

Leon Family Friends

Tapas and sherry bars are everywhere: Berlin, London, LA, Paris, Munich. Now it's time to bring the trend home and serve this glorious marriage of flavours to friends. In *A Sherry & A Little Plate of Tapas* Kay Plunkett-Hogge tells the story of tapas and its beloved companion, sherry, and offers 80 easy-to-cook-at-home recipes. The book begins by exploring the mysteries of sherry, one of the world's oldest wines, considering the five key types, how they're made and how they're served, with tips on the best food and sherry matches and a selection of sherry cocktails. Kay then plunges into the tapas, with chapters on cold tapas - hams and olives and their like - and latillas; montaditos or 'mounted' tapas; pintxos, or 'things on sticks'; and on cooked tapas, with chapters on vegetables, eggs and dairy, seafood and meat. Kay has even created some delicious sherry-based desserts.

Following the success of *Leon Happy Salads* - more than 60,000 copies sold - the Leon team is back, this time with delicious warming soups that are a meal in themselves. Leon, the home of naturally fast food, has created a collection of more than 100 all-new, all-smiles soup recipes for Comforting, Naturally Fast, Bright & Fresh, Posh and Sweet Soups, plus those all-important Sides and Crunchy Tops & Swirly Swirls. Whether you're looking for a simple soup to take to work or something more elaborate for supper with friends, this book has the answer, with straightforward yet delicious recipes for all occasions.

'Souping - the new juicing' - the Telegraph

'LEON was the first restaurant on the high street to pay attention to a new way of eating - championing gluten-, dairy- and sugar-free food. We've always done it. It's always done us and our customers good. Now it's time to stop it being a secret.' - John Vincent, LEON co-founder

Each recipe in this beautiful cookbook is completely gluten-, dairy- and refined sugar-free, with many following a 'paleon' formula (LEON's version of Paleo). From recipes for gluten-free Spaghetti Vongole to chocolate beetroot cake, breakfast dahl to chicken and olive tagine, this book contains recipes for every meal of the day and every occasion, and proves that a free-from menu can be utterly delicious. ** Newly revised and improved ebook edition, optimized for both small- and large-screen devices **

The latest book in the LEON Happy series - more than 250,000 copies in print. LEON, the home of naturally fast food, have turned their hand to creating a collection of curries - more than 100 new recipes inspired by dishes from Sri Lanka, India, Thailand and Burma, as well as Kenya, Somalia and the Caribbean.

Find fiery, speedy, warming or creamy curries, plus everything you might want on the side, from fluffy flatbreads and perfect rice to crunchy relishes, garlicky greens and tangy pickles. If you want fast fixes with easy wins from a supermarket, or something more fancy for when you have a little more time, you will find them all here. Includes Sri Lankan jackfruit and vegetable curry, Kashmiri lamb rogan josh, Skinny salmon and coconut curry and Katsu chicken curry as well as tasty side dishes and tips for speedy curries and ingredient swaps.

Leon

Leon Happy Curries

The New York Times bestseller: "Venice shines through the pages of this novel. . . . Coupled with unexpected twists and turns [it] doesn't disappoint" (Tulsa Book Review). A Los Angeles Times Bestseller • A Library Journal Mystery Bestseller • A Booklist Best Crime Novel of the Year • A Crime Reads Most Anticipated Book of the Year Guido Brunetti is urged by his father-in-law to investigate—and preferably intervene in—the seemingly innocent plan of the elderly Gonzalo Rodríguez de Tejada to adopt a much younger man as his son. Under Italian inheritance laws, this man would then be heir to Gonzalo's entire fortune, a prospect Gonzalo's friends find appalling. For his part, Brunetti wonders why the old man, a close family friend, can't be allowed his pleasure in peace. And yet, what seems innocent on the Venetian surface can cause tsunamis below. Gonzalo unexpectedly drops dead on the street, and one of his friends—who just arrived in Venice for the memorial service—is strangled in her hotel room. Now with an urgent case to solve, Brunetti reluctantly untangles the long-hidden mystery in Gonzalo's life that has ultimately led to murder . . . a resolution that brings him more pain than satisfaction. "Like Louise Penny, Leon has cultivated an utterly devoted audience, ever anxious to get to know more about her characters." ?Booklist (starred review) "Redolent, as always, with the sights, smells, sounds, and mealtimes of the water-immersed city. . . . In Leon's latest, a pleasantly deceptive lull . . . is dissolved with deadly force." ?The Seattle Review of Books

