

Letters To Children Cs Lewis

"Popular thought-leader and blogger explores a biblical spirituality that makes our mind and body relevant"--Provided by publisher.

Sexism in Narnia? Or Screwtape? Or amongst the Inklings? Many critics have labelled C.S. Lewis a sexist, even a misogynist. Did the life and writing of the hugely popular author and professor betray attitudes that today are unacceptable, even deplorable? The younger Lewis was criticized for a mysterious living arrangement with a woman, but his later marriage to an American poet, Joy Davidman, became a celebrated love story. As a writer he, along with J.R.R. Tolkien, formed a legendary literary group, the Inklings - but without women. In this collection of short essays, opinion pieces, and interviews, academics and writers come together to investigate these accusations. They include Alister McGrath, Randy Alcorn, Monika Hilder, Don W. King, Kathy Keller, Colin Duriez, Crystal Hurd, Jeanette Sears, David C. Downing, Malcolm Guite, and Holly Ordway. The resulting work, *Women and C.S. Lewis*, provides broad and satisfying answers.

Now a USA TODAY and Publishers Weekly bestseller! Meet the brilliant writer, fiercely independent mother, and passionate woman who captured the heart of C.S. Lewis and inspired the books that still enchant and change us today. When poet and writer Joy Davidman began writing letters to C. S. Lewis—known as Jack—she was looking for spiritual answers, not love. Love, after all, wasn't holding together her crumbling marriage. Everything about New Yorker Joy seemed ill-matched for an Oxford professor and the beloved writer of *The Chronicles of Narnia*, yet their minds bonded over their letters. Embarking on the adventure of her life, Joy traveled from America to England and back again, facing heartbreak and poverty, discovering friendship and faith, and against all odds, found a love that even the threat of death couldn't destroy. In this masterful exploration of one of the greatest love stories of modern times, we meet a brilliant writer, a fiercely independent mother, and a passionate woman who changed the life of this respected author and inspired books that still enchant us and change us. Joy lived at a time when women weren't meant to have a voice—and yet her love for Jack gave them both voices they didn't know they had. At once a fascinating historical novel and a glimpse into a writer's life, *Becoming Mrs. Lewis* is above all a love story—a love of literature and ideas and a love between a husband and wife that, in the end, was not impossible at all. Praise for *Becoming Mrs. Lewis*: "Becoming Mrs. Lewis deftly explores the life and work of Joy Davidman, a bold and brilliant woman who is long overdue her time in the spotlight. Carefully researched. Beautifully written. Deeply romantic. Fiercely intelligent. It is both a meditation on marriage and a whopping grand adventure. Touching, tender, and triumphant, this is a love story for the ages." —Ariel Lawhon, New York Times bestselling author of *I Was Anastasia* "Patti Callahan Henry breathes wondrous fresh life into one of the greatest literary love stories of all time . . . The result is a deeply moving story about love and loss that is transformative and magical." —Pam Jenoff, New York Times bestselling author of *The Orphan's Tale* "It's novel. And it's a very good one. . . extraordinarily accurate. . . more accurate than most biographical essays that have been written about my mother." —Douglas Gresham, son of Joy Davidman, wife of C.S. Lewis This expanded edition includes: Map of Oxford Expanded discussion guide with 20+ questions for book clubs Timeline of Jack's and Joy's Lives Joy's (imagined) letter to Jack 10 Things You May Not Know About Joy Davidman and C. S. Lewis's Love Story Behind-the-scenes essay: Oxford—The City

Offers a brief chronology of Lewis's life and a guide to his writings and their literary references

The Joy of Seeing New Worlds Through Others' Eyes

Letters to Malcolm: Chiefly on Prayer

The Reading Life

Letters to Young Churches

The Collected Letters of C.S. Lewis

The correspondence between C.S. Lewis and Father Giovanni Calabria in a language that they both knew, Latin. The letters show Lewis's strong devotional side, and discuss such topics as Christian unity, modern European history, liturgical worship, and general ethical behavior.

