*21st Century Communication is a four-level series that uses powerful ideas from TED Talks to teach learners to think critically and communicate effectively. Through authentic models of effective communication, students build fluency in the listening and speaking skills needed to achieve academic and personal success.*

*First Published in 1985. Milton H. Erickson M.D.(1901-1980) was generally acknowledged as the world's foremost authority on hypnotherapy and brief strategic therapy. This volume presents the complete transcript of a five day seminar with Milton Erickson. The reader will experience Erickson talking about his method of therapy, demonstrating his techniques, telling one fascinating anecdote after another- anecdotes which often produce feelings of cognitive dissonance and surprise, but eventually illuminate new ways of seeing patients and thinking about psychotherapy.*

*21st Century Reading was created through a partnership between TED, a nonprofit dedicated to spreading ideas through short, powerful talks and National Geographic Learning. 21st Century Reading provides the ideal forum for learners of English to make connections with topics ranging from science to business to global issues. Using TED Talks as the springboard to share ideas, this new four-level reading series shows learners how to understand and respond to ideas and content in English. Stories of Ourselves : Volume 2

English Adventure

*In Practical Thinking de Bono's theme is everyday thinking, how the mind actually works - not how philosophers think it should. Based on the results of his famous Black Cylinder Experiment (a critical thinking task that asks participants why they think a black cylinder falls over), de Bono explores the four practical ways of being right. From there he picks out and names the five levels of understanding - and the five major mistakes in thinking. From memes and Instagram to twitter and bestselling books like Mistakes I Made At Work, mistakes - and what we can learn from them - are a hot topic. With Edward you'll learn exactly why we all make them.*

*This series contains poetry and prose anthologies composed of writers from across the English-speaking world. Stories of Ourselves Volume 2 is a set text for Cambridge IGCSE®, O Level and International AS & A Level Literature in English courses. The anthology contains short stories written in English by authors from many different countries and cultures, including Charles Dickens, Virginia Woolf, Christina Rossetti, Janet Frame, Jhumpa Lahiri, Romesh Gunsekera, Segun Afolabi, Margaret Atwood and many others. Classic writers appear alongside new voices from around the world in a stimulating collection with broad appeal.*

The adventures of Tiptoes Lightly, who lives in an acorn high up in the branches of a Great Oak Tree.

If we want to understand how German speakers think about themselves and the world in which they live, then a useful place to begin is by looking at the language they use. This fully revised and updated edition provides a systematic approach to the study of the German language and an introduction to the social aspects of the language, including its dialects, its history and the uses of the language. The chapter is accompanied by a series of practical exercises. This edition includes a brand new section on gender, purism and German unification, fresh examples for analysis and an updated chapter on the geography of Germany today. The book will help students not only to find new ways of exploring the German language, but also of thinking and talking about German-speaking cultures.

Activity Books at every level help reinforce the language and give further opportunities for practice.

*A thrilling new fantasy series—full of deadly magic, double crosses, and a dangerous quest in a new world—from Sara Raasch, the New York Times bestselling author of the Snow Like Ashes series. Adeluna is a soldier. Five years ago, she helped the magic-rich island of Grace Loray overthrow its oppressor, Agrid, a country ruled by religion. But adjusting to postwar life has not been easy. When an Argridian delegate vanishes during peace talks with Grace Loray's new Council, Argrid demands brutal justice—but Lu suspects something dangerous is at work. Devereux is a pirate. As one of the stream raiders who run rampant on Grace Loray, he scavenges the island's magic plants and sells them on the black market. But after Argrid accuses raiders of the diplomat's abduction, Vex becomes a target. An expert navigator, he agrees to help Lu find the Argridian—but the truth they uncover could be deadlier than any war. Benat is a heretic. The crown prince of Argrid, he harbors a secret obsession with Grace Loray's forbidden magic. When Ben's father, the king, gives him the shocking task of reversing Argrid's fear of magic, Ben has to decide if one prince can change a devout country—or if he's building his own pyre. As conspiracies arise, Lu, Vex, and Ben will have to decide who they really are . . . and what they are willing to become for peace.*
