Brain-Based Strategies You Can Use Today to Enhance Your Child's Love of Learning How Your Child Learns Best is a groundbreaking guide for parents that combines the latest brain research with the best classroom practices to reveal scientifically savvy ways to

Get Free Leap Frog Leapster Explorer User Manual

improve your child's success in school. Written by Judy Willis, MD, MEd, a board-certified neurologist who is also a full-time classroom teacher, How Your Child Learns Best shows you not only how to help your child learn schoolwork, but also how to capitalize on the way your child's brain learns best in order to enrich education wherever you are, from the grocery store to the car - a necessity in today's "teach to the test" world. By using everyday household items and enjoyable activities, parents of children ages three to twelve can apply targeted strategies (based on age and learning strength) in key academic areas,

Who knew such a small tool would have such a huge impact on history? The magnetic compass has been used for almost 1,000 years. Explorers have been able to find their way around the globe with a compass as their guide. In this book, learn about the history of navigation, the science of magnetism, and how the many parts of a compass work together to put people on the right path. Follow the step-by-step instructions to make a compass of your own, and learn about the adventurous sport of orienteering. Then use these skills to explore the world right outside your door.

When Sue Ellen loses her diary at the library, Arthur and his friends try to imagine what she has written about them

A guide to refocusing your business on those who matter most: customers and employees. Technology and social media tools have made it easier than ever for companies to communicate with consumers. They can listen and join in on conversations, solve problems, get instant feedback about their products and services, and more. So why, then, are most companies not doing this? Instead, it seems as if customer service is at an all time low, and that the few companies who are choosing to focus on their customers