Written after his wife's tragic death as a way of surviving the "mad midnight moment," *A Grief Observed* is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

When Lewis was 51 years old and long established at Magdalen College, Oxford, he wrote the first of this collection of letters to an American widow. She was described as a "very charming, gracious, southern aristocratic lady who loved to talk and speak well". In them are his antipathy to journalism, advertising, snobbery, psychoanalysis, and the petty practices that sap freedoms. They identify events in his life after 1950 including his marriage to Joy Davidman and her death three years later.

Contains the text of letters that the famed author wrote to children, as he shared his feelings about school, writing, and animals, among other topics, and demonstrated his deep understanding of young people. Reprint.

The Screwtape Letters

The Collected Letters of C.S. Lewis, Volume 1

Narnia, Cambridge, and Joy, 1950 - 1963

Through the Wardrobe: How C. S. Lewis Created Narnia

Meditations on Faith, Life, Love, and Literature

The Screwtape Letters is a Christian apologetic novel. It is written in a satirical, epistolary style and while it is fictional in format, the plot and characters are used to address Christian theological issues, primarily those to do with temptation and resistance to it. The story takes the form of a series of letters from a senior Demon

Screwtape to his nephew Wormwood, a Junior Tempter. The uncle's mentorship pertains to the nephew's responsibility for securing the damnation of a British man known only as "the Patient". In The Screwtape Letters, C. S. Lewis provides a series of lessons in the importance of taking a deliberate role in Christian faith by portraying a typical human life, with all its temptations and failings, seen from devils' viewpoints. Lewis wrote the sequel Screwtape Proposes a Toast - a critique of certain trends in British public education (Although Britain calls its major private schools "public schools", Lewis is referring to state schools when he criticizes "public education"). Clive Staples Lewis (1898-1963) was a British novelist, poet, academic, medievalist, lay theologian and Christian apologist. He is best known for his fictional work, especially The Screwtape Letters, The Chronicles of Narnia, and The Space Trilogy, and for his non-fiction Christian apologetics, such as Mere Christianity, Miracles, and The Problem of Pain.

A repackaged edition of the revered author's spiritual memoir, in which he recounts the story of his divine journey and eventual conversion to Christianity. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics—takes readers on a spiritual journey through his early life and eventual embrace of the Christian faith. Lewis begins with his childhood in Belfast, surveys his boarding school years and his youthful atheism in England, reflects on his experience in World War I, and ends at Oxford, where he became "the most dejected and reluctant convert in all England." As he recounts his lifelong search for joy, Lewis demonstrates its role in guiding him to find God.

A captivating collection of letters offers rare personal insight into the life of C. S. Lewis's wife, an accomplished writer in her own right, revealing her curious mind and chronicling her intellectual journey, from secular Judaism to Christianity; her struggles in reconciling her career goals with family life; and her confrontation with cancer, which eventually took her life.

This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. The Deluxe Illustrated Edition of a Timeless Classic Now with this enhanced edition, readers can gain additional insight through video interviews, audio excerpts and letters from C. S. Lewis. First published in 1942, The Screwtape Letters has sold millions of copies world-wide and is recognized as a milestone in the history of popular theology. A masterpiece of satire, it entertains readers with its sly and ironic portrayal of human life and foibles from the vantage point of Screwtape, a highly placed assistant to "Our Father Below." At once wildly comic, deadly serious, and strikingly original, The Screwtape Letters is the most engaging account of temptation—and triumph over it—ever written.

