Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

In the same right-to-the-point, no-nonsense style that was a hallmark of Positioning, this sequel squares off against critical marketing challenges such as how to make sure your message gets through in an era of information overload.

Discovering the Treasures of a Godly Woman

A classic work of female psychology that uses seven archetypal goddesses as a way of describing behavior patterns and personality traits is being introduced to the next generation of readers with a new introduction by the author. Psychoanalyst Jean Bolen's career soared in the early 1980s when Goddesses in Everywoman was published. Thousands of women readers became fascinated with identifying their own inner goddesses and using these archetypes to guide themselves to greater self-esteem, creativity, and happiness. Bolen's radical idea was that just as women used to be unconscious of the powerful effects that cultural stereotypes had on them, they were also unconscious of powerful archetypal forces within them that influence what they do and how they feel, and which account for major differences among them. Bolen believes that an understanding of these inner patterns and their interrelationships offers reassuring, true-to-life alternatives that take women far beyond such restrictive dichotomies as masculine/feminine, mother/lover, careerist/housewife. And she demonstrates in this book how understanding them can provide the key to self-knowledge and wholeness. Dr. Bolen introduced these patterns in the guise of seven archetypal goddesses, or personality types, with whom all women could identify, from the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, and explains how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in one's own life story.

Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

At last, for every wounded woman, there is a pathway out of the hurt and pain." -Alice Gray, author of Treasures for Women Who Hope, coauthor of The Worn Out Woman and The Walk Out Woman Story Behind the Book The authors are licensed therapists who see an enormous number of women struggling with the same basic issue: wounds that result from living in an imperfect world with imperfect people. "Some are great at hiding their wounds," they say. "Others are so overwhelmed by them that they are unable to recover and bounce back. We consistently meet women with incredible potential who are stuck in emotional pain. Unable to move forward, their wounds block them from becoming all they can be. We want to help them work through the process of letting go of this pain and progress in healing. The abundant life Jesus promises will be theirs!"

Discovering God's Plan for Sexual and Emotional Fulfillment

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Darkus and his friends continue their unforgettable adventure in this final installment of the Beetle Boy trilogy.

La Batalla De Cada Hombre

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to

the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

A long-awaited English translation of the groundbreaking oral history of women in World War II across Europe and Russia—from the winner of the Nobel Prize in Literature NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • The Guardian • NPR • The Economist • Milwaukee Journal Sentinel • Kirkus Reviews For more than three decades, Svetlana Alexievich has been the memory and conscience of the twentieth century. When the Swedish Academy awarded her the Nobel Prize, it cited her invention of "a new kind of literary genre," describing her work as "a history of emotions . . . a history of the soul." In *The Unwomanly Face of War*, Alexievich chronicles the experiences of the Soviet women who fought on the front lines, on the home front, and in the occupied territories. These women—more than a million in total—were nurses and doctors, pilots, tank drivers, machine-gunners, and snipers. They battled alongside men, and yet, after the victory, their efforts and sacrifices were forgotten. Alexievich traveled thousands of miles and visited more than a hundred towns to record these women's stories. Together, this symphony of voices reveals a different aspect of the war—the everyday details of life in combat left out of the official histories. Translated by the renowned Richard Pevear and Larissa Volokhonsky, *The Unwomanly Face of War* is a powerful and poignant account of the central conflict of the twentieth century, a kaleidoscopic portrait of the human side of war. THE WINNER OF THE NOBEL PRIZE IN LITERATURE "for her polyphonic writings, a monument to suffering and courage in our time." "A landmark."—Timothy Snyder, author of *On Tyranny: Twenty Lessons from the Twentieth Century* "An astonishing book, harrowing and life-affirming . . . It deserves the widest possible readership."—Paula Hawkins, author of *The Girl on the Train* "Alexievich has gained probably the world's deepest, most eloquent understanding of the post-Soviet condition. . . . [She] has consistently chronicled that which has been intentionally forgotten."—Masha Gessen, National Book Award-winning author of *The Future Is History*

Can a woman who has been deeply hurt by life's circumstances be healed, heart and soul? If she has been wounded by a man she loved and trusted, can she love and trust again? As a woman who endured years of abuse, abandonment, and betrayal by those closest to her, Joyce Meyer can answer with a resounding "yes!" Meyer's positivity comes from living her own journey, and from seeing so many women who don't believe they can fully overcome their pain-or even know where to begin-find the guidance they need in the life-changing wisdom of the Bible. Meyer's bestseller *Beauty for Ashes* told of her personal story of healing. Now, with the passage of more time, *HEALING THE SOUL OF A WOMAN* delves deeper into Joyce's story and the journey of healing for all women. Each chapter guides you through whatever obstacles may be holding you back to find your true destiny as God's beloved. God can heal all pain, and He wants to do this in you. Let *HEALING THE SOUL OF A WOMAN* be the first step toward the wonderful, joyful future God intends for you.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. **I AM MALALA** is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. **I AM MALALA** will make you believe in the power of one person's voice to inspire change in the world.
