While teaching ESL can be challenging, it can also be a very rewarding experience. This book is designed to help you, the ESL teacher, become better equipped to create enjoyable and effective ESL lessons for your students. Here, you'll learn everything that you need to know to plan great lessons for your classes so that you and your students can make learning English easy, stress-free, and fun.

The activities in this book serve as a foundation for lesson planning elements that let you self-assess how your plans impact student learning.