Letters to an American Lady

A Complete Guide to His Life & Works

C. S. Lewis was a prolific letter writer, and his personal correspondence reveals much of his private life, reflections, friendships, and the progress of his thought. This second of a three-volume collection contains the letters Lewis wrote after his conversion to Christianity, as he began a lifetime of serious writing. Lewis corresponded with many of the twentieth century's major literary figures, including J. R. R. Tolkien and Dorothy Sayers. Here we encounter a surge of letters in response to a new audience of laypeople who wrote to him after the great success of his BBC radio broadcasts during World War II -- talks that would ultimately become his masterwork, Mere Christianity. Volume II begins with C. S. Lewis writing his first major work of literary history, The Allegory of Love, which established him as a scholar with imaginative power. These letters trace his creative journey and recount his new circle of friends, "The Inklings," who meet regularly to share their writing. Tolkien reads aloud chapters of his unfinished The Lord of the Rings, while Lewis shares portions of his first novel, Out of the Silent Planet. Lewis's weekly letters to his brother, Warnie, away serving in the army during World War II, lead him to begin writing his first spiritual work, The Problem of Pain. After the serialization of The Screwtape Letters, the director of religious broadcasting at the BBC approached Lewis and the "Mere Christianity" talks were born. With his new broadcasting career, Lewis was inundated with letters from all over the world. His faithful, thoughtful responses to numerous questions reveal the clarity and wisdom of his theological and intellectual beliefs. Volume II includes Lewis's correspondence with great writers such as Owen Barfield, Arthur C. Clarke, Sheldon Vanauken, and Dom Bede Griffiths. The letters address many of Lewis's interests -- theology, literary criticism, poetry, fantasy, and children's stories -- as well as reveal his relationships with close friends and family. But what is apparent throughout this volume is how this quiet bachelor professor in England touched the lives of many through an amazing discipline of personal correspondence. Walter Hooper's insightful notes and comprehensive biographical appendix of the correspondents make this an irreplaceable reference for those curious about the life and work of one of the most creative minds of the modern era.

Miracles is a book written by C. S. Lewis, originally published in 1947 and revised in 1960. Lewis argues that before one can learn from the study of history whether or not any miracles have ever occurred, one must first settle the philosophical question of whether it is logically possible that miracles can occur in principle. He accuses modern historians and scientific thinkers, particularly secular Bible scholars, of begging the question against miracles, insisting that modern disbelief in miracles is a cultural bias thrust upon the historical record and is not derivable from it

This collection brings together the best of C.S. Lewis's letters, many published for the first time. Arranged in chronological order, this final volume covers the years 1950 - the year 'The Lion, the Witch and the Wardrobe' was published - through to Lewis's untimely death in 1963. C.S. Lewis was a most prolific letter-writer and his personal correspondence reveals much of his private life, reflections, friendships and feelings. This collection, carefully chosen and arranged by Walter Hooper, is the most extensive ever published. In this great and important collection are the letters Lewis wrote to J.R.R. Tolkien, Dorothy L. Sayers, Owen Barfield,

Arthur C. Clarke, Sheldon Vanauken and Dom Bede Griffiths. To some particular friends, such as Dorothy L. Sayers, Lewis wrote over fifty letters alone. The letters deal with all of Lewis's interests: theology, literary criticism, poetry, fantasy, children's stories as well as revealing his relationships with family members and friends. The third and final volume begins with Lewis, already a household name from his BBC radio broadcasts and popular spiritual books, on the cusp of publishing his most famous and enduring book, 'The Lion, the Witch and the Wardrobe', which would ensure his immortality in the literary world. It covers his relationship with Joy Davidman, subject of the film 'Shadowlands', and includes letters right up to his death on 22 November 1963, the day that John F. Kennedy was assassinated.

The Collected Letters of C.S. Lewis, Volume 3

Collected Letters

A gift set containing C. S. Lewis's most popular works -- Mere Christianity and The Screwtape Letters.

When we pursue a higher view of God - when we seek his kingdom above all -we will soon discover that there is a Christian way of seeing everything else. And then we will have found the secret of a truly meaningful and satisfying life. Jesus revealed profound truth through simple stories and the Bible itself is the greatest storybook ever written. Here are stories about life, faith and our world. They're stories about people -some famous and others unknown. Some of these folks are in the Bible - others might live in your neighborhood. Some are kings and presidents, some are prophets and disciples and some are athletes and soldiers. Others are just ordinary people discovering what it means to live in this world as it is. These are stories about hope and despair, joy and sadness, and triumph and tragedy. They are stories about love and longing, life and death, fear and courage, and about heaven and hell. They're also about history, politics and current events; about the Bible, theology and the Church. To live for Christ is to live for him fully. And to live for Christ fully is to live for him everywhere and in everything. How important our faith is to us - and the difference it makes -- all depends on how we see it. Nothing matters more than this - and nothing changes us more than this. These stories remind us that to know Jesus Christ -to desire to be his true follower - is not just to see him more clearly. It is, through Christ, to see everything else.