Everyone's favorite houseguest who never left, Leon Black (played by award-winning comedian JB Smoove on HBO's Curb Your Enthusiasm) drops his wisdom and good-bad advice for the masses. Learn the secrets Larry David has gleaned from the Falstaff of television. Live your best Leon. Bring the Ruckus. Aristotle. Gandhi. Lao Tzu. Dr. Ruth. Amateurs. For centuries bespeckled dorks have pored over the scrolls of the ancients, read tea leaves, and looked to the stars for philosophy, wisdom, and advice. While some people have probably offered good advice, and others offer bad advice, Leon is here to offer his brand of good-bad advice. These are the musings of a master

genius spitting out the secrets of the universe—to help you become just like him. Be forewarned: in opening this tome and Leon's mind, you need to be prepared for straight talk. The kind of unfiltered blunt straight talk that pounds on your door, invites itself in, makes itself at home, helps itself to your food, security pass code, your expensive organic beet juice, and finally makes itself comfortable on that twin bed in your guest room. All the while you think you're helping it—but really it's helping you help yourself! Because that's how this book doozit. Leon Black, he ain't wrong...he just ain't right.

"Liliana Cruz does what it takes to fit in at her new nearly all-white school, but when family secrets come out and racism at school gets worse than ever, she must decide what she believes in and take a stand" --

Let's be honest: who doesn't want to be a little bit Italian? To glide through Rome on a Vespa like Marcello Mastroianni, wearing an impeccable suit? Or sit in St Mark's Square in Venice at dusk, nibbling cicchetti and sipping an Aperol spritz? This is la dolce vita, and this is aperitivo - Italy's take on drinks and small snacks. Aperitivo brings together 80 recipes from across Italy, and tells the stories behind the food and the drinks that shape the aperitif hour. The book opens with the aperitivi themselves - Campari and Aperol - as well as recipes for classic Italian cocktails (including the perfect Negroni) and a guide to Italian wine. Kay then introduces simple recipes for Antipasto and Pinzimonio; Tramezzini; Bruschette and Crostini; Seafood; Meat and Fowl; Vegetables, Dairy and Eggs; Bread and Baking; and Dolci. So let's cinch in our waists, pop on some cat's eye sunglasses, and make like Sophia Loren. It's time for Aperitivo.

Whether you're looking for a bright salad with which to dazzle your friends, or a simple salad to take to the office, this book is a must-have kitchen staple. Recipes include: Pink Quinoa Salad Polish Herring Salad Ham Hock and Lentil Salad Vietnamese Chicken Salad with Rice Noodles Courgetti with Pesto and Grated Ricotta Salata Bacon Fried Corn with Greens, Pork and Crisp Sweet Potato Black Rice Salad with Peas, Egg and a Curry Dressing Asparague, Couscous, Feta & Orange Leon Original Superfood Hot-smoked Salmon, Beetroot, Horseradish & Dill

The son of a North Carolina sharecropper recalls the hard times faced by his family and other African Americans in the first half of the twentieth century and the changes that the civil rights movement helped bring about. An ALA Notable Book. Reprint.

La familia de Le ó n was one of the foundation stones on which Texas was built. Mart í n de Le ó n and his wife Patricia de la Garza left a comfortable life in Mexico for the hardships and uncertainties of the Texas frontier in 1801. Together, they established family ranches in South Texas and, in 1824, the town of Victoria and the de Le ó n colony on the Guadalupe River (along with Stephen F. Austin's colony, the only completely successful colonization effort in Texas). They and their descendents survived and prospered under four governments, as the society in which they lived evolved from autocratic to republican and the economy from which they drew their livelihood changed from one of mercantile control to one characterized by capitalistic investments. Combining the storytelling flair of a novelist with a scholar's concern for the facts, Ana Carolina Castillo Crimm here recounts the history of three generations of the de Le ó n family. She follows Mart í n and Patricia from their beginnings in Mexico through the establishment of the family ranches in Texas and the founding of the de Le ó n colony and the town of Victoria. Then she details how, after Mart í n's death in 1834, Patricia and her children endured the Texas Revolution, exile in New Orleans and Mexico, expropriation of their lands, and, after returning to Texas, years of legal battles to regain their property. Representative of the experiences of many Tejanos whose stories have yet to be written, the history of the de Le ó n family is the story of the Tejano settlers of Texas.

