

# Law Library Journal Book

This book accounts for the content and negotiation of the EU's Constitutional Treaty of 2004 as well as the failure of ratification of the treaty in France and the Netherlands in 2005. It discusses the implications of the abandonment of the treaty for the process of European integration and our understanding of that process.

A defense of regulatory agencies' efforts to combine public consultation with bureaucratic expertise to serve the interest of all citizens The statutory delegation of rule-making authority to the executive has recently

## Download File PDF Law Library Journal Book

become a source of controversy. There are guiding models, but none, Susan Rose-Ackerman claims, is a good fit with the needs of regulating in the public interest. Using a cross-national comparison of public policy-making in the United States, the United Kingdom, France, and Germany, she argues that public participation inside executive rule-making processes is necessary to preserve the legitimacy of regulatory policy-making.

Professor John Quicker and Akil Batani-Khalfani, aka Bird, met in Quicker's classroom and soon developed an easy rapport. As Bird shared his knowledge of the Slausons--a legendary 1950s/1960s gang in Los Angeles that pre-dated the infamous Crips

## Download File PDF Law Library Journal Book

and Bloods-- Quicker recognized Bird had firsthand experiences of gang life in South LA that predated the scholarly record. Before Crips uses their collaboration to provide a macro historical analysis of the South Los Angeles gangs from which the Crips and Bloods emerged. The authors mine a critical archive, using interviews with surviving gang members as well as theory and a review of gang literature, to contextualize Black gang formation and address the societal aspects of gang life. They discuss (and fuss and cuss about) topics ranging from the criminal economy and conceptions of masculinity to racial and gendered politics and views of violence. This insider/outsider history illuminates not only how

## Download File PDF Law Library Journal Book

gangs operated but also how they formed, developed, and grew in a backdrop of racial inequality and police brutality that came to a head with the 1965 Watts Rebellion.

Providing an essential understanding of early Los Angeles gang life, *Before Crips* explains what has remained constant, what has changed, and the roots of the violence that persists through life in South LA today.

Instant New York Times Bestseller MSNBC legal commentator Elie Mystal thinks that Republicans are wrong about the law almost all of the time. Now, instead of talking about this on cable news, Mystal explains why in his first book. “After reading *Allow Me to Retort*, I want

## Download File PDF Law Library Journal Book

Elie Mystal to explain everything I don't understand—quantum astrophysics, the infield fly rule, why people think Bob Dylan is a good singer . . . ” —Michael Harriot, *The Root* Allow Me to Retort is an easily digestible argument about what rights we have, what rights Republicans are trying to take away, and how to stop them. Mystal explains how to protect the rights of women and people of color instead of cowering to the absolutism of gun owners and bigots. He explains the legal way to stop everything from police brutality to political gerrymandering, just by changing a few judges and justices. He strips out all of the fancy jargon conservatives like to hide behind and lays bare the truth of their

## Download File PDF Law Library Journal Book

project to keep America forever tethered to its slaveholding past. Mystal brings his trademark humor, expertise, and rhetorical flair to explain concepts like substantive due process and the right for the LGBTQ community to buy a cake, and to arm readers with the knowledge to defend themselves against conservatives who want everybody to live under the yoke of eighteenth-century white men. The same tactics Mystal uses to defend the idea of a fair and equal society on MSNBC and CNN are in this book, for anybody who wants to deploy them on social media. You don't need to be a legal scholar to understand your own rights. You don't need to accept the "whites only" theory of equality pushed by

## Download File PDF Law Library Journal Book

conservative judges. You can read this book to understand that the Constitution is trash, but doesn't have to be.

**AMY BLOOM**

**Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed**

**there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an**

**unforgettable portrait of a beautiful marriage, and a boundary-defying love. How the increasing reliance on metrics to evaluate scholarly publications has produced new forms of academic fraud and misconduct. The traditional academic imperative to “publish or perish” is increasingly coupled with the newer necessity of “impact or perish”—the requirement that a publication have “impact,” as measured by a variety of metrics, including citations, views, and downloads. Gaming the Metrics examines how the increasing reliance on metrics to evaluate scholarly publications has produced radically new forms of academic fraud and misconduct. The contributors show that the metrics-based “audit culture” has changed the ecology of research, fostering the gaming and manipulation of**

**quantitative indicators, which lead to the invention of such novel forms of misconduct as citation rings and variously rigged peer reviews. The chapters, written by both scholars and those in the trenches of academic publication, provide a map of academic fraud and misconduct today. They consider such topics as the shortcomings of metrics, the gaming of impact factors, the emergence of so-called predatory journals, the “salami slicing” of scientific findings, the rigging of global university rankings, and the creation of new watchdogs and forensic practices. The Constitution incorporates human rights as a dominant feature of its order pervading every aspect of the law and has been the sole source of authority, with the Judiciary cast as a watchdog trusted to ensure that no branch of the State transgresses the boundaries of its**

Before Crips***

Employee Benefits Law: ERISA and Beyond takes you step by step through these and other statutes and regulations that help ensure that your plans are properly structured, qualified and implemented.

"Drawing upon the experience of faculty from across the country, *Integrating Doctrine and Diversity* is a collection of essays with practical advice, written by faculty for faculty, on specific ways to integrate diversity, equity and inclusion into the law school curriculum. Chapters will focus on subjects traditionally taught in the first-year curriculum (Civil Procedure, Constitutional Law, Contracts, Legal Writing, Legal Research, Property, Torts) and each chapter will also include a short annotated bibliography curated by a law librarian. With submissions from

over 40 scholars, the collection is the first of its kind to offer reflections, advice and specific instruction on how to integrate issues of diversity and inclusions into first-year doctrinal courses"--

Here is an essential introductory guide on all aspects of law librarianship written especially for non-law librarians, library school students, and beginning law librarians. Although there are several excellent practical handbooks and numerous articles on specific topics of law librarianship for practicing law librarians, *Basics of Law Librarianship* is the only resource that addresses the information needs of the student or new law librarian. Author Deborah Panella, managing librarian of a large, prominent New York law firm, explores the major areas of law librarianship. She covers vital topics such as the legal clientele, collection development, research tools,

technical services, impact of technology, and management issues, and describes what makes law libraries different from other special libraries. She has written a clear, readable volume without excessive detail or the use of special terminology. The bibliography of law library literature and the index add enormously to the book's value as a major reference.
