Featuring art and writing from the students of the Parkland tragedy, this is a raw look at the events of February 14, and a poignant representation of grief, healing, and hope. The students of Marjory Stoneman Douglas High School share their emotional journeys that began on February 14, 2018, and continue today. This revealing and unfiltered look at teens living in the wake of tragedy is a poignant representation of grief, anger, determination, healing, and hope. The intimate collection includes poetry, eyewitness accounts, letters, speeches, journal entries, drawings, and photographs from the events of February 14 and its aftermath. Full of heartbreaking loss, a rally cry for change, and hope for a safe future, these artistic pieces will inspire readers to reflect on their own lives and the importance of valuing and protecting the ones you love.

Tales of terror and wonder from a winner of the Nebula, Hugo, Edgar, Bram Stoker, and many other awards. Originally published in 1962 and updated in later decades with a new introduction, Ellison Wonderland contains sixteen masterful stories from the author's early career. This collection shows a vibrant young writer with a wide-ranging imagination, ferocious creative energy, devastating wit, and an eye for the wonderful and terrifying and tragic. Among the gems are "All the Sounds of Fear," "The Sky Is Burning," "The Very Last Day of a Good Woman," and "In Lonely Lands." Though they stand tall on their own merits, they also point the way to the sublime stories that followed soon after and continue to come even now, more than fifty years later.

Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

It is an acknowledged if not accepted fact that all European societies are being fundamentally transformed, and indeed perceptively unsettled, by increased migrations across nations and by the asserted presence of established minorities within their borders. The scale and speed at which these transformations have taken place have brought in their wake considerable social impacts and no small measure of fear and anxiety. Encounters with such diversity are part and parcel of the social work task, and learning how to negotiate them should be a de facto aspect of the training and continuous professional development of social workers and other social professions. However, the moral and political dimensions of the role, scope and nature of the social work task in responding appropriately to these changed and changing realities are rather more contested. This volume addresses many dimensions of the response to issues of race and ethnicity in social work practice in

Europe. It extends the debates on inter-cultural and race equality practice in social work through a stimulating and innovative collection of contributions. This book was originally published as a special issue of the European Journal of Social Work.

While reading the Scriptures, we sometimes want additional insight to understand its wealth. The author stands firm on the principle that all Godly teaching must be based upon the authority of God's Word, in its proper context, and not be based on any tradition or philosophy of men. Ralph Bouma writes many of the spiritual guides printed by Triangle Press for both the family and individual scholar. All of his writings reflect the principle that everything we believe must be weighed on the balance of the authority of God's Word. Jesus preached the greatest sermon on earth. It gives a very well-balanced summary of the whole counsel of God. The author stands firm on the principle that all Godly teaching must be based upon the authority of God's Word, and not on any tradition or philosophy of men. The thoughts and comments in 80 sermons in 6 volumes are based on Holy Scripture to help unfold the preciousness in Jesus' sermon and see the beautiful harmony between the law and the gospel. Here is an insight into the meaning and significance of Jesus' teachings.

Something Borrowed, Someone Dead continues the tradition in M. C. Beaton's beloved Agatha Raisin cozy mystery series—now a hit show on Acorn TV and public television. Gloria French was a jolly widow with dyed blonde hair, a raucous laugh and rosy cheeks. When she first moved from London to the charming Cotswolds hills, she was heartily welcomed. She seemed a do-gooder par excellence, raising funds for the church and caring for the elderly. But she had a nasty habit of borrowing things and not giving them back, just small things, a teapot here, a set of silverware there. So it's quite the shock when she is found dead, murdered by a poisoned bottle of elderberry wine. Afraid the murder will be a blight on the small town, Parish councillor, Jerry Tarrant, hires private detective Agatha Raisin to track down the murderer. But the village is secretive and the residents resent Agatha's investigation. Of course that doesn't stop the ever-persistent Agatha from investigating and sticking her nose where no one wants it—especially as the suspect list grows. And, as if it isn't enough that Agatha's ex has reentered the picture, the murderer is now targeting Agatha! With M.C. Beaton's Something Borrowed, Someone Dead the bossy, vain, and absolutely irresistible, Agatha Raisin continues to be a fan favorite.

The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle's shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942–43 and became Jewish partisans who fought back against the Nazis. The couple's careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle's story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. "A story of heroism and of touching romance in a time of fear and danger." —USA Today