Leon's Story

28 1/2 Adventures Guaranteed to Make You Happier
Naturally Fast Food

Happy Leons: LEON Happy Soups

How the Impossible Became Possible . . . on Schindler's List

Leon, the home of naturally fast food, has created a collection of more than 100 fuss-free, full-of-flavour recipes for main course dishes that you can create with only one cooking pot, pan or baking tray. Whether you are looking for a simple mid-week supper, a quick weekend lunch or something posh (but easy) to serve to friends, this book has the answer. From one-pan pastas to warming tagines, fragrant tray-baked fish and veg to Asian-inspired stir-fries, Happy One-pot is all about the food and not the washing up. Includes recipes that are Naturally Fast, Fresh & Easy, Cosy & Warm, Posh, Low & Slow and Simple Suppers.

Jacky Leon got away with it. She defended a little human girl, made a few unlikely acquaintances, and survived to tell the tale. Now she's the only werecat in the supernatural community who can say a small family of werewolves lives in her borders. That isn't a good thing, though. As news of her heritage and relation to Hasan becomes more well known, Jacky finds herself in the spotlight, slammed with guilt over recent werecat problems and her duty as a daughter of Hasan. Having ignored the supernatural world and its politics for so long, she had no idea what sort of repercussions would come from her actions to defend Carey Everson. Ignorance can no longer be her shield. Jacky wants to do better. She'll step up to her responsibilities and stop running. She'll learn how to live up to the obligations and expectations of her family. Her honor demands it.

Eternal life. Eternal battle. Steve-Diomedes Tydides to his Trojan War buddies—just had a bad day on his charter fishing boat in San Diego, but when the goddess Athena calls on her faithful warrior for another secret mission, he's ready. The bomb that exploded inside the Metropolitan Museum of Art isn't the crime American authorities think it is. Someone also stole the Cup of Jamshid, and Diomedes knows its fortune-telling abilities won't be used for anything benign. Though Diomedes recovers the Cup from a determined shaman holed up beneath Central Park, when he finds his allies slain and the Cup taken once more, he knows he's up against a truly powerful enemy. Over a millennium has passed since Diomedes last contended with Medea of Colchis, deranged wife of Jason the Argonaut, but neither her madness nor her devotion to Hecate, goddess of witchcraft, has waned, and she intends to use the Cup of Jamshid to release across the world a dark brand of chaos unseen in human history. Immortal since the Trojan War, Diomedes must once again fight for mortals he understands less and less, against a divine evil he may never truly defeat.

LEON, the home of healthy fast food, brings you more than 100

simple, colorful, delicious new recipes to recharge your gut and transform your health LEON was founded on the principle of nourishing the soul with food that nourishes the body - making us happy as a result. Leon: Naturally Fast Food

Leon Happy Guts

“Taut, emotionally intense, and wholly believable, this beautiful and uplifting debut” (Kirkus Reviews) about a young black boy’s quest to reunite with his beloved white half-brother after they are separated in foster care is a sparkling novel perfect for fans of *The Language of Flowers*. Leon loves chocolate bars, Saturday morning cartoons, and his beautiful, golden-haired baby brother. When Jake is born, Leon pokes his head in the crib and says, “I’m your brother. Big brother. My. Name. Is. Leon. I am eight and three quarters. I am a boy.” Jake will play with no one but Leon, and Leon is determined to save him from any pain and earn that sparkling baby laugh every chance he can. But Leon isn’t in control of this world where adults say one thing and mean another. When their mother falls victim to her inner demons, strangers suddenly take Jake away; after all, a white baby is easy to adopt, while a half-black, nine-year-old faces a less certain fate. Vowing to get Jake back by any means necessary, Leon’s own journey will carry him through the lives of a doting but ailing foster mother, Maureen; Maureen’s cranky and hilarious sister, Sylvia; a social worker Leon knows only as “The Zebra”; and a colorful community of local gardeners and West Indian political activists. Told through the perspective of young Leon, too innocent to entirely understand what has happened to him and baby Jake, but determined to do what he can to make things right. In the end, this is an uplifting story about the power of love, the unbreakable bond between brothers, and the truth about what ultimately makes a family. *My Name Is Leon* will capture your imagination and steal your heart with its “moving exploration of race and the foster-care system that offers precious insight into the mind of a child forced to grow up well before his time” (Booklist).

