

Lado English Series 2 New Edition Robert

An original ebook-only novella in the á Splintered á series from the point of view of fan-favorite character, Jeb.

A gorgeous debut about family, friendship, first romance, and how to be true to one person you love without betraying another The Garretts are everything the Reeds are not. Loud, numerous, messy, affectionate. And every day from her balcony perch, seventeen-year-old Samantha Reed wishes she was one of them . . . until one summer evening, Jase Garrett climbs her terrace and changes everything. As the two fall fiercely in love, Jase's family makes Samantha one of their own. Then in an instant, the bottom drops out of her world and she is suddenly faced with an impossible decision. Which perfect family will save her? Or is it time she saved herself? A dreamy summer read, full of characters who stay with you long after the story is over. "A summer romance with depth." —The Boston Sunday Globe "Fitzpatrick's excellent first novel movingly captures the intensity of first love." —Publishers Weekly, starred review "An almost perfect summer romance." —Kirkus Reviews "On par with authors such as Sarah Dessen and Deb Caletti." —SLJ

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Teaching Beginner ELLs Using Picture Books

Every day, thousands of farmworkers harvested the food that ended up on kitchen tables all over the country. But at the end of the day, when the workers sat down to eat, there were only beans on their own tables. Then Dolores Huerta and Cesar Chavez teamed up. Together they motivated the workers to fight for their rights and, in the process, changed history. Award-winning author Monica Brown and acclaimed illustrator Joe Cepeda join together to create this stunning tribute to two of the most influential people of the twentieth century. Todos los días, miles de campesinos cosechaban los alimentos que se servían en los hogares de todo el país. Pero al terminar la jornada, cuando los campesinos se sentaban a comer, lo Único que había en sus propias mesas era frijoles. Entonces, Dolores Huerta y CÉsar ChÁvez se unieron para motivar a los trabajadores a luchar por sus derechos y en el proceso, cambiaron el curso de la historia. La premiada autora Monica Brown y el aclamado ilustrador Joe Cepeda se unen para crear Éste impresionante tributo a dos de las personas mAs influyentes del siglo veinte.

The Outsiders

Written specifically for K-12 educators, this accessible book explains the processes involved in second-language acquisition and provides a wealth of practical strategies for helping English language learners (ELLs) succeed at reading. The authors integrate knowledge from two fields that often remain disconnected—linguistics and literacy—with a focus on what works in the classroom. Teachers learn effective practices for supporting students as they build core competencies not just for reading in English, but also for listening, speaking, and writing. Engaging vignettes and examples illustrate ways to promote ELLs’ communicative skills across the content areas and in formal and informal settings.

The volume has been written by a great variety of scholars and educators. Not only are the authors literally from all four corners of the world; they also represent, in spite of the large body of shared professional viewpoints and objectives, many different, even diverging, approaches, methodologies, and preferences. The papers have been grouped into a number of sections: 1. Language teaching; 2. Bilingualism; 3. Language testing; 4. Contrastive analysis: linguistic and cultural; 5. Language acquisition and performance; 6. Language, thought, and meaning; 7. Linguistic and literary analysis; 8. Lexical and terminological studies; 9. Language policy and language planning.

Traces the author's experiences as an illegal child immigrant, describing her father's violent alcoholism, her efforts to obtain a higher education, and the inspiration of Latina authors.

How can linguistics help teachers of English language learners (ELLs) improve their instruction? What specific competencies do ELLs need to build in order to speak, listen, read, and write in a new language? Now revised and expanded with a broader view of literacy, this book has guided thousands of inservice and preservice teachers to understand the processes involved in second-language acquisition and help ELLs succeed. The authors explain relevant linguistic concepts with a focus on what works in today's diverse PreK-12 classrooms. Effective teaching strategies are illustrated with engaging classroom vignettes; the volume also features instructive discussion questions and a glossary. (First edition title: Teaching Reading to English Language Learners.) New to This Edition *Chapter on digital learning, plus new content on digital technology throughout the book. *Broader view of literacy; increased attention to oral language and writing as well as reading. *Even more user friendly--additional classroom suggestions from real teachers, vignettes, and examples and graphics illustrating linguistic concepts. *End-of-chapter "challenge questions" that inspire deeper reflection. *Coverage of timely topics, such as numeracy and the language innovations of text messages. This e-book edition features 18 full-color figures. (Figures will appear in black and white on black-and-white e-readers).

It is unfortunate but true that many misconceptions exist regarding teaching English to non-English speakers. Just as one who can read is not by that criterion alone capable of teaching reading, knowing a particular language does not ensure that one can effectively teach it. It is an error to assume that “common sense” can guide one in this regard. True “common sense” is simply not as common as many may believe. What may appear a sensible thing to do in teaching ESL, may in fact (as one who reads the book will see) prove counter-productive and in turn detrimental to the learning process. This book focuses on subject matter which includes the question of what language actually is (it’s components, skills, and traits), the mystery of the origin of language, the history of the English language, an in-dept view of the Audio-Lingual (ALM) teaching method (its philosophy, approaches and one time long standing popularity) as well as its decline as a foundation course, ESL testing (with an emphasis on measuring one’s oral ability and progress) along with a complete aural-oral testing instrument, culture as a significant factor in language learning, and a question and answer section for clarifying items of interest of those involved in the field of ESL. The book is designed to be of value to ESL teachers and administrators, students preparing to teach ESL, volunteers in need of learning more about the field and individuals who may simply be interested in the history of the language (especially English) and/or ESL methodology. The book’s information is expected to increase the knowledge of readers as well as to help some strengthen and others develop a solid foundation upon which to rely in whatever approach they choose to teach ESL.

This six-level series helps students to understand, speak, read, and write English and to use these skills for meaningful communication and interaction.

Did you come from Mexico? An Mexican-American defends Joaquin, a boy frp, Mexico who came across the border. The Border Patrol is looking for him and his mother who are hiding. His newly found friend Prietita took him to the Herb Lady to help him with red welts.

From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

The Chicano poet offers a collection of poems from the last fifteen years, including fourteen new works that discuss love, sex, and AIDS.
