Whether used for the development and support of an existing collection or for the creation of a new collection serving Spanish-speaking young readers, this outstanding resource is an essential tool. Following the same format as the highly praised 1996-1999 edition, Schon presents critical annotations for 1300 books published between 2000 and 2004, including reference, nonfiction, and fiction. One section is devoted to publishers' series, and an appendix lists dealers who carry books in Spanish. Includes author, title, and subject indexes.

Are you looking to spend quality time with your little ones while learning together? A robust vocabulary improves all areas of communication - listening, speaking, reading and writing. Vocabulary is critical to a child's success. Support

Daniel believed that his parents were enjoying a peaceful retirement on a remote farm in Sweden, the country of his mother's birth. But with a single phone call, everything changes. 'Your mother... she's not well', his father tells him. 'She's been imagining things - terrible, terrible things.' In fact, she has been committed to a mental hospital. Before Daniel can board a plane to Sweden, his mother calls: 'Everything that man has told you is a