'The only challenger to Jamie Oliver's world domination in the healthy fast-food

stakes is the team behind Leon, which has built a mini-empire on the ethos that "food should taste good and do you good". - Stylist The first Leon restaurant, in London's Carnaby Street, opened its doors in 2004 built on the promise of serving good fast food that does you good. Now, 43 restaurants later, Leon serves thousands of devoted fans a week. Leon Family & Friends is their fourth cookbook, created by Leon co-founder John Vincent and cookery writer and broadcaster Kay Plunkett-Hogge. At the heart of happy family life are meals spent together - sharing flavourful, nutritious food around the kitchen table and swapping stories of the day. Many of us feel we don't have the time to cater for our families in the way that we'd like but Leon Family & Friends shows you how to make the most of the time available to feed your family and celebrates the power of food to bring people together. It's divided into three sections: Today, including great breakfasts and brunch ideas and post-school teas, Tomorrow, for those occasions where some planning is involved - weekend lunches, birthday parties, Christmas and picnics - and finally; Yesterday, a culinary celebration of family food memories. With more than 200 recipes and ideas, there are dishes to keep everyone happy. Children will love the snacks in Crunch! Squish! Slurp! Their parents will welcome the quick suppers in After Lights Out. While no teenager should fly the nest without 10 Things to Know How to Cook Before You Leave Home. A new Leon cookbook is something to celebrate and Family & Friends is destined to become a much-used classic on the kitchen bookshelf.

Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, a man named Oskar Schindler, who saved Leon Leyson's life, and the lives of his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory - a list that became world renowned: Schindler's List. This, the only memoir published by a former Schindler's List child, perfectly captures the innocence of a small boy who goes through the unthinkable. Most notable is the lack of rancour, the lack of venom, and the abundance of dignity in Mr Leyson's telling. The Boy on the Wooden Box is a legacy of hope, a memoir unlike anything you've ever read.

As featured in the Sunday Express and Evening Standard Must Haves '...a heady and enchanting book and a manifesto of our times ...if you're interested in food, film, fashion or simply fantastic adventures to far-flung places, you'll want to devour Kay Plunkett-Hogge's Adventures of a Terribly Greedy Girl'. Metro 'This eclectic memoir, with its evocative vignettes of life in some of the world's most vibrant cities, is punctuated with mouthwatering recipes - everything from sashimi with Thai salsa verde to the perfect dry martini'. Daily Mail '...a romp through the life of one-time male model-booker Kay Plunkett-Hogge. There are recipes and checklists peppered among the riotous stories. Dip in and out or read on the train

to brighten your commute - it's better than a Berocca fix (and far more entertaining'. delicious.magazine '[A] feisty, funny memoir, interspersed with personal recipes. Best enjoyed with a Martini'. Sainsbury's Magazine With a dry martini in hand, Kay Plunkett-Hogge looks back at the happy accidents, regrettable errors and unexpected opportunities that led to a career as a food and drink writer, via stints in the worlds of fashion and film. It is a celebration of a tumbling through life, of mistakes, and opportunities laid bare. As you read, Kay shares 25 delicious recipes she discovered along the way, from her grandmother's apple crumble to sashimi with Thai salsa verde. Chapters include 10 Things I Learnt in New York, The Comfort of a Roast Chicken and What Would Martha Do? Joyful, witty and occasionally indiscreet, Adventures of A Terribly Greedy Girl is about the benefits of letting your curiosity trump your good sense.

The emphasis throughout is on great flavour and keeping things simple.

A collection of simple and delicious recipes from award-winning restaurant Leon that can be pulled together in a flash. 'The dream is to bring really good food at a good price to as many people as possible. It makes Leon sound like a new religion. If so, it's one that can count our judges as among its growing congregation of worshippers.' - Observer Food Monthly Awards *The first Leon restaurant, on London's Carnaby Street, opened its doors in July 2004, aiming to change the face of fast food by bringing fresh, wholesome cooking to the high street. Since then Leon has grown to more than 55 restaurants, including in Washington DC. Leon's food message is a simple and honest one that hasn't changed since the opening of that first branch -*

cook and eat with the best ingredients available and don't forget the naughty bits that are necessary for a fully-rounded life. *Leon Naturally Fast Food* is a book of two halves. The first is *Fast Food*, which contains recipes for every occasion that take a maximum of 20 minutes to prepare: from a work day breakfast and children's meals to simple suppers and party food. The second half is *Slow Fast Food*, which contains meals that can be made in advance when you have the time, to enjoy when you don't. The wide range of recipes will satisfy both the experienced cook and the culinary adventurer in search of inspiration.

