The Krinar Chronicles

A billionaire who wants a perfect wife... At thirty-five, Marcus

Carelli has it all: wealth, power, and the kind of looks that leave women breathless. A self-made billionaire, he heads one of the largest hedge funds on Wall Street and can take down major corporations with a single word. The only thing he's missing? A wife who'd be as big of an achievement as the billions in his bank account. A cat lady who needs a date... Twenty-six-year-old bookstore clerk Emma Walsh has it on good authority that she's a cat lady. She doesn't necessarily agree with that assessment, but it's hard to argue with the facts. Raggedy clothes covered with cat hair? Check. Last professional haircut? Over a year ago. Oh, and three cats in a tiny Brooklyn studio? Yep, she's got those. And yes, fine, she hasn't had a date since... well, she can't recall. But that part is fixable. Isn't that what the dating sites are for? A case of mistaken identity... One high-end matchmaker, one dating app, one mix-up that changes everything... Opposites may attract, but can this last? She isn't supposed to fall in love with him... He's one of the aliens who invaded Earth. Harper King is like most

humans—she works hard at her job and does her best not to think too much about the Krinar. The mysterious aliens took over her planet five years ago, and since then, rumors have surrounded them... whispers of super strength and speed, incredible beauty, and advanced technology. Harper should hate them, since her parents died the day they invaded, but something about the infamous Krinar fascinates her. Little does she know that the sinfully gorgeous drifter who rescues her from a bar fight will give her the close encounter she's always dreamed of. Sef is supposed to be infiltrating a human resistance group, not seducing sweet little human females. But from the moment he sets eyes on Harper, he knows he must have her and will do anything to possess her. Using his human disguise, he lures Harper into his arms and his bed. When it's far too late for her to escape him, he reveals that he's a Krinar, one of the powerful and terrifying aliens she's always wanted to meet. He gives her a choice: to save her brothers, she must give herself to him—heart, body, and soul. Will she choose her dark, seductive alien lover to save her family? Or will she resist

Voici la suite passionnante de la série des Dimensions de l'esprit par un auteur de bestsellers au classement du New York Times et de USA Today. Kidnappé. Conscience élargie. Et ce n'était que le début de ma journée. J'ai toujours cru être un type assez sympa. Du genre qui ne voudrait jamais tuer quelqu'un. Apparemment je manquais juste de motivation. Certains crimes ne peuvent jamais être pardonnés.

My instincts warned me that Alex Volkov is a dangerous man. My

mind told me to run when he set his sights on me with unfaltering determination. It's not that I didn't try to resist, but Alex had a game plan. He was always one step ahead of me, skillfully drawing me deeper into his web. Even when he gave me freedom, it was only an illusion. Now, even that illusion has vanished. I'm his prisoner in the truest sense of the word, whisked away to Russia on his private plane. I no longer have a say, not while our lives are at risk, and maybe never again. Our story balances on a thin edge between disaster and happiness. With each day that passes, I grow less certain of which side the coin will land on... or if we'll even survive. Note: This is the conclusion of Alex and Kate's story.

Everyone thinks I'm a genius. Everyone is wrong. Sure, I finished Harvard at eighteen and now make crazy money at a hedge fund. But that's not because I'm unusually smart or hardworking. It's because I cheat. You see, I have a unique ability. I can go outside time into my own personal version of reality, the place I call "the Quiet", where I can explore my surroundings while the rest of the world stands still. I thought I was the only one who could do this, until I met her. My name is Darren, and this is how I learned that I'm a reader.

You are cordially invited to the wedding of the decade. Adam Drake and Emilia Kimberly Strong have chosen a date to solidify their love in the bonds of matrimony. Join them on their exotic destination wedding. Visit with their friends

and loved ones. But hold the champagne toast. Fate has a few last tests for our couple on their way to the altar. Natural 20 or natural disaster?

"Uplifting and lighthearted with sassy dialogue and delicious wit, this modern-day comedy will have you rolling around on the floor laughing. My top-of-the-list romcom for 2020!" - Charmaine Pauls, USA Today bestselling author My new assignment at work: test out toys. Yup, that kind. Well, technically, it's to test the app that controls the toys remotely. One problem? The showgirl who's supposed to test the hardware (as in, the actual toys) joins a nunnery. Another problem? This project is important to my Russian boss, the broody, mouthwateringly sexy Vlad, a.k.a. The Impaler. There's only one solution: test both the software and the hardware myself... with his help. NOTE: This is a standalone, raunchy, slow-burn romantic comedy featuring a quirky, nerdy heroine, her hot, mysterious Russian boss, and two guinea pigs who may or may not be into scissoring each other. If any of the above is not your cup of tea, run far, far away. Otherwise, buckle in for a snort-water-up-the-nose-funny, feel-good ride.

A dark and edgy romance that will appeal to fans of erotic and turbulent relationships . . . In the near future, the Krinar rule the Earth. An advanced race from another galaxy, they are still a mystery to us – and we are completely at their mercy. Shy and innocent, Mia Stalis is a college student in New York City

who has led a very normal life. Like most people, she's never had any interactions with the invaders – until one fateful day in the park changes everything. Having caught Korum's eye, she must now contend with a powerful, dangerously seductive Krinar who wants to possess her and will stop at nothing to make her his own. How far would you go to regain your freedom? How much would you sacrifice to help your people? What choice will you make when you begin to fall for your enemy? **WARNING:** This book contains strong sexual content and explicit language and is not suitable for readers under 18.