The most trusted study guide to learning The Screwtape Letters! Reading The Screwtape Letters by C.S. Lewis can be a little difficult and confusing at times. Not so with The Screwtape Letters Study Guide! This comprehensive Bible study workbook breaks down each of the thirty one letters into easy-to-understand segments helping you understand and be able to confidently share with others. The Screwtape Letters is a brilliant and satirical look at spiritual warfare and the dynamics of temptation. Screwtape, a senior demon in the bureaucracy of Hell, writes letters to his incompetent nephew Wormwood, a junior devil. The younger demon's assignment is to corrupt a young man living in London during the tumultuous days of World War II. Using Scripture references, discussion questions, and related commentary, The Screwtape Letters Study Guide examines each letter through a Christian lens of morality, temptation, and good and evil. This complete Bible study experience is perfect for book clubs, church groups, and independent study. Detailed character sketches and an easy-to-read book summary provide deep insights into each character and letter of the book. To help with those more difficult discussion questions, a complete Answer Guide and Scripture Reference Guide is available for free online. The Screwtape Letters Study Guide includes: · Twelve sessions of study with multi-week options included · Comprehensive Bible study workbook with studies for each week · Complete character sketches and summaries to go deeper · Bible study questions that are ideal for group discussion · Answer Guide for all questions and Scripture Reference Guide available for free online · Perfect for book clubs, small groups, or individual Bible study · Available in print or e-book formats Explore every shocking and amusing detail of this iconic classic to better understand Christianity and the foolish war raging against it. There's no better tool for making that happen than with The Screwtape Letters Study Guide! Endorsement Vermilye walks the reader through each Screwtape letter and wisely asks questions to bring out turns and twists in the thoughts and emotions that we each experience and that Lewis wanted us to recognize. Steven Urban PhD, Author of Mere Christianity Study Guide

A lyrical nonfiction picture book about the inspired life of C. S. Lewis, the beloved author of the Chronicles of Narnia—from Free as a Bird author-illustrator Lina Maslo. Perfect for fans of The Important Thing About Margaret Wise Brown and Some Writer!: The Story of E.B. White. As a child, Clive Staples Lewis imagined many things . . . heroic animals and knights in armor and a faraway land called Boxen. He even thought of a new name for himself—at four years old, he decided he was more of a Jack. As he grew up, though, Jack found that the real world was not as just as the one in his imagination. No magic could heal the sick or stop a war, and a bully's words could pierce as sharply as a sword. So Jack withdrew into books and eventually became a well-known author for adults. But he never forgot the epic tales of his boyhood, and one day a young girl's question about an old family wardrobe inspired him to write a children's story about a world hidden beyond its fur coats . . . a world of fauns and queens and a lion named Aslan. A world of battles between good and evil, where people learned courage and love and forgiveness. A magical realm called Narnia. And the books he would write about this kingdom would change his life and that of children the world over. Share this magical nonfiction picture book at home or in the classroom.

Letters

From the bestselling author of the National Book Award winner Let the Great World Spin comes a lesson in how to be a writer—and so much more than that. Intriguing and inspirational, this book is a call to look outward rather than inward. McCann asks his

readers to constantly push the boundaries of experience, to see empathy and wonder in the stories we craft and hear. A paean to the power of language, both by argument and by example, *Letters to a Young Writer* is fierce and honest in its testament to the bruises delivered by writing as both a profession and a calling. It charges aspiring writers to learn the rules and even break them. These fifty-two essays are ultimately a profound challenge to a new generation to bring truth and light to a dark world through their art. A final installment of a three-volume series is comprised of personal correspondences as penned during the final part of his life, a time during which he passed his days at Cambridge and wrote the Narnia chronicles.