Leon H. Keyserling: A Progressive Economist is the insightful biography of the life and thought of the influential liberal reformer Leon H. Keyserling. By examining Keyserling's life in the context of integrative liberalism, the biography aims to explore the origins of the concept of integrative liberalism and Keyserling's profound and provocative contribution to it. The book follows the political reformer's life from the beginning of his career as a member of Democratic Senator Robert Wagner's staff, at the same time showing how the Progressive Movement, before World War I, was the ideological and institutional origin for integrative liberalism. The Great Depression and subsequent New Deal, to which Keyserling was a significant contributor, allowed integrative liberalism to develop until the movement started losing vitality in the 1960's and came to an end during the Reagan Presidency. In the meantime, the book presents Keyserling as a major sculptor of Truman's economic policies, after which he left the government and began effectively debating public policy on his own. Tracing Keyserling's interactions with each presidency, the biography shows that Keyserling's policies and politics were expressive of integrated liberalism, an often-overlooked philosophy of reform in the second half of the twentieth century. The ideological cornerstone of integrative liberalism was a full employment public policy, expressed as economic growth and developed directly from United States history. The fear driving the policy was that there would be wide swings in the business cycle, resulting in underemployment and economic stagnation. This sentiment and fear has an impact even now in the twenty-first century, making Leon H. Keyserling a timely and profitable study for graduate and undergraduate students of history, economics, political science, and public administration.

Shares family-friendly recipes from the actor's Italian heritage and his wife's British roots, including recipes for such dishes as baked salmon, sausage rolls, Tuscan tomato soup, and blueberry pie.

'Kay can cook - but she can shake a damn fine cocktail too.' - Heston Blumenthal Kay Plunkett-Hogge demonstrates that entertaining need not be stressful with more than 90 deliciously simple recipes for cocktails and finger food that can easily be scaled up and made in advance. Kay draws on her own party-planning experience to help you be the perfect host, with handy tips on everything from guest list to painless clean-up. Features favourite recipes from three of Kay's previous books, including the award-winning Make Mine A Martini, as well as new creations such as Mini Cornbreads with Bacon, Chilli and Cheese, Smoked Mackerel Paté and Scandinavian Glögg.

In this unflinching and inspiring memoir, Jesse Leon tells an extraordinary story of resilience and survival, shining a light on a childhood spent devastated by sex trafficking, street life, and substance abuse. Born to indigenous working-class Mexican immigrants in San Diego in the 1970s, Jesse Leon's childhood was violently ruptured. A dangerous and harrowing encounter at a local gift shop when he was eleven years old left Jesse with a deadly secret. Hurt, alone, and scared for his life, Jesse numbed his pain by losing himself in the hyper-masculine culture of the streets and wherever else he could find it—in alcohol, drugs, and prostitution. Overlooked by state-sanctioned institutions and systems intended to help victims of abuse, neglected like many other low-income Latinos, Jesse spiraled into cycles of suicide and substance abuse. *I'm Not Broken* is the heartbreaking and remarkable story of the journey Jesse takes to win back his life, leading him to the steps of Harvard University. From being the lone young person of color in Narcotics Anonymous meetings to coming to terms with his own sexual identity, to becoming an engaged mentor for incarcerated youth, Jesse finds the will to live with the love and support of his family, friends, and mentors. Recounting the extraordinary circumstances of his life, Jesse offers a powerful, raw testament to the possibilities of self-transformation and self-acceptance. Unforgettable, *I'm Not Broken* is an inspirational portrait of one young man's indomitable strength and spirit to survive—against all possible odds.

"Discover what truly happens behind the scenes in the world of high fashion in this detailed, storied memoir from style icon, bestselling author, and former Vogue creative director André Leon Talley. During André Leon Talley's first magazine job assisting Andy Warhol at Interview, a fateful meeting with Karl Lagerfeld began a decade's long friendship with the enigmatic, often caustic designer. Propelled into the upper echelons by his knowledge and adoration of fashion, Talley moved to Paris as bureau chief of John Fairchild's Women's Wear Daily, befriending fashion's most important designers. But as Talley made friends, he also made enemies. A racially tinged encounter with a member of the house of Yves Saint Laurent sent him back to New York and into the offices of Vogue under Grace Mirabella. There, he developed an unlikely but intimate friendship with Anna Wintour, and as she rose to the top of Vogue's masthead, Talley became the most influential man in fashion. *The Chiffon Trenches* is a candid look at the who's who of the last fifty years of fashion, and proof that fact is always fascinatingly more devilish than fiction. André Leon Talley's engaging memoir tells the story of how he not only survived but thrived—despite racism, illicit rumors, and all the other challenges of this notoriously cutthroat

industry--to become one of the most legendary voices and faces in fashion"--
Do you feel stuck in life, not knowing how to make it more successful? Do you wish to become more popular? Are you craving to earn more? Do you wish to expand your horizon, earn new clients and win people over with your ideas? The Tucci Table

