartbeat away. In Open Heart, Westaby reflects on over 11,000 surgeries, showing us why the procedures have never become routine and will never be. With astonishing compassion, he recounts harrowing and sometimes hopeful stories from his operating room: we meet a pulseless man who lives with an electric heart pump, an expecting mother who refuses surgery unless the doctors let her pregnancy reach full term, and a baby who gets a heart transplant-only to die once it's in place. For readers of Atul Gawande's Being Mortal and of Henry Marsh's Do No Harm, Open Heart offers a soul-baring account of a life spent in constant confrontation with death.

In this harrowing near-future thriller, a teen girl reeling from a recent tragedy tries to do the right thing knowing one wrong move could unravel her society's fragile order. Persephone "Sephy" Hadley is six months pregnant with a biracial baby, a parentage that could be a death sentence in her brutal society. And Sephy has no one to help her after the baby's father was hanged for terrorism months ago. As her due date approaches, Sephy feels more and more haunted by her lost love. But she's not the only one who misses Callum. His brother, Jude, hasn't forgotten—or forgiven—anything about what happened. And he blames Sephy for Callum's death. Jude won't rest until he's avenged his brother by murdering the girl who got him killed. Jude's actions bring him dangerously close to meeting the same fate as Callum. With the man who wants her dead poised on a knife's edge, Sephy must decide if she's willing to save him from himself.

It's 1860 in New York City. When twelve-year-old twins Alexander and Cleopatra's father disappears, they join the Black Hook Gang and are caught by the police pulling off a heist. They agree to reveal the identity of the gang in exchange for tickets to New Orleans. But once there, Alex is tricked into working on a ship that is heading for San Francisco via Cape Horn. Cleo stows away on a steamer to New Granada, where she hopes to catch a train to San Francisco to find her brother. Neither Alex nor Cleo realizes the real danger they are in – they are being followed by pirates who think they hold the key to treasure. How they outwit the pirates and find each other makes for a fast-paced, breathtaking adventure. A Margaret Ferguson Book

alarm bells start ringing. Then Harland meets Kim. One last game of life and death is about to begin.

Naked at The Knife-Edge, Vivian James Rigney's compelling and often harrowing true account of summiting Everest, offers a unique window into lessons on leadership and what it takes to succeed in any circumstance. Only a relatively small group of individuals has climbed the highest peak on each of the planet's seven continents. Known as the Seven Summits, it is a feat that typically takes years and an enormous amount of planning, training, and effort, in some of the most inaccessible places on earth. But Vivian James Rigney was determined to do just that. An executive coach and globally recognized authority on leadership and teamwork in business, Rigney relied on skills learned in the corporate world in addition to physical training to attempt these summits. Everest, his seventh and final peak, almost broke him. There, he and his team confronted wild storms lasting for days, near-vertical walls of ice, and a knife-edge ridge with fatal drops on either side. They endured avalanches, sub-zero temperatures, and tragedy unfolding around them. The roller coaster of pain, self-reflection, questioning, and above all, loneliness left Rigney with ego in tatters. It was then he discovered an awakening of what real purpose and legacy actually is. This unique and powerful journey reveals critical wisdom for individuals and leaders in any circumstance, including how to: Overcome the ego trap and get out of your head Triage what you can and cannot control Harness your intuition Create shared purpose and real followership Tap into the power of vulnerability and authenticity In Naked at the Knife-Edge, Rigney uniquely combines the hands-on and reflective approach of one of today's most respected executive coaches with adventure and a raw and revealing personal story.