The revered teacher and bestselling author of such classic Christian works as *Mere Christianity* and *The Screwtape Letters* reflects on the power, importance, and joy of a life dedicated to reading books in this delightful collection drawn from his wide body of writings. More than fifty years after his death, revered intellectual and teacher C. S. Lewis continues to speak to readers, thanks not only to his intellectual insights on Christianity but also his wondrous creative works and deep reflections on the literature that influenced his life. Beloved for his instructive novels including *The Screwtape Letters*, *The Great Divorce*, and *The Chronicles of Narnia* as well as his philosophical books that explored theology and Christian life, Lewis was a life-long writer and book lover. Cultivated from his many essays, articles, and letters, as well as his classic works, *How to Read* provides guidance and reflections on the love and enjoyment of books. Engaging and enlightening, this well-rounded collection includes Lewis' reflections on science fiction, why children's literature is for readers of all ages, and why we should read two old books for every new one. A window into the thoughts of one of the greatest public intellectuals of our time, this collection reveals not only why Lewis loved the written word, but what it means to learn through literature from one of our wisest and most enduring teachers.

A USA Today bestseller! "These well-chosen Lewis quotes will inspire readers and prompt them to make their own spiritual reflections." —Publishers Weekly
Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works. Selections from C.S. Lewis' *Little Book of Wisdom*: "If God had granted all the silly prayers I've made in my life, where should I be now?" "Surely arrested development consists not in refusing to lose old things, but in failing to add new things..." "Do not dare not to dare." "We are mirrors whose brightness is wholly derived from the sun that shines upon us." "I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity."

Lewis's most important spiritual works: Mere Christianity, Screwtape Letters, The Great Divorce, The Problem of Pain, Miracles, A Grief Observed, and The Abolition of Man.

ABOUT THE BOOK World famous author C.S. Lewis is best known for his numerous literary masterpieces and his role as a Christian apologist. Lewis's career has touched people's lives and attracted criticism in equal parts. From the stances he takes in his non-fiction approach to interpreting the Bible, much of Lewis's fame has come as a result of ruffling feathers with his incredible talent. You will have heard of Lewis's most famous novels, The Chronicles of Narnia. The series of seven fantasy books is what earned Lewis as a talented author. However, critics have accused Lewis of conforming to gender and racial stereotypes in the series. Despite these controversies, some of the novels have been made into successful films. Aside from writing novels that appeal to children, Lewis also wrote a number of rather dark poems. As a far cry from his books that featured plucky heroes and heroines, Lewis's poems focused on moral and spiritual themes. "After Prayers, Lie Cold," which opens with "Arise my body, my small body, we have striven," Lewis addresses death and nature. FROM THE BOOK Lewis may be best known for The Chronicles of Narnia, but he also gained fame through publishing other fictional masterpieces. The Space Trilogy steps away from Lewis' usual themes of myths and magic, and instead focuses on what life might be like on other planets. The series begins with Out of the Silent Planet, which is set on Mars. The main character, Elwin, discovers that he is banished by all of the other planets, and exists in solitude within the solar system. This was then followed by Perelandra, which is set on Venus, where humans have just begun to live. Finally, the series ends with The Hideous Strength, a book that features a battle with demons who want to lay waste to Earth. Throughout the books, the old solar system and cosmology are featured, as well as Lewis' Mere Christianity is a series of radio interviews that Lewis gave on Christianity that were published as transcripts. In these interviews, Lewis attempts to argue for Christian morals. At the time of the interviews, Europe was battling against Hitler and Nazism, and Lewis used this as a point of reference for what the majority of humans would perceive to be morally wrong. The book also tackles the rather controversial topic of how Jesus is depicted in the Bible. Lewis made notes of parts of the Bible where Jesus would apparently claim to be God, and he encourages Christians to question why he did this. By invoking heated debates on how Jesus Christ saw himself, Lewis attracted the attention of staunch religious theists. Finally, Lewis's arguments for Christianity placed a certain degree of focus on how Christians should live, including their approach to marriage, sex and sins such as pride. Buy a copy to keep reading!

"The letters found in Volume II reveal inside accounts of how The Screwtape Letters came to be written, the early meetings with J.R.R. Tolkien giving readings about "hobbits" and "Middle Earth"), how C. S. Lewis became popular through BBC radio talks, but also how this quiet professor in England touched the lives of many through an amazing discipline of personal correspondence." -- Publisher's Introduction