A Memoir

'The dream is to bring really good food at a good price to as many people as possible. It makes Leon sound like a new religion. If so, it's one that can count our judges as among its growing congregation of worshippers.' - Observer Food Monthly Awards
The first Leon restaurant, on London's Carnaby Street, opened its doors in July 2004, aiming to change the face of fast food by bringing fresh, wholesome cooking to the high street. Since then Leon has grown to more than 55 restaurants, including in Washington DC. Leon's food message is a simple and honest one that hasn't changed since the opening of that first branch - cook and eat with the best ingredients available and don't forget the naughty bits that are necessary for a fully-rounded life. Leon Naturally Fast Food is a book of two halves. The first is Fast Food, which contains recipes for every occasion that take a maximum of 20 minutes to prepare: from a work day breakfast and children's meals to simple suppers and party food. The second half is Slow Fast Food, which contains meals that can be made in advance when you have the time, to enjoy when you don't. The wide range of recipes will satisfy both the experienced cook and the culinary adventurer in search of inspiration.

'Cook yourself healthy and happy!' - the Sunday Telegraph
From the very beginning, LEON has asked the question: why can't fast food be delicious and good for you? Well, it can - this book is packed with the quickest recipes from around the world that have been given a healthy-but-flavourful LEON spin. From burgers to baguettes, pizza to pasta and wraps to

(jack)wings, Leon Happy Fast Food offers 100 recipes organized into five sections: Breads & Buns, Salads, On the Hob, Grilled & Baked, Sides, Sauces & Rubs and Sweets & Shakes.

But listen cause I'm only gone say this once when I went to the streets I was fascinated by the hustlers pimps and drug dealers with money power and muscle that people feared cause they saw someone not to be disrespected on Conrad level X-felone level and special education learning level. The street life I wanted to be gangster and thug and loved the fact of the lawlessness lack of discipline and structure plus I could do whatever I wanted and felt powerful. I grew up marvel comic book fan to hide my shy behavior to fantasize about alter ego of me with super powers. But at home I didn't feel powerful, I went to the streets, moreover because I didn't feel my own power or control at home. Amen father and mother in loving memory to having deal with my talents ego tripping masking my behavior with super heroes birth-right. Humbly my sister's knew I was menace to society hard head knuckle head what my father still calls me or cucle bug cause I didn't like to comb my hair their is lots more about my behavior listen let me explain my family legacy.

A classic of Italian literature! The chief merit of this work lies in its scope: it directly assays the personal value system of the Florentine bourgeois class, which did so much to foster the development of art, literature, and science. It displays a variety of high styles high rhetoric, systematic moral exposition, novelistic portrayal of character in the typical Renaissance framework of the dialogue. The treatise, in its entirety, shows a Florentine paterfamilias and two uncles instructing some submissive nephews in the ethics of private life. Money and reputation are its primary themes. Book III, the most dramatic, far-ranging, and down-to-earth of the four books, does not present a single bourgeois outlook but, as a dialogue, expresses conflicting points of view, enabling students to relive social and moral conflicts that troubled early capitalist society.

Havoc Rising

You only have to change one life in order to change the world. The question is: Are you ready? Go Be Kind isn't just a journal or another how-to guide to creating the life you want. It's a series of daily adventures that will help you rediscover the greatest human gift—kindness, which inspires interpersonal connection and is the most rewarding way to lead a more magnificent life. Created by Leon Logothetis, host of The Kindness Diaries on Netflix, this life-changing book is filled with highly classified missions, treasure hunts, dream dates, awkward moments, and daily adventures that are guaranteed to change your life. You will step outside of your comfort zone. You will become best friends with total strangers. Some of the adventures can be done while you're falling asleep at night. Some of them will open your eyes to things you've never seen before. And all of them are really easy. It might take 28 ½ days. It might take 11. Or you can take all the time you need (the adventure is up to you). This adventure is about to change your life. And someone else's, too . . . Because once we start being kind, we realize that there is no faster way to happiness. It will change how you see the world, how you connect with other people, and how you connect with yourself. And it starts with you. Let's do it. #gobekind
