This ultimate inspiration for coffee lovers everywhere, offers a wonderful selection of treats to serve with a steaming mug of coffee. The ketogenic diet is a natural, non toxic, science based cancer diet which can be used for cancer prevention and treatment. It works because cancer cells are dependent upon a constant supply of blood sugar (glucose) to stay alive. Normal cells can use ketones

as an alternative fuel, cancer cells can't. A ketogenic diet lowers blood glucose while increasing ketone levels, a metabolic state which effectively starves cancer cells while nourishing normal cells. This essential, well referenced book is based on cutting edge research on ketogenic dietary therapies from Dr. Dominic D'Agostino at the University of South Florida and Dr. Thomas Seyfried at Boston College, with their generous permission. The book offers the latest information on:*

visit unexpected alleys and by-lanes of the traditional epic saga, and look at events from the eyes of women marginalized, dispossessed, dalit. Their eyes condemn the wanton waste and inhumanity of war. This Kurukshetra is not the legendary Dharmayuddha of the popular imagination but rather a cold-blooded power game sacrificing countless human lives. How do the women s quarters of the palace, a colourless place of shadowy widowhood, appear to five peasant women whose lives are no less shattered by the Kurukshetra massacre, but who are used to dealing with trauma in a more robust

manner? How does their outlook on life and survival influence the young pregnant princess who is abruptly plunged into the half-life of uppercaste widowhood? How does a lower caste serving woman, who was brought in to service king Dhritarashtra when his queen was with child, view her half-royal offspring and his decision to perform the last rites for a father who never acknowledged him as a son? How does an ageing Kunti, living out her last years in the forest, come to terms with her guilt over her unacknowledged son, Karna? And, having finally voiced her shame aloud, how then

AROUND THE WORLD IN A TEACUP Did you know that tea is the most widely consumed beverage on the planet after water? Or that all of the world's tea originates from only three varieties of a single plant? While a cup of tea may be a simple pleasure for most of us, there are a dizzying number of tastes from which to choose. And every tea, whether a delicately sweet green tea from Japan or a bracing, brisk Darjeeling black, tells a story in the cup about the land that nurtured it and the tea-making skills that transformed it. In this authoritative guide, veteran tea

is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Sant á ngel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he ' d lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Sant á ngel can help him. Within the

Politics. Forms of discipline and control

When a bad day at work culminates in losing out on a promotion, Jim Sanders shifts into his animal form to let off steam. Then his bad day turns into a bad night-while prowling his Atlantic City neighborhood as a large gray house cat, he's caught in a torrential downpour. What little luck he has washes down the gutter when his new boss, Andrew Wright, catches him taking shelter on his porch, brings him inside, and starts calling him Mr. Frosty. As a feline, Jim becomes the inadvertent confessor for his boss's lonely son, Tony, a victim of

schoolyard bullying. As a human, he feels drawn to Andrew, a man he wanted to resent. Finding love was never part of Jim's plan for the future—not with his bizarre secret—yet suddenly he finds himself navigating that minefield anyway. But not everything is easy, especially for an interracial gay couple dealing with prejudice in the workplace, at Tony's school, and even within their own families.

Leading scholars summarize the current research on risk, protection, and resilience in the context of youth violence and its implications for practice with children and families. It describes an emerging framework for understanding social and health problems and for developing more effective programs for interventions.

This book describes resilient children by examining risk factors for violence and explores the factors that lead some children to resist or adapt to risk. The concept of resilience has been applied to family, school, neighborhood, and organizational contexts. Educational, family, and community resilience are used as the framework to describe social systems that possess risk factors. By understanding why some systems with risk factors are adaptable, information for assessment can be applied to service plans, that will be more effective in treating children at risk of antisocial, aggressive behavior.
